BESTSELLER It is a beautifully written book about a unique and extraordinary man who was the longest serving consort to the longest reigning monarch in British history I have read many other books about Philip but this is the best **DAILY EXPRESS** Gloriously witty and incisive **DAILY MAIL** It s bloody brilliant totally inspiring it s a joy to read a book that comes from a perspective of fondness There are whole pages I want to read to the kids and stick to the fridge **KIRSTIE ALLSOPP** **THE TIMES** As a sparkling celebration of Prince Philip the book will be hard to beat **THE TELEGRAPH** Brandreth explores a temperament on the brink of anger and agitation with immense tact even affection **THE SPECTATOR** This affectionate biography of Prince Philip is stuffed with entertaining anecdotes so readable and refreshing even after the millions of words that have been written about Prince Philip in the past couple of weeks **THE TIMES** Brilliant there is so much in this book you won t find anywhere else **LORRAINE** A stately respectful and joyful tribute It is an extraordinary story told with unique insight and authority by an author who knew him for more than 40 years **EDINBURGH EVENING NEWS** A warm affectionate portrait of the much missed Duke a rich source of insights and anecdotes **SAGA MAGAZINE**

This is the story of Prince Philip Duke of Edinburgh the longest serving consort to the longest reigning sovereign in British history It is an extraordinary story told with unique insight and authority by an author who knew the prince for more than forty years Philip elusive complex controversial challenging often humorous sometimes irascible is the man Elizabeth II once described as her constant strength and guide Who was he What was he really like What is the truth about those gaffes and the rumours of affairs This is the final portrait of an unexpected and often much misunderstood figure It is also the portrait of a remarkable marriage that endured for more than seventy years Philip and Elizabeth were both royal by birth both great great grandchildren of Queen Victoria but in temperament and upbringing they were two very different people The Queen s childhood was loving and secure the Duke s was turbulent his grandfather assassinated his father arrested his family exiled his parents separated when he was only ten Elizabeth and Philip met as cousins in the 1930s They married in 1947 aged twenty one and twenty six

Philip The Final Portrait tells the story of two contrasting lives assesses the Duke of Edinburgh's character and achievement and explores the nature of his relationships with his wife his children and their families and with the press and public and those at court who were suspicious of him in the early days This is a powerful revealing and ultimately moving account of a long life and a remarkable royal partnership **AB Bookman's Weekly** ,1992 **Churchill and Company** David Dilks,2012-12-18 Winston Churchill the great wartime leader and peacetime Prime Minister is one of the dominating figures of the 20th century In this stimulating and original book David Dilks the eminent historian of modern Britain and a leading Churchill scholar provides a fascinating source of new discoveries and insights He shows Churchill not only as a war leader and international statesman but also as a private person with a rich variety of interests enthusiasms friendships and rivalries Churchill's relations with other leading politicians and statesmen of the age both within Britain and internationally illuminate his handling of friends and enemies Sometimes these categories were not easily separated for a long while Churchill thought of Stalin as a friend or at least a comrade in arms and only with extreme reluctance did he come to look upon him ultimately as an enemy He regarded Roosevelt with admiration and gratitude yet the balance of evidence suggests that the President felt less warmly towards him especially after 1943 Dilks casts new and penetrating light on Churchill during World War II including his dramatic and troubled relationship with Charles de Gaulle where political problems were softened by Churchill's love of France The aftermath of World War II relations with Stalin the Soviet Union and the Cold War all dominated Churchill's subsequent career The last chapter draws attention to the influence of history on statesmen and others not least because no public man of the last century with the possible exception of de Gaulle has influenced on Churchill's scale or with his effectiveness the writing and the making of history Whether in or out of office Churchill's influence has been felt in all areas of British politics and national life David Dilks brings Churchill to life for all those interested modern British and international history whether student specialist or general reader **Twentieth-century Literary Criticism** Gale Research Company,2005 Excerpts from criticism of the works of novelists poets playwrights and other creative writers 1900 1960 **Lives of the Lord Chancellors: 1940-1970** R.
