Ma Hezhi and the Illustration of the Book of Odes Julia K. Murray, 1993 Dreaming the Southern Song Landscape Valérie Malenfer Ortiz, 2024-03-25 Establishing a new approach to reading Chinese landscape painting this work centers around an early key example of scholarly painting viz Dream Journey on the Xiao and Xiang Rivers late 12th century The author restores the status of Dream Journey as a cultural icon for Confucians an object of contemplation for aesthetes an imaginary dream journey for poets and an incentive to cultivate one s moral intentions for both Buddhist monks and lay scholars Also it is convincingly argued that scholarly painting originates in the Southern Song 1127 1279 and not as is commonly thought in the Yuan Dynasty 1279 1368 Concepts of Nature Hans Ulrich Vogel, G. Harrist, Gonglin Li, 1998 In the eleventh century the focus of Chinese painting shifted dramatically The subject matter of most earlier works of art was drawn from a broadly shared heritage of political religious and literary themes Late in the century however a group of scholar artists began to make paintings that reflected the private experiences of their own lives Robert Harrist argues here that no work illuminates this development more vividly than Mountain Villa a handscroll by the renowned artist Li Gonglin ca 1041 1106 Through a detailed reading of the painting and an analysis of its place in the visual culture of Li s time the author offers a new explanation for the emergence of autobiographic content in Chinese art Harrist proposes that the subject of Li s painting his garden in the Longmian Mountains was itself a form of self representation since a garden was then considered a reflection of its owner s character and values He demonstrates also that Li s turn toward the imagery of private life was inspired by the conventions of Chinese lyric poetry in which poets recorded and responded to the experiences of their lives The book draws the reader into the artistic scholarly and political world of Li Gonglin and shows the profound influence of Buddhism on Chinese painting and poetry It offers important insights not just into Chinese art but also into Chinese literature and intellectual history The **Encyclopedia of Confucianism** Xinzhong Yao, 2015-05-11 The Encyclopedia the first of its kind introduces Confucianism as a whole with 1 235 entries giving full information on its history doctrines schools rituals sacred places and terminology and on the adaptation transformation and new thinking taking place in China and other Eastern Asian countries An indispensable
