Adrian Leftwich, 2013-04-15 This book challenges conventional conceptions of politics which focus largely on the institutions of government and the associated struggles for power around them. It argues that politics is involved in all the activities of cooperation and conflict whereby people organize the use, production and distribution of human, natural and material resources. Found in all human groups, institutions and societies, politics everywhere influences and reflects the structures of power, social organization, culture and ideology. These central themes are illustrated by drawing on a wide range of societies including the Kung hunter-gatherers, the pre-Columbian Aztecs and the Pastoral Maasai as well as modern Britain and Third World societies from Chile to China. Other examples of village communities, a typical university department and the World Bank show how institutions may also be analyzed in terms of the definition of politics used here. It is equally central to the argument that many of the most critical problems occurring in societies can be attributed to their politics and this theme is explored looking at such problems as poverty, famines, epidemics, violence and unemployment in Britain and throughout the world.

Time is Cows: Timeless Wisdom of the Maasai Tanya Pergola Ph.D., 2014-08-24 When American sociologist and wellness expert Tanya Pergola first visited Tanzania and Maasailand, she became startlingly aware that she was in a place and with people who could teach her something profound. She sensed that lodged within the colorful and beautiful rituals and ceremonies of the indigenous Maasai people were gems of wisdom that could be harvested and shared as antidotes for our increasingly complex, stressful and often enigmatic modern lives. Dr. Pergola undertook a ten-year apprenticeship with Maasai traditional healers led by her guide Lekoko Ole Sululu in exchange for implementing sustainable development projects in Tanzania. In *Time is Cows*, she shares the mind-body-spirit medicine of the Maasai, the proud pastoral people of East Africa. In a voice that is at once crystal clear and spiritually alive, one that thousands around the world have already come to know in her talks and classes on wellness, yoga and nature healing, her insight, inspiration and empathy are present on every page as she shares her own knowledge and the wisdom of the Maasai compassionately and wholly. Enriched with photographs, stories and suggested practice tips, *Time is Cows* is a handbook to help you simplify your life as you uncover its profound meaning.

Maasai David Anderson, 1995 The purpose of this workbook is to help students with their preparation for the examination in Family Law PRL102 4 at Unisa. It is based on the actual questions asked of students in six recent Family Law examination papers. Die werkboek verskaf nie alleen die antwoorde op hierdie vrae nie, maar verduidelik ook aan studente hoe om by die regte antwoorde uit te kom.
