*Mabel Dodge Luhan* Lois Palken Rudnick, 1984 This fascinating biography reveals a complex and talented woman who tried to influence the course of American history and in so doing captured the imaginations of writers and artists seeking to come to terms with their visions of the twentieth century Luhan's life is the story of America's emergence from the Victorian age and in particular the story of the conflicts that American women experienced in their struggle to become movers and shakers Both as a woman and as a legend Mabel Dodge Luhan embodies the cultural forces that have shaped modern America Back cover

**Mabel Dodge Luhan & Company** Carmella Padilla, 2016 Addresses issues common to contemporary Native Americans such as the definition of Indian art and the stereotypical Indian portrayed in film **Where the Tall Grass Grows** Bobby Bridger, 2016-07-20 In this entertaining and thought provoking book noted historian and musician Bobby Bridger explores the impact of Native American culture on the American psyche The book also examines the impact of indigenous American mythology on contemporary identity and the development of modern popular entertainment particularly the Hollywood film industry *Gender Ideology*, 2023-03-13 *Cather Among the Moderns* Janis P. Stout, 2019-03-19 A masterful study by a preeminent scholar that situates Cather as a visionary practitioner of literary modernism Willa Cather is often pegged as a regionalist a feminine and domestic writer or a social realist In *Cather Among the Moderns* Janis P. Stout firmly situates Cather as a visionary practitioner of literary modernism something other scholars have hinted at but rarely affirmed Stout presents Cather on a large dramatic stage among a sizable cast of characters and against a brightly lit social and historical backdrop invoking numerous figures and instances from the broad movement in the arts and culture that we call modernism Early on Stout addresses the matter of gender The term cross dresser has often been applied to Cather but Stout sees Cather's identity as fractured or ambiguous a reading that links her firmly to early twentieth century modernity Later chapters take up topics of significance both to Cather and to twentieth century American modernists including shifting gender roles World War I's devastation of social and artistic norms and strains in racial relations She explores Cather's links to a small group of modernists who after the war embraced life in New Mexico a destination of choice for many artists and which led to two of Cather's most fully realized modernist novels *The Professor's House* and *Death Comes for the Archbishop* The last chapter addresses Cather's place within modernism Stout first places her in relation to Ezra Pound and T. S. Eliot with their shared ties to tradition even while making sometimes startling innovations in literary form then showing parallels with William Faulkner with respect to economic disparity and social injustice Martha Graham's Cold War Victoria Phillips, 2020 I am not a propagandist declared the matriarch of American modern dance Martha Graham while on her State Department funded tour in 1955 Graham's claim inspires questions the United States government exported Graham and her company internationally to over twenty seven countries in Europe Eastern Europe the Middle East the Near and Far East and Russia representing every seated president from Dwight D.
