Macarthur Of The Philippines Paperback:

Return to Victory James P. Duffy, 2021-03-16 General Douglas MacArthur's bloody campaign to defeat the hard Japanese forces and liberate the Philippines. I shall return. General Douglas MacArthur promised the Filipino people following the Japanese invasion and occupation of the Philippines in spring 1942. The people there believed MacArthur's vow and even Americans were stirred by his dramatic pledge. Now two and half years later MacArthur was ready to fulfill his promise. The liberation of the Philippines was about to begin. It would not be an easy campaign. The more than 7,000 islands of the Philippine archipelago were the key to taking down the Japanese Empire and the Imperial forces were prepared to sacrifice every man and every ship to prevent MacArthur from regaining control of them. Covering both the strategic and tactical aspects of the campaign through the participation of its soldiers, sailors and airmen as well as its commanders, James P. Duffy leads readers through a vivid account of the nearly year-long bloody campaign to defeat over a quarter million die-hard Japanese defenders in the Pacific theater. *Return to Victory* is a wide-ranging dramatic and stirring account of MacArthur's epic liberation of the Philippines. *U.S. Army Special Operations in World War II (Paperback format only)*, MacArthur and Defeat in the Philippines Richard Connaughton, 2001-09-10 In this judicious portrait of a courageous general and deeply flawed man commonly ranked as either one of the world's greatest generals or greatest examples of cowardice, military historian Connaughton seeks out the truth between these extremes. Digging into MacArthur's personal life and political relationships as well as the strategic play leading up to the Japanese attack, this is a fascinating study of the crisis of leadership as well as a focused study of one of the pivotal moments in WWII. A powerful, terrible story told in exacting detail. Kirkus STARRED The War in the Pacific: Fall of the Philippines (Paperback), **MacArthur in the Pacific** Michael Green, 1996 Fighting for MacArthur John Gordon, 2011-10-15 *Fighting for MacArthur* is a welcome addition to the scholarship on the Pacific War. Gordon makes extensive use of the U.S. Army, Navy and Marine Corps archives and interviews with veterans of the Philippine campaign. This is a well-written, engaging treatment of the steadily deteriorating position of the defenders in the Philippines. Michigan War Studies Review For the first time the story of the Navy and Marine Corps in the 1941-42 Philippine campaign is told in a single volume. Drawing on a rich collection of both U.S. and recently discovered Japanese sources as well as official records and wartime diaries, Gordon chronicles the Americans' desperate defense of the besieged islands. Gordon offers updated information about the campaign during which the Navy and Marines fighting in what was largely an Army operation performed some of their most unusual missions of the entire Pacific War. He also explains why the Navy's relationship with Gen. Douglas MacArthur became strained during this campaign and remained so for the rest of the war. As a result of Gordon's extensive primary source research, *Fighting for MacArthur* presents the most complete account of the dramatic efforts by elements of the Navy and Marine Corps to support the U.S. Army's ill-fated defense of the Philippines. **Becoming Eisenhower** Michael Lee Lanning, 2024-10-15 When Dwight Eisenhower graduated from West

Point in 1915 few would have predicted he was destined for greatness A middling student he was denied his first choice of posting missed overseas service in World War I spent a dozen years as a major and never commanded a unit larger than a battalion Yet the young officer made the most of the opportunities he was given made a lasting impression on superiors including George Marshall and eventually gained a reputation as an excellent staff officer with a knack for administration loyalty and getting along Eisenhower was promoted to colonel in March 1941 and sixteen months later was a lieutenant general in command of the European Theater of Operations His rise through the ranks was first painfully slow then meteoric It is one of the great and most important stories in military history and Michael Lee Lanning tells it vividly with an eye for the dramatic turning points in Eisenhower's rise The West Point class of 1915 was the class the stars fell on Fifty nine graduates became generals during World War II but none of that was clear at the time especially not for the young Dwight Eisenhower who graduated 61st in a class of 164 He failed to make the baseball team but made the football team only to see an injury end his playing career and was known as a card player and prankster Denied his request for service in the Philippines Eisenhower was sent to Texas where he spent a good bit of his time coaching football Later denied his request to fight in France he spent World War I training a tank unit near Gettysburg During the 1920s into the early 1930s lean years for the army during which promotions came slowly and many officers quit the service Eisenhower started to catch the eye of superiors and earned positions under the U S Army's leading lights including Fox Conner John Pershing and Douglas MacArthur whom he served under during pivotal years in the 1930s from the Bonus March to the Philippines By the late 1930s as war broke out in Europe Eisenhower's star was on the rise After serving in a series of staff positions regimental executive officer then corps and army chief of staff Eisenhower joined the General Staff in Washington DC where he helped develop war plans and eventually became deputy chief of staff under George Marshall When the time came to appoint a commander to execute the plans Eisenhower recommended another officer but Marshall knew Eisenhower was the man for the job Becoming Eisenhower is the story of a young man who first pursued the army for its free education but ultimately found his calling as an officer the story of an officer who was initially overlooked but was motivated by this frustration to make himself the army's indispensable man the story of how General Eisenhower carried these experiences not only into Supreme Command but also the presidency This book will be essential reading for World War II buffs people interested in American presidents and readers looking for the leadership lessons of history *MacArthur's Spies* Peter Eisner, 2018-05-01 MacArthur's Spies reads like Casablanca set in the Pacific filled with brave and daring characters caught up in the intrigue of war and the best part is that it's all true Tom Maier author of Masters of Sex A thrilling story of espionage daring and deception set in the exotic landscape of occupied Manila during World War II On January 2 1942 Japanese troops marched into Manila unopposed by U S forces Manila was a strategic port a romantic American outpost and a jewel of a city Tokyo saw its conquest of the Philippines as the key in its plan to control all of Asia including Australia Thousands of soldiers

surrendered and were sent on the notorious eighty mile Bataan Death March But thousands of other Filipinos and Americans refused to surrender and hid in the Luzon hills above Bataan and Manila MacArthur s Spies is the story of three of them and how they successfully foiled the Japanese for more than two years sabotaging Japanese efforts and preparing the way for MacArthur s return From a jungle hideout Colonel John Boone an enlisted American soldier led an insurgent force of Filipino fighters who infiltrated Manila as workers and servants to stage demolitions and attacks Chick Parsons an American businessman polo player and expatriate in Manila was also a U S Navy intelligence officer He escaped in the guise of a Panamanian diplomat and returned as MacArthur s spymaster coordinating the guerrilla efforts with the planned Allied invasion And finally there was Claire Phillips an itinerant American torch singer with many names and almost as many husbands Her nightclub in Manila served as a cover for supplying food to Americans in the hills and to thousands of prisoners of war She and the men and women who worked with her gathered information from the collaborating Filipino businessmen the homesick English speaking Japanese officers and the spies who mingled in the crowd Readers of Alan Furst and Ben Macintyre and anyone who loves Casablanca will relish this true tale of heroism when it counted the most **Waiting for**

General MacArthur Virgilio I. Gonzales,2014-03-05 Virgilios story had to be told The time had come when Virgilio Gonzales just had to tell his story It could wait no longer The time had not softened the memories of his youth when the Japanese occupied the Philippines his native country during World War II The story as all powerful stories had to come out into words that would last And so the now 80 year old Danbury resident sat down down to write It took four years to complete and publish Waiting for General MacArthur Virgilio can now hold the soft cover book in his hands I for one am glad he sat down four years ago to finally tell his story Jacqueline Smith managing editor of the News Times Danbury Connecticut **US**

Army in WW2: War Department, Strategic Planning for Coalition Warfare (Hardcover format only) , This volume deals with strategic planning in the midwar era from January 1943 through the summer of 1944 This is the story of the hopes fears struggles frustrations and triumphs of the Army strategic planners coming to grips with the problems of the offensive phase of coalition warfare Basic to this story is the account of planning by General George C Marshall and his advisers in the great debate on European strategy which followed the Allied landings in North Africa and continued to the penetration of the German frontier in September 1944 During this period the great international conferences from Casablanca in January 1943 to the second Quebec in September 1944 were held and the Allies formulated the grand strategy of military victory The volume follows the plans issues and decisions to the end of the summer of 1944 when the problems of winning the war began to come up against the challenges of victory and peace and a new era was beginning for the Army Chief of Staff and his advisers Military soldiers veterans especially World War II veterans and their families and students studying World War II may enjoy reading this primary source document that accounts the leadership and strategy during World War Two years 1943 1944 Related products United States Army in World War 2 War Department Global Logistics and Strategy 1940 1943 is

To the End of the Earth John C. McManus, 2023-05-02 Winner of the Army Historical Foundation Award for Excellence in U.S. Army Writing From the liberation of the Philippines to the Japanese surrender the final volume of John C. McManus's trilogy on the US Army in the Pacific War Brilliant and riveting a truly great book Gen David Petraeus Triumphant and compelling Richard Frank McManus is one of the best if not the best World War II historians working today World War II magazine The dawn of 1945 finds a US Army at its peak in the Pacific Allied victory over Japan is all but assured The only question is how many more months or years of fight does the enemy have left John C. McManus winner of the Gilder Lehrman Prize for Military History concludes his magisterial series described by the Wall Street Journal as being as vast and splendid as Rick Atkinson's Pulitzer Prize winning Liberation Trilogy with this brilliant final volume On the island of Luzon a months long stand off between US and Japanese troops finally breaks open as American soldiers push into Manila while paratroopers and amphibious invaders capture nearby Corregidor The Philippines are soon liberated and Allied strategists turn their eyes to China Iwo Jima Okinawa and the Japanese home islands themselves Readers will walk in the boots of American soldiers and officers braving intense heat rampant disease and a by now suicidal enemy determined to kill as many opponents as possible before defeat and they will encounter Japanese soldiers faced with the terrible choice between capitulation or doom At the same time this outstanding narrative lays bare the titanic ego and ambition of the Pacific War's most prominent general Douglas MacArthur and the complex challenges he faced in Japan's unconditional surrender and America's lengthy occupation

MacArthur in Asia Hiroshi Masuda, 2012-10-05 General Douglas MacArthur's storied career is inextricably linked to Asia His father Arthur served as Military Governor of the Philippines while Douglas was a student at West Point and the younger MacArthur would serve several tours of duty in that country over the next four decades becoming friends with several influential Filipinos including the country's future president Emanuel L. Quezon In 1935 he became Quezon's military advisor a post he held after retiring from the U.S. Army and at the time of Japan's invasion of 1941 As Supreme Commander for the Southwest Pacific MacArthur led American forces throughout the Pacific War He officially accepted Japan's surrender in 1945 and would later oversee the Allied occupation of Japan from 1945 to 1951 He then led the UN Command in the Korean War from 1950 to 1951 until he was dismissed from his post by President Truman In *MacArthur in Asia* the distinguished Japanese historian Hiroshi Masuda offers a new perspective on the American icon focusing on his experiences in the Philippines Japan and Korea and highlighting the importance of the general's staff the famous Bataan Boys who served alongside MacArthur throughout the Asian arc of his career to both

MacArthur's and the region's history First published to wide acclaim in Japanese in 2009 and translated into English for the first time this book uses a wide range of sources American and Japanese official records and oral histories to present a complex view of MacArthur one that illuminates his military decisions during the Pacific campaign and his administration of the Japanese Occupation Fire and Fortitude John C. McManus, 2019-07-30 WINNER OF THE GILDER LEHRMAN PRIZE FOR MILITARY HISTORY An engrossing epic history of the US Army in the Pacific War from the acclaimed author of *The Dead and Those About to Die* This eloquent and powerful narrative is military history written the way it should be James M McPherson Pulitzer Prize winning historian Out here mention is seldom seen of the achievements of the Army ground troops wrote one officer in the fall of 1943 whereas the Marines are blown up to the skies Even today the Marines are celebrated as the victors of the Pacific a reflection of a well deserved reputation for valor Yet the majority of fighting and dying in the war against Japan was done not by Marines but by unsung Army soldiers John C McManus one of our most highly acclaimed historians of World War II takes readers from Pearl Harbor a rude awakening for a military woefully unprepared for war to Makin a sliver of coral reef where the Army was tested against the increasingly desperate Japanese In between were nearly two years of punishing combat as the Army transformed at times unsteadily from an undertrained garrison force into an unstoppable juggernaut and America evolved from an inward looking nation into a global superpower At the pinnacle of this richly told story are the generals Douglas MacArthur a military autocrat driven by his dysfunctional lust for fame and power Robert Eichelberger perhaps the greatest commander in the theater yet consigned to obscurity by MacArthur's jealousy Vinegar Joe Stillwell a prickly soldier miscast in a diplomat's role and Walter Krueger a German born officer who came to lead the largest American ground force in the Pacific Enriching the narrative are the voices of men otherwise lost to history the uncelebrated Army grunts who endured stifling temperatures apocalyptic tropical storms rampant malaria and other diseases as well as a fanatical enemy bent on total destruction This is an essential ambitious book the first of three volumes a compellingly written and boldly revisionist account of a war that reshaped the American military and the globe and continues to resonate today INCLUDES MAPS AND PHOTOS Generals and Admirals, Criminals and Crooks Jeffrey J. Matthews, 2023-10-01 U S flag officers are intended to be exemplary defenders of duty honor and country but what can we learn by exposing the bad leaders lurking within these venerable ranks There is an ugly strain of criminal and unethical leadership in the upper ranks of the American military Despite the exemplary service of most American military members a persistent minority of U S flag officers Navy admirals and Army Air Force and Marine generals have embroiled the profession in scandal since the Revolutionary War In *Generals and Admirals Criminals and Crooks* award winning author Jeffrey J Matthews examines bad leadership in American military history over the past one hundred years beginning with war crimes in the Philippine American War and ending with the recent Fat Leonard corruption scandal Scrutinizing a range of leadership failures including moral cowardice sex crimes insubordination toxic leadership and obstruction of justice Matthews offers a

fascinating analysis of the bases and motives leading to these missteps and explores what could be done to curtail future misconduct of generals and admirals The book also includes an up to date examination of President Trump s term in office that highlights the vital role honorable military leadership plays in our democracy Confronting the dark side of criminal and unethical conduct among U S flag officers this frank and historically grounded book offers valuable lessons in leadership that will stimulate further debate and critical self assessment within the U S military

Tin Pan Alley and the Philippines

Thomas P. Walsh,2013-04-04 In this innovative resource Thomas P Walsh has compiled a unique collection of some 1 400 published and unpublished American musical compositions related to the Philippines during the American colonial era from 1898 to 1946 For the guide Walsh surveyed a wide array of sources published songs listed in WorldCat online catalogs of sheet music collections of university libraries and major public and private research libraries bibliographic compilations of popular music periodical literature on music and popular culture published collections of soldier songs and sheet music listed for sale on commercial auction websites The guide also identifies from song registrations in the U S Copyright Office s Catalog of Copyright Entries CCE forty eight years of musical compositions relating to the Philippines By systematically going through the CCE year by year Walsh discovered hundreds of unpublished songs written by average Americans expressing their varied views about historical events and personal experiences in America s faraway Southeast Asian colony Although most of the chronologically listed songs will be new to scholars and students songs like Ma Little Cebu Maid My Own Manila Sue My Fillipino Belle Down on the Philippine Isles Beside the Pasig River My Philippino Pearl and I Want a Filipino Man were all published and widely promoted by Tin Pan Alley as well as performed on stage and listened to on records and piano rolls across America The lyrics often illustrate popular American attitudes from shrilly patriotic numbers about the Battle of Manila Bay and the later Fall of Bataan and Corregidor to wistful romantic and even charming reminiscences of happy days spent in old Manila to racially charged pieces rife with deprecating stereotypes of Filipinos The book reprints a number of hard to find song lyrics making them available to readers for the first time in more than a century It also provides copyright registration numbers and dates of registration for many published and unpublished songs Finally more than 700 notes on particular songs and numerous links provide direct access to bibliographic records or digital copies of sheet music in libraries and collections Exhaustive in scope Tin Pan Alley and the Philippines is an invaluable resource for scholars and students of American history Pacific studies popular culture and ethnomusicology

The Liberation of Manila

John A. Del Gallego,2020-07-17 During the early months of World War II Winston Churchill maneuvered to get the U S involved in the war to save his country from German invasion Roosevelt scheming to lure Hitler into a casus belli ensnared Japan instead resulting in the attack on Pearl Harbor and the Pacific War that followed When the doomed U S garrison in the Philippines soon capitulated to the Japanese the atrocities inflicted on the Filipino and American units that surrendered were portents for the inhabitants of Manila The history chronicles the 1945 recapture of Manila largely from the perspective of the

civilian population which suffered horrific brutality from the Japanese followed by destruction and heavy loss of life during the American assault Individual stories are included of citizens caught in the crossfire between the tenacious Japanese defenders and American troops determined to seize the capital city while minimizing their own casualties regardless of the cost in civilian lives More than 175 photographs document the events described

Under Macarthur in Luzon Edward Stratemeyer, 2023-07-18 A gripping first hand account of General Douglas MacArthur's campaign to liberate the Philippines during World War II Written by celebrated children's author Edward Stratemeyer this book offers readers a vivid and insightful portrait of one of America's most important military victories This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

Book of Days C. Edward Wall, 1987

Awaiting MacArthur's Return James Villanueva, 2022-10-07 Over the course of World War II guerrillas from across the Philippines opposed Imperial Japan's occupation of the archipelago Although the guerrillas never possessed the combat strength to overcome the Japanese occupation on their own they disrupted operations kept the spirit of resistance alive provided important intelligence to the Allies and assumed frontline duties fighting the Japanese By examining the organization motivations capabilities and operations of the guerrillas James Villanueva argues that the guerrillas were effective because Japanese punitive measures along with a strong sense of obligation and loyalty to the United States pushed most of the population to support the guerrillas Unlike their predecessors opposing the Americans in 1899 the guerrillas during World War II benefited from the leadership of US and Filipino military personnel and received significant aid and direction from General Douglas MacArthur's Southwest Pacific Area SWPA Headquarters conducting one of the most effective and sophisticated resistance campaigns in World War II Awaiting MacArthur's Return is the first comprehensive comparative analysis of the major World War II guerrilla groups across the Philippine Archipelago providing a fuller picture of the nature of the war in the Southwest Pacific and revealing the extent to which the guerrilla movement affected operations for both Allied and Imperial Japanese forces Analyzing the organizational effectiveness of the guerrillas resisting the Japanese occupation of the Philippines this book alternates narrative chapters with thematic chapters examining the guerrillas organization logistics administration intelligence gathering and the support they received from Allied forces and provided the Allies in turn Villanueva offers the most in depth analysis of the guerrillas military organization and effectiveness in the context of existing theories of insurgency and counterinsurgency while using an extensive body of memoirs archival guerrilla and US Army and Navy records and translations of Japanese documents and interviews with

Japanese officers *My MacArthur* Cindy Fazzi, 2018-11 General Douglas MacArthur is the top man in the Philippines and falls in love with a young Filipino actress and singer Isabel Rosario Cooper During their years together MacArthur brings beautiful Isabel Cooper to the states Hidden from the public as well as MacArthur's domineering mother Isabel remains a well kept secret

Macarthur Of The Philippines Paperback Introduction

In the digital age, access to information has become easier than ever before. The ability to download Macarthur Of The Philippines Paperback has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Macarthur Of The Philippines Paperback has opened up a world of possibilities. Downloading Macarthur Of The Philippines Paperback provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Macarthur Of The Philippines Paperback has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Macarthur Of The Philippines Paperback. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Macarthur Of The Philippines Paperback. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Macarthur Of The Philippines Paperback, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Macarthur Of The Philippines Paperback has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the

vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Macarthur Of The Philippines Paperback Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Macarthur Of The Philippines Paperback is one of the best book in our library for free trial. We provide copy of Macarthur Of The Philippines Paperback in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Macarthur Of The Philippines Paperback. Where to download Macarthur Of The Philippines Paperback online for free? Are you looking for Macarthur Of The Philippines Paperback PDF? This is definitely going to save you time and cash in something you should think about.
