The Brussels Effect Anu Bradford, 2020-01-27 The Brussels Effect offers a novel account of the EU by challenging the view that it is a declining world power Anu Bradford explains how the EU exerts global influence through its ability to unilaterally regulate the global marketplace without the need to engage in neither international cooperation nor coercion

Lobbying the European Union Paul A. Shotton, Paul G. Nixon, 2020-09-10 Unique in bringing together contributions from academics and practitioners on the theme of strategic intelligent modern lobbying this book provides a thorough and accessible discussion on key ideas pertinent to the pursuance of public affairs in the European Union Combining innovative academic research with first hand professional experience it offers the reader a combination of practical recommendations case studies and academic theory to add new insights to interest group research and lobbying strategies While focusing on the European Union the contributors acknowledge the multi level dimension of EU decision making and incorporate research on multi level governance as well as lobbying by sub national authorities Through this they present a fuller picture of a subject that should appeal to students academics and practitioners alike

A Legal Analysis of NGOs and European Civil Society Piotr Staszczuk, 2019-06-26 Amid widespread awareness and discussion of the democratic deficit and shrinking civil space the role of nongovernmental organizations NGOs becomes increasingly important Yet the precise legal status of such bodies is ill defined Here for the first time is a thorough commentary and analysis of the position of NGOs and European civil society in the European Union EU constitutional system bringing to the fore existing and desirable means of public participation in EU lawmaking Recognizing

that NGOs have historically been designed to meet the ends of civil society the analysis focuses on the following topics and issues means in EU law of advocating for the collective interests of civil society unofficial means of influencing the EU institutions access to documents and the European Citizens Initiative as means of exerting pressure on EU legislation relations between the EU institutions and NGOs including lobbying activities bringing actions in the common good before courts and other institutions the special role of NGOs in environmental protection complaints to the Commission and the European Ombudsman EU funding for NGOs and transboundary philanthropy Drawing on a broad spectrum of sources of law including CJEU case law and relevant legal literature the book offers insightful proposals leading to the democratization of the EU s internal procedures that will allow enhanced cooperation of civil society representatives across national borders In its thorough examination of legal tools that can respond to the democratic deficit this book makes a distinctive contribution to the public debate on the future of the European Union especially in the context of emerging threats to further integration It will prove of great value not only to civil activists academics and policymakers but also to everyone interested in European integration and affordance for social participation

National Brands and Global Markets Nikolas Glover, David M. Higgins, 2023-02-02 Between Brexit efforts to Make America great again and ongoing appeals for patriotic consumption to boost economies the intersection between national identity marketing campaigns and consumer choices has been brought to the fore This book maps out this terrain and provides a framework for how research on Made in campaigns and programmes in individual countries can be placed into a broader historical context The book argues that the history of Made in can be used to shed light on society at large the actors that have promoted it the institutions that have regulated it and the cultural environments that have attributed it meaning At times Made in has been a basic descriptive trade mark while in other periods it has been a key component of carefully developed commercial brands and in yet other instances it has been used in attempts to forge and redefine national identities The book opens with an introduction to the three key factors which have featured prominently in Made in campaigns commercial logic national economic policy and its use as an instrument in political discourse and it provides an overview of the evolution of Made in from a marketing perspective This is followed by country specific discussions of Made in with case studies including countries in Western Europe the US Japan and the antipodes This book will be of significant interest to students and scholars of economic history business history and marketing Chapter 7 of this book is available for free in PDF format as Open Access from the individual product page at www.routledge.com It has been made available under a Creative Commons Attribution Non Commercial No Derivatives 4.0 license

The European Renaissance in American Life Paul F. Grendler, 2006-03-30 An informative but light hearted look at the popularity of the Renaissance today this book was written by a Renaissance scholar intrigued with the way his subject continues to resonate outside the scholarly community His purpose is to uncover and describe the many manifestations of America's love of the Renaissance Why do millions don costumes to attend Renaissance Faires Why do novels and films about the period enjoy continued popularity as do Renaissance icons such as Elizabeth I Michelangelo Shakespeare and the Mona Lisa How is it that American politicians and business leaders still look to Machiavelli as a symbol of wisdom or of evil Grendler posits that Americans embrace the Renaissance as a model of culture and sophistication seeing it as confirmation that the individual can achieve greatness against long odds a belief at the core of our own society After an examination of The Real Renaissance 1400-1620 the book looks at ways in which Americans relive the experience including Faires and Living Last Suppers ways in which we re create the Renaissance in our own world and finally ways in which the Renaissance is portrayed for better or worse in fiction and film

Lobbying in the European Parliament Maja Kluger Dionigi, 2016-12-01 This book explains when and how interest groups are influential in the European Parliament which has become one of the most important lobbying venues in the EU Yet we know little about the many ways in which interest groups and lobbyists influence parliamentary politics The author offers insights on four key cases of lobbying based on the analysis of EU documents lobbying letters and 150 interviews She argues that lobbying success depends on a number of factors most notably the degree of counter lobbying issue salience and committee receptiveness These factors are brought together in the framework of Triple I interests issues and institutions to determine the success or failure of lobbying This book will be of use to students and scholars interested in EU politics and governance EU decision making and interest group politics along with policy makers and practitioners
