**América** Robert Patrick Newcomb, 2012 Is Brazil part of Latin America or an island unto itself As Nossa and Nuestra América Inter American Dialogues demonstrates this question has been debated by Brazilian and Spanish American intellectuals alike since the early nineteenth century though it has received limited scholarly attention and its answer is less obvious than you might think This book charts Brazil's evolving and often conflicted relationship with the idea of Latin America through a detailed comparative investigation of four crucial Latin American essayists Uruguayan critic José Enrique Rodó Brazilian writer diplomat Joaquim Nabuco Mexican humanist Alfonso Reyes and Sérgio Buarque de Holanda one of Brazil's preeminent historians The author argues that Brazil plays a necessary and necessarily problematic role in the intellectual construction of Latin America Nossa and Nuestra América will be of interest to scholars and students of Latin American and Lusophone Brazilian literature and ideas and to anyone interested in rethinking comparative approaches to literary texts written in Portuguese and Spanish

José Martí's "Our America" Jeffrey Grant Belnap, Raul A. Fernandez, 1998 Considerable attention has been given to Cuban poet essayist and activist José Martí's 1891 essay Nuestra América but relatively little has been paid to the rest of the journalistic work that Martí produced during his fourteen year exile in the United States In José Martí's Our America Jeffrey Belnap and Raul Fernandez present essays from Latin American Caribbean and U.S.-based scholars who consider Martí's rich and underexplored body of work and position Martí as an emblem of New American studies A Cuban exile from 1881 to 1895 Martí was a correspondent writing in New York for various Latin American newspapers Grasping the significance of rising U.S. imperial power he came to understand the Americas as a complex system of kindred but not equal national formations whose cultural and political integrity was threatened by the overbearing aggressiveness of the United States This collection explores how in his journalistic work Martí critiques U.S. racism imperialism and capitalism warns Latin America of impending U.S. geographical cultural and economic annexation and calls for recognition of the diversity of America's cultural voices Reinforcing Martí's hemispheric vision with essays by a wide range of scholars who investigate his analysis of the United States his significance as a Latino outsider and his analyses of Latin American cultural politics this volume explores the affinities between Martí's thought and current reexaminations of what it means to study America José Martí's Our America offers a new understanding of Martí's ambiguous and problematic relation with the United States and will engage scholars and students in American Latin American and Latino studies as well as those interested in cultural postcolonial gender and ethnic studies Contributors Jeffrey Belnap Raul Fernandez Ada Ferrer Susan Gillman George Lipsitz Oscar Martí David Noble Donald E. **Perspectives on the 'other America'** Michael Niblett, Kerstin Oloff, 2009 Uniting critical writing on novels poetry painting and ritual this volume takes a regional approach to the cultures of the Caribbean Basin Ranging across the linguistic spectrum of the area it examines cultural production from the Anglophone Francophone and Hispanophone islands Suriname and the Guyanas and Latin and Central America The

interdisciplinary nature of the collection and the challenge it poses to the balkanization of the region within academic discourse will make it of especial interest to students and scholars of the Caribbean Inspired by the category of the Other America as developed by douard Glissant the book offers a series of original and stimulating engagements with topics that include nationalism migration and exile landscape and the environment gender and sexuality and Postcolonial Studies and world literature In addition to contributions by leading scholars such as Peter Hulme Theo D haen and Lizabeth Paravisini Gebert it contains interviews with two renowned novelists from the region Lawrence Scott and Mayra Santos Febres Underpinning the collection is an interrogation of received ideas of the nation state and a suggestion that regionalism might provide a better optic through which to view the circum Caribbean that national consciousness in other words must always also be a regional consciousness

The Dialectics of Our America José David Saldívar, 1991-10-31 Joining the current debates in American literary history Jos David Sald var offers a challenging new perspective on what constitutes not only the canon in American literature but also the notion of America itself His aim is the articulation of a fresh transgeographical conception of American culture one more responsive to the geographical ties and political crosscurrents of the hemisphere than to narrow national ideologies Sald var pursues this goal through an array of oppositional critical and creative practices He analyzes a range of North American writers of color Rolando Hinojosa Gloria Anzald a Arturo Islas Ntozake Shange and others and Latin American authors Jos Mart Roberto Fern ndez Retamar Gabriel Garc a M rquez and others whose work forms a radical critique of the dominant culture its politics and its restrictive modes of expression By doing so Sald var opens the traditional American canon to a dialog with other voices not just the voices of national minorities but those of regional cultures different from the prevalent anglocentric model The Dialectics of Our America in its project to expand the canon and define a pan American literary tradition will make a critical difference in ongoing attempts to reconceptualize American literary history

**American Studies** Janice A. Radway, Kevin Gaines, Barry Shank, Penny Von Eschen, 2009-03-09 American Studies is a vigorous bold account of the changes in the field of American Studies over the last thirty five years Through this set of carefully selected key essays by an editorial board of expert scholars the book demonstrates how changes in the field have produced new genealogies that tell different histories of both America and the study of America Charts the evolution of American Studies from the end of World War II to the present day by showcasing the best scholarship in this field An introductory essay by the distinguished editorial board highlights developments in the field and places each essay in its historical and theoretical context Explores topics such as American politics history culture race gender and working life Shows how changing perspectives have enabled older concepts to emerge in a different context

*Conversations Across Our America* Louis G. Mendoza, 2012-06-01 In the summer of 2007 Louis G Mendoza set off on a bicycle trip across the United States with the intention of conducting a series of interviews along the way Wanting to move beyond the media s limited portrayal of immigration as a conflict between newcomers and citizens he began speaking with people from all walks

of life about their views on Latino immigration From the tremendous number of oral histories Mendoza amassed the resulting collection offers conversations with forty three different people who speak of how they came to be here and why they made the journey They touch upon how Latino immigration is changing in this country and how this country is being changed by Latinoization Interviewees reflect upon the concerns and fears they ve encountered about the transformation of the national culture and they relate their own experiences of living and working as other in the United States Mendoza s collection is unique in its vastness His subjects are from big cities and small towns They are male and female young and old affluent and impoverished Many are political striving to change the situation of Latinos in this country but others are everyday people reflecting upon their lives in this country and on the lives they left behind Mendoza s inclusion of this broad swath of voices begins to reflect the diverse nature of Latino immigration in the United States today *Music and Identity in*

*Twentieth-Century Literature from Our America* Marco Katz Montiel,2014-08-19 Offering a one of a kind approach to music and literature of the Americas this book examines the relationships between musical protagonists from Colombia Cuba and the United States in novels by writers such as Gabriel García Márquez Alejo Carpentier Zora Neale Hurston and John Okada

Our America: A Hispanic History of the United States Felipe Fernández-Armesto,2014-01-20 A rich and moving chronicle for our very present Julio Ortega New York Times Book Review The United States is still typically conceived of as an offshoot of England with our history unfolding east to west beginning with the first English settlers in Jamestown This view overlooks the significance of America s Hispanic past With the profile of the United States increasingly Hispanic the importance of recovering the Hispanic dimension to our national story has never been greater This absorbing narrative begins with the explorers and conquistadores who planted Spain s first colonies in Puerto Rico Florida and the Southwest Missionaries and rancheros carry Spain s expansive impulse into the late eighteenth century settling California mapping the American interior to the Rockies and charting the Pacific coast During the nineteenth century Anglo America expands west under the banner of Manifest Destiny and consolidates control through war with Mexico In the Hispanic resurgence that follows it is the peoples of Latin America who overspread the continent from the Hispanic heartland in the West to major cities such as Chicago Miami New York and Boston The United States clearly has a Hispanic present and future And here is its Hispanic past presented with characteristic insight and wit by one of our greatest historians *Unhomely Rooms* Roberto Ignacio Díaz,2002 Even as he exposes the cultural fragmentation of Spanish America Díaz s critical gesture allows strangeness to become an integral part not only of individuals as Freud argues in *The Uncanny* but also of national cultural communities

**Epistemologies of the South** Boaventura de Sousa Santos, 2015-11-17 This book explores the concept of cognitive injustice the failure to recognise the different ways of knowing by which people across the globe run their lives and provide meaning to their existence Boaventura de Sousa Santos shows why global social justice is not possible without global cognitive justice Santos argues that Western domination has profoundly marginalised knowledge and wisdom that had been in existence in the global South She contends that today it is imperative to recover and valorize the epistemological diversity of the world Epistemologies of the South outlines a new kind of bottom up cosmopolitanism in which conviviality solidarity and life triumph against the logic of market ridden greed and individualism

*Temporal Echoes / Ecos En El Tiempo* Ivan A Salazar M, 2024-10-23 It is a poetic odyssey that harmonizes English and Spanish inviting readers to traverse the tapestry of emotions and thoughts that transcend linguistic borders Within its pages over 50 poems intertwine like celestial constellations each stanza a bridge between languages each line a whisper across time With its dawn kissed syllables English dances alongside Spanish whose twilight tones fall like petals from a cosmic rose It is a bilingual journey transcending mere accessibility it weaves a cultural dialogue inviting readers to explore their shared humanity Temporal Echoes captures introspective moments wonder and the quest for meaning Its verses resonate like stardust inviting us to ponder our place in the vast cosmos where time threads us all together So step into this poetic vessel sail through verses and let the echoes guide you across borders beyond words toward eternity Ecos en el Tiempo Una odisea poética que armoniza el inglés y el español invitando a los lectores a recorrer el tapiz de emociones y pensamientos que trascienden las fronteras lingüísticas Dentro de sus páginas más de 50 poemas se entrelazan como constelaciones celestiales cada estrofa es un puente entre idiomas cada verso es un susurro a través del tiempo El inglés con sus silabas besadas por el amanecer baila junto al español cuyos tonos crepusculares caen como pétalos de una rosa cósmica Este viaje bilingüe trasciende la mera accesibilidad teje un diálogo cultural invitando a los lectores a explorar su humanidad compartida Ecos en el Tiempo captura momentos introspectivos asombro y la búsqueda de significado Sus versos resuenan como polvo de estrellas invitándonos a reflexionar sobre nuestro lugar en el vasto cosmos donde el tiempo nos une a todos Así que adéntrate en esta embarcación poética navega a través de los versos y deja que los ecos te guen más allá de las fronteras más allá de las palabras hacia la eternidad

**The Limits of Identity** Charles Hatfield, 2015-11-15 The Limits of Identity is a polemical critique of the repudiation of universalism and the theoretical commitment to identity and difference embedded in Latin American literary and cultural studies Through original readings of foundational Latin American thinkers such as José Martí and José Enrique Rodó and contemporary theorists such as John Beverley and Doris Sommer Charles Hatfield reveals and challenges the anti universalism that informs seemingly disparate theoretical projects The Limits of Identity offers a critical reexamination of widely held conceptions of culture ideology interpretation and history

The repudiation of universalism Hatfield argues creates a set of problems that are both theoretical and political Even though the recognition of identity and difference is normally thought to be a form of resistance The Limits of Identity claims that in fact the opposite is true      *Recognition and Difference* Scott Lash, Mike Featherstone, 2002-07-26 Are there any cultural universals left Does multiculturalism inevitably involve a slide into moral relativism This timely and insightful book examines questions of politics and identity in the age of multicultures It draws together the contribution of outstanding contributors such as Fraser Honneth O Neill Bauman Lister Gilroy and De Swann to explore how difference and multiculturalism take on the arguments of universalist humanism The approach taken derives from the traditions of cultural sociology and cultural studies rather than political science and philosophy The book takes seriously the argument that the social bond and recognition are in danger through globalization and deterritorialization It is a major contribution to the emerging debate on the form of post national forms of civil society      **Nuestra América** José Martí, 1910      *Nuestra América* , 1922      Nuestra América Carlos Octavio Bunge, 1903
