Mountains ,1872 Nuggets and Dust David DeVries,2024-12-05 In 1995 my life hit a pothole It was more than a pothole My life ran into a ditch I limped along for the next few years doing what I could to work and trying to make the most out of a bad situation In 1998 due to a series of events I found myself in charge of a Christian chatroom I presented a 30 minute sermon every night for 4 years In 2002 I left the chatroom to rekindle a social life At one point I realized with God s help that those 30 minute sermons needed to be cut down to about 5 minutes At first I was unable to do this It seemed nothing could fit into that small a time Then several years later I joined a couple of Christian communities on a message board called Reddit Many people would come there to ask questions about religion and the church and would voice their troubles with life I would often respond to these people with biblically based answers and comments It wasn t long before I realized that these small texts were the 5 minute sermons that God had told me about a decade ago They would range from just a couple of sentences 1 minute to about 10 minutes Many people had the same questions about church and religion and the same worries about life I started to save these responses and would use them for more than a single person I have compiled a collection of some of those old sermons the small texts and other sermons and studies and truths of life written over the last 20 years and added them to this book Some are old some are long some are old some new and everything in between I hope that you will enjoy them Pioneer boys of the gold fields : or, The nugget hunters of '49 Edward Stratemeyer,2025-03-02 In Pioneer Boys of the Gold Fields Or The Nugget Hunters of 49 Edward Stratemeyer crafts an engaging adventure narrative that encapsulates the excitement and peril of the California Gold Rush Written in the early 20th century this novel exemplifies Stratemeyer s characteristic blend of vivid storytelling and historical detail immersing readers in the trials and triumphs of young prospectors in pursuit of fortune The book is suffused with themes of friendship ambition and resilience set against the backdrop of a significant period in American history making it not only an entertaining tale but also a valuable reflection on the spirit of exploration and the American Dream Edward Stratemeyer a prolific author and founder of the Stratemeyer Syndicate shaped much of early American children s literature with his adventurous tales Having grown up during an era when dime novels were popular Stratemeyer was profoundly influenced by the quest for fortune and the youthful spirit of adventure that defined 19th century America His experiences and keen understanding of young readers desires informed his creation of characters that exemplify courage and determination amidst adversity Pioneer Boys of the Gold Fields is highly recommended for those captivated by tales of adventure and history especially young readers yearning for inspiration and escapism Its engaging prose and relatable characters make it an ideal choice for both devout fans of historical fiction and newcomers seeking to explore the trials of the gold fields of 49 *Bulletin* ,1931 *Commodity Classification Under the Harmonized System* ,1988 **Statistics of Mines and Mining in the States and Territories West of the Rocky Mountains** United States.
