Rapatz, 2020-03-23 Convents and Novices in Early Modern English Dramatic Works attends to the religious social and material changes in England during the century following the Reformation specifically examining how the English came to terms with the meanings of convents and novices even after they disappeared from the physical and social landscape In five chapters it traces convents and novices across a range of dramatic texts that refuse easy generic classification problem plays such as Shakespeare's Measure for Measure Marlowe's comic tragedy The Jew of Malta Margaret Cavendish's closet dramas The Convent of Pleasure and The Religious Aphra Behn's Restoration comedy The Rover and seventeenth century dialogues that include both a Catholic treatise promoting women's entrance into European convents and a proto pornographic exposé of such convents Convents novices and problem plays emerge as parallel sites of ambiguity that reflect the social political and religious uncertainties England faced after the Reformation **Anchoritic Spirituality** Anne Savage, Nicholas Watson, 1991 Sometime in the first quarter of the 13th century a number of works were written for anchoresses women who lived as religious recluses in cells adjoining churches The most influential is Ancrene Wisse A Guide for Anchoresses which discusses in great detail the daily life of the anchoress both outer and inner This work gives a detailed sense of a powerful and multi faceted spirituality different from that of other mystics **The Nun's Rule** Richard Poore

(successively bp. of Chichester, Salisbury and Durham),1907 **The Fear of Beggars** Kelly S. Johnson,2007-05-29 Why asks Kelly Johnson does Christian ethics so rarely tackle the real life question of whether to give to beggars Examining both classical economics and Christian stewardship ethics as reactions to medieval debates about the role of mendicants in the church and in wider society Johnson reveals modern anxiety about dependence and humility as well as the importance of Christian attempts to rethink property relations in ways that integrate those qualities She studies the rhetoric and thought of Christian thinkers beggar saints and economists from throughout history placing greatest emphasis on the life and work of Peter Maurin a cofounder of the Catholic Worker movement Challenging and thought provoking *The Fear of Beggars* will move Christian economic ethics into a richer more involved discussion **Wayward Nuns in Medieval Literature** Graciela S. Daichman,1986 *Meister Eckhart and the Beguine Mystics* Bernard McGinn,1997-01-09 The great German mystic Meister Eckhart remains one of the most fascinating figures in Western thought Revived interest in Eckhart s mysticism has been matched and even surpassed by the study of the women mystics of the late13th century This book argues that Eckhart s thought cannot be fully be understood until it is viewed against the background of the breakthroughs made by the women mystics who preceded him **A Companion to Old and Middle English Literature** Laura Lambdin,Robert Thomas Lambdin,2002-06-30 Old and Middle English literature can be obscure and challenging So too can the vast body of criticism it has elicited Yet the masters of medieval literature often drew on similar texts since imitation was admired For this reason recent scholarship has often focused on the importance of genre The genre in which a work was written can illuminate the author s intentions and the text s meaning Read in light of a genre s parameters a given work can be considered in relation to other works within the same category This reference is a comprehensive overview of Old and Middle English literature Chapters focus on particular genres such as Allegorical Verse Balladry Beast Fable Chronicle Debate Poetry Epic and Heroic Lyric Middle English Parody Burlesque Religious and Allegorical Verse and Romance Expert contributors define the primary characteristics of each genre and discuss relevant literary works Chapters provide extensive reviews of scholarship and close with detailed bibliographies A more thorough bibliography of major scholarly studies closes the book *English Spirituality* Martin Thornton,2012-05-01 The republication of this definitive text is long overdue and a must for all those who are concerned for the maintenance of a sound optimistic spirituality Alan Jones Skillfully uses Bible and history to good advantage in this long look at English Spirituality s roots Christian Century I know of no other book that rivals Thornton s work as a clear and well written compilation of so much valuable material Review Of Books Religion Will provide both Protestant and Catholic readers with an exceptionally readable and thorough treatment of a shared tradition Spiritual Live

Female Monastic Life in Early Tudor England Barry Collett,2016-12-05 This gendered translation of the Benedictine Rule for women in 1517 is also a handbook for women on exercising authority management skills and the art of good governance including monastic property and relations with the outside world Barry Collett here provides a modern facsimile edition of

Fox's translation written in the tumbling phrases of passionate prose that make Fox stand out as a literary figure of the English Renaissance Collett also provides an extensive introduction that argues that Fox's experience as an administrator and senior political adviser with special responsibility for foreign affairs mainly with Scotland and France the political situation in 1516 and social concerns Fox shared with Thomas More all provide keys to understanding this translation of the rule Richard Fox was king's secretary Lord Privy Seal and Bishop of Winchester and founder of Corpus Christi College in Oxford He was an administrator who reflected much on the proper exercise of authority and responsibility at all levels especially through negotiated co-operation He strongly supported monastic reforms and when a group of abbesses requested a translation for sisters unable to understand Latin this was his response It provides a unique window into the world of female spirituality just a few months before Luther's reformation began The exercise of God given authority by women is described in the same possibly stronger terms as for men Fox expressed no reservations about the exercise of authority by women His indifference to sexual distinctions arose paradoxically from his preoccupation with the skilful use of God given functioning of authority in a hierarchical society

Medieval Pets Kathleen Walker-Meikle, 2012 Animals in the middle ages have often been discussed but usually only as a source of food as beasts of burden or as aids for hunters This book takes a completely different angle showing that they were also beloved domestic companions to their human owners It offers a full survey of pets and pet keeping how they were acquired kept fed exercised and displayed it looks at the problems pets could cause and finally how they were mourned It also examines the representation of pets and their owners in art and literature the many charming illustrations offer further evidence for the bonds between humans and their pets then as now Dr Kathleen Walker Meikle is a Wellcome Trust Fellow at the University of York working on animals and medieval medicine
