## **Nupe Religion Traditional Beliefs And The Influence Of Islam In A West African Chieftdom:**

**Nupe Religion** S. F. Nadel, 2018-09-03 Originally published in 1954 this book is a penetrating study of Nupe religion and the increasing influence that Islam has had on indigenous forms of worship The practise of witchcraft forms of ritual Gods and faith in medicine are all examined as an integral part of Nupe religion and culture **Nupe Religion** S. F. Nadel, 1954

Nupe Religion Siegfried Ferdinand Nadel, Siegfried Frederick Nadel, 1954 Nupe Religion Siegfried Ferdinand Nadel, 1970 **Nupe Religion** Siegfried Ferdinand Stephan Nadel, 1970 *The Religious Traditions of Africa* Elizabeth Isichei, 2004-11-23 This work is a first of its kind historical introduction to the major religions of Africa The vast majorities of Africa s peoples have been Muslim Christian or Traditionalist for a great deal of time making an inclusive study of these religions essential Isichei s work gives equal attention to all three religions and balances the elements of each to construct an easily accessible overview It is also the first book to provide a comprehensive look at the traditional religion in Africa filling the void in the literature on African religious history Written by a pioneering scholar in the African religious experience this volume blends in depth research and personnel accounts to explore the origins and effects of religion in Africa While primarily a work of history this book also incorporates the latest findings while engaging with current issues such as the interface of neo traditional religion and contemporary cultures This work includes four sections each dedicated to a separate religion detailed maps a glossary and a guide to further reading **The Individual and Community in African**

**Traditional Religions** Theo Sundermeier, 1998 The writer has done a careful scholarly and sensitive and very positive and fair study of African religion with particular reference to the individual and community Theo Sundermeier lets Africa speak for itself and on its own terms and in its own categories The concluding chapter is a necessary reading for all who would be on mission who would seek to live the ecumenical imperative and care to ensure that the pursuit of a religion does not result in dehumanization and degradation and marginalization of the other person Rev Canon Prof John S Pobee World Council of Churches Geneva Switzerland This book treats the subject of African religions in a creative and interesting way emphasizing that these religions are genuine authentic expressions of religiosity on a par with other religions including the so called world religions The author provides an excellent account of the nature interdependence between individual community society and the natural order an interdependence which these religions symbolize and express in ritual and belief Likewise the essentially personal nature of power as conceived in African culture is thoughtfully and interestingly analysed There are many other thought provoking ideas and interpretations in this volume including the deconstruction of the commonly held notions of the distinction between witchcraft and magic This is a most worthwhile contribution to the study of Africa s traditional religions and I am convinced all those with an interest in Africa who read it will gain much therefrom Professor Peter B Clarke Professor of the History and Sociology of Religion in the University of London at King s College and formerly Professor of African History at the University of Ibadan Nigeria Theo Sundermeier is Professor of the History of Religion and

Mouse Morality Annalee R.

Ward, 2010-01-01 2004 Clifford G Christians Ethics Research Award The Carl Couch Center for Social and Internet Research

Kids around the world love Disney animated films and many of their parents trust the Disney corporation to provide wholesome moral entertainment for their children Yet frequent protests and even boycotts of Disney products and practices reveal a widespread unease with the sometimes mixed and inconsistent moral values espoused in Disney films as the company attempts to appeal to the largest possible audience In this book Annalee R Ward uses a variety of analytical tools based in rhetorical criticism to examine the moral messages taught in five recent Disney animated films The Lion King Pocahontas The Hunchback of Notre Dame Hercules and Mulan Taking the films on their own terms she uncovers the many mixed messages they purvey for example females can be leaders but male leadership ought to be the norm stereotyping is wrong but black means evil historical truth is valued but only tell what one can sell etc Adding these messages together Ward raises important questions about the moral ambiguity of Disney s overall worldview and demonstrates the need for parents to be discerning in letting their children learn moral values and life lessons from Disney films
