Lexie Cooke didn't know her husband Stan was a cheater when she married him. Actually, she didn't know much about him at all. It had been a whirlwind romance. But when she realizes his lying and manipulation is much deeper than sexual affairs, she understands she needs to escape imminent danger. With her three children and her best friend, she hides in a vacant house in the hills of Oahu. The house becomes her refuge. Her fears never leave her, but the house possesses a wonderful healing power for them all. Afraid of being found, she moves her family to Europe. Her instincts always lead her back to the house in Hawaii, where she learns of its history and its previous occupants while also discovering her future. Intense, heartwarming, and full of the culture of Hawaii, China, France, and Switzerland, *The Healing House* covers six generations of a family, narrating what separates them and what makes them whole again. This novel offers insight into the themes of the power of women, love, and God's intervention in a person's life while teaching about following one's instincts and listening to one's heart and mind.
