Hard Time & Nursery Rhymes Claudia Trupp, 2009-04-14 What kind of woman leaves three young daughters at home every morning to spend her days representing convicted murderers and rapists? That is the question criminal defense attorney Claudia Trupp confronts in this sharp and riveting memoir as she seeks answers for herself and mostly for her daughters. Every working mother faces the challenges of balancing work and home, but the nature of Trupp's work makes her juggling act all the more precarious and at times hilarious and bizarre. Trupp's domestic anecdotes of life with her kids run parallel to narratives of her most memorable and often unsettling criminal cases, each providing a platform to explore broader issues such as faith, perspective, and charm. The navigation of radically different realms—the criminal courts and maximum security prisons where clients serve hard time and the home front where children demand marshmallows for breakfast—provides thought-provoking and entertaining reading. While the working mother has been a popular subject of fiction and self-help guides, this may be the only book offering a woman's deeply personal and unapologetic account of how embracing a challenging job while simultaneously guiding a family reaps unexpected benefits on both fronts. In a memoir that will resonate powerfully with all women, Trupp candidly conveys to the reader and to her daughters the struggles and rewards of the conflicting roles in her life, the joy she has found in being a mother, and the value of meaningful work.

Favorite Nursery Rhymes Alison Atkins, 2018 Its singalong fun for everyone with this beloved collection of favorite nursery rhymes. This padded picture storybook is the perfect companion to singalong time.

The Wheels on the Bus IglooBooks, 2021-07-06 Sing along to Wheels on the Bus as you read this storybook.

Santa's Parade of Nursery Rhymes Jeanne Poore, 2000-10 It was December 1929, a period of reflection as the nation reeled from the stock market crash of the previous October. But it was a time of much-needed cheer as well. So The Kansas City Star published a 12-installment collection of delightful nursery rhyme patterns called Santa's Parade, inspired by the city's annual Christmas parade. Here's everything you need to create this redwork nursery quilt.

Capital Punishment in Popular Culture, Toys, Games, and Nursery Rhymes Ellen Tsagaris, 2023-04-03 Art generally imitates life. This book highlights how the death penalty and murder have influenced toy-making, pop culture, art, and music. It also addresses issues of equality and injustice involved in death sentencing. Many toys and dolls are illustrated and discussed, including those representing royalty, famous trials, and murderers. Included are a brief guide for reading legal cases, an actual United States Supreme Court case, and a brief history of capital punishment theories, exercises, and more. Librarians, historians, legal practitioners, museum curators, law professors, criminologists, doll and toy collectors, and students alike will find this book useful. Given how often capital punishment appears in everyday life, general readers will find it interesting and engaging.
