**Development Competencies** Barbara A. Brunt, 2014 **Nursing Professional Development Competencies: Tools to Evaluate and Enhance Educational Practice** is the only resource of its kind that provides nursing professional development specialists with a framework for career development and competence. Barbara A. Brunt's research has developed more than 70 evidence-based competencies aligned with the Scope and Standards of Practice and Benner's novice to expert continuum. Staff educators can use this book in numerous ways, from personal development such as measuring and demonstrating proficiency to training new educators. With more than 70 evidence-based competencies, educators can immediately download the tools and incorporate them into practice. **Nursing Professional Development Competencies** provides nursing professional development specialists with tools to move through the nursing professional development role and develop expertise.

*Staff Educator's Guide to Professional Development* Alvin D. Jeffery, Anne Longo, Angela Nienaber, 2015. We all know how important it is to help professional nurses maintain and grow their competence in order to provide excellent care for the people they serve, but when busy nurse educators and development specialists are often just trying to put out the next fire, they need a concise, just-in-time aid to help make competency assessments and educational delivery programs successful for their nurses. From assessing and evaluating competency to developing creative learning activities to revising large educational programs, *Staff Educator's Guide to Nursing Competencies* book explores the nuts and bolts of nursing professional development practice along with some theory related to promoting competency. Whether you're new to leading assessment and development programs or a seasoned nursing staff development specialist, this book will help you design, develop, and analyze professional development activities, implement professional development activities, evaluate and individual's growth, evaluate an education program's performance, understand ethical and legal considerations, use technology to enhance learning activities. *Nursing Staff Development Strategies for Success* Roberta Abruzzese (Ed), RN, FAAN (Consultant in Nursing Education and Staff Development, Adelphi University), 1992. **Nursing Professional Development for Clinical Educators** Joan Such Lockhart, 2016. Nursing professional development specialists, NPDSs, and unit-based educators

are integral to the development and performance of healthcare professionals in a variety of clinical settings and specialties. Yet in today's healthcare workplace delivering effective education can be challenging. *Nursing Professional Development for Clinical Educators* examines the ever-changing scope and standards of NPDS practice and the healthcare trends that influence the NPDS role. The book provides essential guidance in understanding the roles and responsibilities of nursing staff development, orienting nursing staff to the clinical unit, developing educational programs, and helping staff develop as professionals. This volume updates and revises the author's previous work *Unit Based Staff Development for Clinical Nurses*, first published in 2004. The new update looks at healthcare trends and changes in nursing professional development, examines the roles and responsibilities of the nursing professional development specialist, and details how best to prepare for the role. The book also features an extended orientation chapter which explores competency residency programs and dedicated education units.
