nutritionally richer foods such as fruit and dairy products However overall food security status in Addis Ababa is not yet alarming possibly because most households have used their savings to buffer food consumption It is likely that these savings will not last for much longer calling for a rapid scale up of existing support programs [Choice](#) ,2008 **Lewis's Adult Health Nursing I and II: Assessment and Management of Clinical Problems_5SAE 2V - E-Book** Chintamani,Dr. L.
