Prose fiction experimental poetry drama letters philosophy and design theory intersect and breed Readers of all centuries will feel at home in this book The smell of seafood and speculative urban planning merge into a 1990s computer game Abidjan has 12 756 streets with no way to go from one to another and an apocalypse of tax law and classical mythology descends upon suburbia and reveals a medieval theology of design theater and light The book's six stories are set in different times and places sometimes within the same narrative but have in common a slippery approach to the boundaries between fiction and theory between ontological planes and between the comical and the moral Together they form a treatise on the nature of writing as a branch of design one whose medium is easier to reveal than to define **Ambiguity Machines and**

Other Stories Vandana Singh, 2018-02-13 After the success of her collection *The Woman Who Thought She Was a Planet* Vandana Singh returns to the short story in *Ambiguity Machines* Her deep humanism interplays with her scientific background in stories that consider and celebrate this world and others with characters who try to make sense of the people they meet what they see and the challenges they face An eleventh century poet wakes to find he is an artificially intelligent companion on a starship A woman of no account has the ability to look into the past And in *Requiem* a major new novella a woman goes to Alaska to try and make sense of her aunt's disappearance Examining the revolutionary potential of speculative fiction Singh dives deep into the vast strangeness of the universe without and within to explore the ways in which we move through space and time together yet always apart *The Best of John Russell Fearn: Outcasts of eternity and other stories* John Russell Fearn, 2001-03-01 **Doctor Who in Time and Space** Gillian I. Leitch, Donald E. Palumbo, C.W.

Sullivan III, 2013-03-13 This collection of fresh essays addresses a broad range of topics in the BBC science fiction television series *Doctor Who* both old 1963 1989 and new 2005 present The book begins with the fan There are essays on how the show is viewed and identified with fan interactions with each other reactions to changes the wilderness years when it wasn't in production Essays then look at the ways in which the stories are told e.g. their timeliness their use of time travel as a device etc After discussing the stories and devices and themes the essays turn to looking at the Doctor's female companions and how they evolve are used and changed by their journey with the Doctor **The Wager and Other Stories** Greg Sushinsky, 2020-05-23 *The Wager* is a simple story of a seemingly innocuous wager which triggers the clash between a decorated starflyer and his planet's powerful ruler that leads to startling events which will have dire consequences across the galaxy Thus begins the saga of Jospa the Starflyer and Kasceto the Ruler Jospa is a starflyer a space explorer of the first order He is a discoverer of new worlds but one world in particular intrigues him more than others When Jospa's superior Kasceto insists on making a wager involving this world Jospa's life is forever changed He is faced with a momentous decision In this gripping story you will see how a simple bet the wager leads to the dramatic events that force Jospa to risk everything Cobalt is the story of the starflyer Jospa's voyage of discovery a flight into the unknown It is his singular exploration and part meditation on his travels through the cosmos Share in his discovery of one very special world one which

will ultimately thrust him into danger Join Jospar on his journey as his story continues In Roscoe the arrival of a celebrated visitor to Jospar s planet as Jospar is about to undertake a critical mission sets off a series of events which once again pit Jospar against the dangerous Kasceto Who is the visitor Roscoe and why does his arrival force Jospar and Kasceto into a deadly clash These three stories comprise this slim volume of extraordinary science fiction the first in the series of Jospar the Starflyer Author Greg Sushinsky has brought a unique touch and originality to his work which provides an unforgettable dimension of wonder adventure and meaning Join the many readers who have already entered and enjoy this world *Edgar Allan Poe's the Tell-tale Heart and Other Stories* Harold Bloom, Sterling Professor of Humanities Harold Bloom, 2014-05-14 Presents a collection of critical essays on Poe s novel The tell tale heart arranged chronologically in the order of their original publication **The Gift of Stories** Robert Atkinson, 1995-05-30 The stories we tell about ourselves are guided by cultural patterns and enduring elements The current interest in mythology has made evident how the classic hero s journey represents a theme not only common to all the world s myths but also our own lives today The Gift of Stories offers a clear concise basis for understanding the nature and potential of sharing our stories It provides specific practical instructional details for telling our own stories and gives the necessary guidelines for assisting others in telling their life stories Its basic framework enables individuals with little experience to begin writing about the really important aspects of their lives and understanding how and why the universal elements of the stories we tell contribute to our continuing growth **Reality and Other Stories** Peter Dray, Matt Lillicrap, 2022-08-18 Stories shape us and give us meaning but is it coincidence that the same seven basic plots repeat over time and across the world What if stories not only reveal something about human psychology but also give us clues to the meaning of the reality we live in In Reality and Other Stories Peter Dray and Matt Lillicrap explore how seven story archetypes Overcoming the Monster Rags to Riches The Quest Voyage and Return Comedy Tragedy and Rebirth are not only universal but also found in the story of Christ As they unpack each example they demonstrate how our deepest longing find fulfilment in Jesus story This is not just another Christian apologetics book Reality and Other Stories is an ideal gift to give to new Christians and those just beginning to explore faith The authors show the power of storytelling to affect our lives and through examples of story archetypes demonstrates that the life of Jesus truly is the story at the heart of reality Reality and Other Stories will help you explore Jesus story for yourself and better understand how through Jesus we can discover the true story of reality that gives ultimate purpose to our lives The Modern Reader's Bible Richard Green Moulton, 1907 **The Black Mirror and Other Stories** Franz Rottensteiner, 2008-12-31 Handsomely equipped with a comprehensive introductory historical essay editor s notes and selected bibliography this distinguished anthology is a model of genre research These previously untranslated stories published from 1871 onward offer reading virtually unknown to most American and many German readers Some authors combine scientific and philosophical issues like Kurd Lasswitz in his witty tale To the Absolute Zero of Existence A Story from 2371 while others as in Erik Simon s 1983 title

story pose psychological puzzles involving alien phenomena Though the earlier stories in particular demand painstaking reading all of them repay it with rewarding insights into German and Austrian culture and the many possible uses and misuses of science
