Red Victory A History Of The Russian Civil War

Jonathan D. Smele

Red Victory A History Of The Russian Civil War:

Red Victory W. Bruce Lincoln, 1989 A chronicle of the Russian Civil War from 1918 to 1921 **Red Victory** W. Bruce Lincoln, 1991-01 Using material from newly opened archives the author explores the years from 1918 to 1921 when the Russians came to know the full dimensions of the revolution that had begun in 1917 Red Victory W. Bruce Lincoln, 1999-05-07 Shortly after withdrawing from World War I Russia descended into a bitter civil war unprecedented for its savagery epidemics battles mass executions forced labor and famine claimed millions of lives From 1918 to 1921 through great cities and tiny villages across untouched forests and vast frozen wasteland the Bolshevik Reds fought the anti Communist Whites and their Allies fourteen foreign countries contributed weapons money and troops including 20 000 American soldiers This landmark history re creates the epic conflict that transformed Russia from the Empire of the Tsars into the Empire of the Commissars while never losing sight of the horrifying human cost The "Russian" Civil Wars, 1916-1926 Jonathan Smele, 2016-01-15 This volume offers a comprehensive and original analysis and reconceptualisation of the compendium of struggles that wracked the collapsing Tsarist empire and the emergent USSR profoundly affecting the history of the twentieth century Indeed the reverberations of those decade long wars echo to the present day not despite but because of the collapse of the Soviet Union which re opened many old wounds from the Baltic to the Caucasus Contemporary memorialising and de memorialising of these wars therefore form part of the book s focus but at its heart lie the struggles between various Russian political and military forces which sought to inherit and preserve or even expand the territory of the tsars overlain with examinations of the attempts of many non Russian national and religious groups to divide the former empire The reasons why some of the latter were successful Poland and Finland for example while others Ukraine Georgia and the Muslim Basmachi were not are as much the author s concern as are explanations as to why the chief victors of the Russian Civil Wars were the Bolsheviks Tellingly the work begins and ends with battles in Central Asia a theatre of the Russian Civil Wars that was closer to Mumbai than it was to Moscow **Historical Dictionary of the Russian Civil Wars, 1916-1926** Jonathan D. Smele, 2015-11-19 This book is a detailed reference of the twentieth century struggles that were waged across and beyond the decaying Russian Empire at the end of the First World War as tsarism and democratic alternatives to it collapsed and the world s first Communist state the Union of Soviet Socialist Republics was born At the same time it is a necessary corrective to studies that have viewed events of the time as a unitary Russian Civil War that sprang from the Russian Revolution of 1917 Instead it contributes to the ongoing process of integrating the civil wars into a continuum of crises that wracked the Russian Empire and its would be successor states across a prolonged period The Historical Dictionary of the Russian Civil Wars 1916 1926 covers the history of this period through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has almost 2 000 cross referenced entries on individuals political and governmental institutions and political parties and military formations and concepts as

well as religion art film propaganda uniforms and weaponry This book is an excellent access point for students researchers and anyone wanting to know more about the Russian Civil War **The Russian Revolution and Civil War 1917-1921**

Jonathan Smele,2006-04-15 The Russian Revolution and Civil War in the years 1917 to 1921 is one of the most widely studied periods in history It is also somewhat inevitably one that has generated a huge flow of literature in the decades that have passed since the events themselves However until now historians of the revolution have had no dedicated bibliography of the period and little claim to bibliographical control over the literature The Russian Revolution and Civil War 1917 1921 offers for the first time a comprehensive bibliographical guide to this crucial and fascinating period of history The Bibliography focuses on the key years of 1917 to 1921 starting with the February Revolution of 1917 and concluding with the 10th Party Congress of March 1921 and covers all the key events of the intervening years As such it identifies these crucial years as something more than simply the creation of a communist state **The Third Revolution** Murray Bookchin,2004-06-15 Comprehensive

account of the great revolutions that swept over Europe and America **Lenin's Revolution** David R. Marples,2014-06-06 This study examines one of the key events in history the Russian Revolution Since the late Gorbachev period a wealth of new material has become available to historians that has triggered intense scholarly debate on the nature of revolution This timely new book takes account of the new scholarship including for example the role of Lenin It is argued that the initial flexibility of Lenin and the Bolshevik party allowed them to take power but that the conduct of both changed considerably once they were obliged to take steps to maintain their authority This book charts the February Revolution the October Revolution the Civil War and the main individuals involved giving a remarkable degree of clarity to the tumultuous events in Russia whose consequences the world lived with for the rest of the twentieth century *The Russian Revolution* Sheila Fitzpatrick,2017-09-29 The Russian Revolution had a decisive impact on the history of the twentieth century In the years following the collapse of the Soviet regime and the opening of its archives it has become possible to step back and see the full picture Starting with an overview of the roots of the revolution Fitzpatrick takes the story from 1917 through Stalin's revolution from above to the great purges of the 1930s She tells a gripping story of a Marxist revolution that was intended to transform the world visited enormous suffering on the Russian people and like the French Revolution before it ended up by devouring its own children This updated edition contains a fully revised bibliography and updated introduction to address the centenary what does it all mean in retrospect **Critical Companion to the Russian Revolution, 1914-1921** Edward

Acton,V. I. Cherniakov,V. I. Cherniakov,William G. Rosenberg,1997 Essays by 46 historians reflect the impact of the fall of the Soviet Union on the study of the revolution that birthed it including better access to archives and new opportunities for collaborations between Russian and other specialists They cover the revolution as event actors and the question of agency parties movements and ideologies institutions and institutional cultures social groups identities cultures and the question of consciousness economic issues and problems of everyday life and nationality and regional questions Annotation copyrighted

by Book News Inc Portland OR **Mastering Twentieth-Century Russian History** Norman Lowe, 2020-08-29 Mastering Twentieth Century Russian History presents a vivid and informative account of the events which befell the Russian people during the course of the twentieth century Explores the major developments of the last century from the revolution of 1905 to the First and Second World Wars to the Cold War and the rise and fall of the USSR Examines key figures and their actions from Nicholas II Lenin Trotsky Stalin Khrushchev Brezhnev Gorbachev and Yeltsin to Putin Deals with events right up to 2000 enabling the Soviet experiment to be placed in context a decade after its collapse Incorporates the latest research from British American and Russian historians examining key controversies and debates Includes primary source material maps photographs posters and a full chronology of events This text is the ideal companion for anyone seeking a clear yet detailed introduction to the fascinating events of twentieth century Russian history *From Tsar To Soviets* Christopher Reed, 2005-11-10 Written from the perspective of the factory worker and peasant at the ground level this study of Russia during the Revolution 1917-21 aims to shed light on the realities of living through and participating in these tumultuous events The book is intended for undergraduate courses in history Soviet studies and politics **The Red Army and the Great Terror** Peter Whitewood, 2015-09-25 On June 11 1937 a closed military court ordered the execution of a group of the Soviet Union's most talented and experienced army officers including Marshal Mikhail Tukhachevskii all were charged with participating in a Nazi plot to overthrow the regime of Joseph Stalin There followed a massive military purge from the officer corps through the rank and file that many consider a major factor in the Red Army's dismal performance in confronting the German invasion of June 1941 Why take such action on the eve of a major war The most common theory has Stalin fabricating a military conspiracy to tighten his control over the Soviet state In *The Red Army and the Great Terror* Peter Whitewood advances an entirely new explanation for Stalin's actions an explanation with the potential to unlock the mysteries that still surround the Great Terror the surge of political repression in the late 1930s in which over one million Soviet people were imprisoned in labor camps and over 750 000 executed Framing his study within the context of Soviet civil military relations dating back to the 1917 revolution Whitewood shows that Stalin sanctioned this attack on the Red Army not from a position of confidence and strength but from one of weakness and misperception Here we see how Stalin's views had been poisoned by the paranoid accusations of his secret police who saw spies and supporters of the dead Tsar everywhere and who had long believed that the Red Army was vulnerable to infiltration by foreign intelligence agencies engaged in a conspiracy against the Soviet state Recently opened Russian archives allow Whitewood to counter the accounts of Soviet defectors and conspiracy theories that have long underpinned conventional wisdom on the military purge By broadening our view *The Red Army and the Great Terror* demonstrates not only why Tukhachevskii and his associates were purged in 1937 but also why tens of thousands of other officers and soldiers were discharged and arrested at the same time With its thorough reassessment of these events the book sheds new light on the nature of power state violence and civil military

relations under the Stalinist regime *The Anatomy of Revolution Revisited* Bailey Stone, 2014 This study aims to update a classic of comparative revolutionary analysis Crane Brinton's 1938 study *The Anatomy of Revolution* It invokes the latest research and theoretical writing in history political science and political sociology to compare and contrast in their successive phases the English Revolution of 1640-60 the French Revolution of 1789-99 and the Russian Revolution of 1917-29 This book intends to do what no other comparative analysis of revolutionary change has yet adequately done It not only progresses beyond Marxian socioeconomic class analysis and early revisionist stresses on short term accidental factors involved in revolutionary causation and process it also finds ways to reconcile state centered structuralist accounts of the three major European revolutions with postmodernist explanations of those upheavals that play up the centrality of human agency revolutionary discourse mentalities ideology and political culture **German Diplomatic Relations 1871-1945**

William Young, 2006-09-04 The continuity issue has been a theme in German historiography for half a century Historians have examined the foreign policy of Wilhelmine and Nazi Germany that led to two world wars Dr William Young examines the continuity of German Foreign Office influence in the formulation of foreign policy under the leadership of Otto von Bismarck 1862-1890 Kaiser William II 1888-1918 the Weimar Republic 1919-1933 and Adolf Hitler 1933-1945 He stresses the role and influence of strong German leaders in the making of policy and the conduct of foreign relations *German Diplomatic Relations 1871-1945* will be of value to individuals interested in the history of Germany Modern Europe and International Relations

The Russian Way of War Richard W. Harrison, 2001 In this first comprehensive treatment of the subject Richard Harrison shows how this theory emerged and developed to become despite radically different political settings and levels of technology essential to the Red Army's victory over Germany in World War II The Great War Marc Ferro, 2003-10-06 First published in 2003 Routledge is an imprint of Taylor Francis an informal company **The Nature of Soviet Power** Andy Bruno, 2016-04-11 This in depth exploration of five industries in the Kola Peninsula examines Soviet power and its interaction with the natural world Russian Revolution of 1917 Sean N. Kalic, Gates M. Brown, 2017-09-21 Combining reference entries and examination of primary documents from the Russian Revolution this book gives students a better understanding of how and why political forces fought to reshape the Russian empire 100 years ago and provides keen insights into the Soviet Union that resulted This invaluable reference guide provides an understanding of the social political and economic forces and events in Russia that led to the 1905 Russian Revolution in which leftists radicals disposed of the Czar and his regime It addresses key developments such as the formation of the provisional government the Bolshevik Revolution in October 1917 and the Russian Civil War connected evolutionary historical events that fundamentally reshaped Russia into the Soviet Union This book serves students and general readers seeking a single source that provides in depth coverage of the Russian Revolution and the Russian Civil War Beyond the reference entries the book contains primary documents that cover the key events people and issues that emerged during Russia's revolutions and Civil War These documents give readers

a more detailed understanding of how the Bolsheviks used calls for greater democracy to gain support for their revolution how the Bolsheviks used terror and control as means to maintain their power once the Bolshevik Revolution took place and why the Bolsheviks believed such extreme measures were needed Also included is a chronology of major events from 1890 through 1923 and a bibliography that serves as a starting point for more directed research *Dreams of a Great Small Nation* Kevin McNamara, 2016-03-29 In 1917 two empires that had dominated much of Europe and Asia teetered on the edge of the abyss exhausted by the ruinous cost in blood and treasure of the First World War As Imperial Russia and Habsburg ruled Austria Hungary began to succumb a small group of Czech and Slovak combat veterans stranded in Siberia saw an opportunity to realize their long held dream of independence While their plan was audacious and complex and involved moving their 50 000 strong army by land and sea across three quarters of the earths expanse their commitment to fight for the Allies on the Western Front riveted the attention of Allied London Paris and Washington On their journey across Siberia a brawl erupted at a remote Trans Siberian rail station that sparked a wholesale rebellion The marauding Czecho Slovak Legion seized control of the Trans Siberian Railroad and with it Siberia In the end this small band of POWs and deserters whose strength was seen by Leon Trotsky as the chief threat to Soviet rule helped destroy the Austro Hungarian Empire and found Czecho Slovakia

Red Victory A History Of The Russian Civil War Introduction

In the digital age, access to information has become easier than ever before. The ability to download Red Victory A History Of The Russian Civil War has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Red Victory A History Of The Russian Civil War has opened up a world of possibilities. Downloading Red Victory A History Of The Russian Civil War provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Red Victory A History Of The Russian Civil War has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Red Victory A History Of The Russian Civil War. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Red Victory A History Of The Russian Civil War. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Red Victory A History Of The Russian Civil War, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Red Victory A History Of The Russian Civil War has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to

engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Red Victory A History Of The Russian Civil War Books

1. Where can I buy Red Victory A History Of The Russian Civil War books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
