Selected Studies on Prophetic Interpretation William H. Shea, 1992 **Selected Studies on Prophetic Interpretation** William H. Shea, 1982 Selected Studies on Prophetic Interpretation William H. Shea, 1990 *Illuminations by Philo of Alexandria: Selected Studies on Interpretation in Philo, Paul and the Revelation of John* Peder Borgen, 2021-05-25 This volume contains a collection of 17 essays on Philo written by Peder Borgen between 1987 and 2018 The first six studies deal with important issues in Philo's religious thought and social world such as his views on Flaccus prayers and his eschatology The next five essays illustrate how an understanding of Philo can contribute to the interpretation of Paul especially his Letter to the Galatians The final six studies deal with the importance of Philo's writings for the interpretation of the Revelation of John a subject too rarely touched upon in recent scholarship Towards an Adventist Version of Communion Ecclesiology Tihomir Lazić, 2019-11-13 This book explores how Seventh day Adventists like other Christians can benefit from generating their own version of communion ecclesiology It starts by offering a critical analysis of the status quo of the existing Adventist portrayal of church as remnant and suggests potential ways of moving this tradition forward To articulate a more rounded and comprehensive vision of the church's rich and multifaceted relational nature this book draws on the mainstream Christian koinonia based framework Consequently it provides possible solutions to some of the most divisive ecclesial issues that Christian communities face today regarding church structure ministry mission communal interpretation and reform As it sets on a new footing the conversation between Adventism and other mainstream Christian traditions the methodology of this book serves as a pathway for any Christian community to use when revisiting and enhancing its own current theologies of the church *Apocalypse and Millennium* Kenneth G. C. Newport, 2000-08-10 *Apocalypse and Millennium* argues that far from being a random sequence of bizarre statements millennial schemes including the setting of dates for the second coming of Christ are more often characterised by highly complex and internally consistent interpretations of scripture Such interpretations do not always result in positive outcomes As an example the work of David Koresh is examined at length Koresh styled by some the Wacko from Waco clearly had views which some would find odd However his interpretation of scripture did not lack system or context and to see him in that light is to begin to understand why his message had appeal particularly to those of the Seventh day Adventist tradition The final three chapters in this book outline Koresh's thinking on end time events and trace the line of his interpretative tradition from nineteenth century Millerism through Seventh day Adventism and Davidianism which began in 1929 **BOOK JACKET** **The Cultic Motif in the Book of Daniel** Winfried Vogel, 2010 This unique study of the theology of the book of Daniel examines the cultic motif within the book as it relates to space and time Numerous references and allusions to cult are investigated with linguistic literary and contextual analyses The findings are then related to the main theological themes of the book such as judgment eschatology kingdom and worship It is evident that the idea of cult plays a dominant role in Daniel and that it demonstrates the intention of the author to

present the issue of conflict of two opposing systems of cult and worship For all who are interested in an exegesis of Daniel that pays dutiful attention to the theology of Daniel The Cultic Motif in the Book of Daniel is a must read **Kippur** Diego D. Sausa,2006 The author demonstrates through the books of Leviticus Hebrews Daniel and Revelation that mankind is treading on the final pages of this world s history before the final cosmic mega cataclysmic change at Christ s coming **Daniel** Gerhard Pfandl,2004 **Decoding Jesus : A Comparison between John Calvin and Ellen G. White's Views** Dr. PP Jones, Th.D,2014-04-26 Decoding Jesus will forever change your view about Jesus John Calvin 1509 1564 and Ellen G White 1827 1915 though divergent in many ways shared a pivotal common denominator the Judeo Christian Bible from Genesis to Revelation as a major template from which they reflected on the close connectedness and radical difference of God human beings and the created environment Calvin encountered a theological conundrum He was unaware that one cannot hold on to the 16th century Reformation of employing the biblical historical time line from Genesis to Revelation as a reflexive scheme on God s four grand acts creation reconciliation the cross redemption renewal Pentecost Holy Spirit and fulfillment end of time whilst simultaneously embracing the classical first millennium Trinitarian view Karl Barth the great Swiss Reformed theologian of the early 20th century was aware of Calvin s conundrum Barth resolved that the dogma of the Trinity is not found in the Bible but should be used as a good dogma operating as the main starting pattern of one s theology How further can one go than Barth in giving the notion of the Trinity a biblical vote of no confidence White treaded softly around the Trinity notion Her vast ocean of voluminous writings is devoid of the word Trinity She visited Switzerland and having read Calvin s doctrines she most likely saw Calvin and the Reformation s contradiction concerning the dogma of the Trinity and wanted to avoid the same trap *Handbook for Bible Study* Lee J. Gugliotto,2000 A guide to understanding teaching and preaching the Word of God Includes reproducible exegesis work sheets for contextual cultural structural verbal theological and homiletical analyses Andrews University Seminary Studies Andrews University. Seventh-Day Adventist Theological Seminary,1993 *The Throne Motif in the Book of Revelation* Laszlo Gallusz,2013-12-05 This book argues that the throne motif constitutes the major interpretive key to the complex structure and theology of the book of Revelation In the first part of the book Gallusz examines the throne motif in the Old Testament Jewish literature and Graeco Roman sources He moves on to devote significant attention to the throne of God texts of Revelation and particularly to the analysis of the throne room vision chs 4 5 which is foundational for the development of the throne motif Gallusz reveals how Revelation utilizes the throne motif as the central principle for conveying a theological message since it appears as the focus of the author from the outset to the climax of the drama The book concludes with an investigation into the rhetorical impact of the motif and its contribution to the theology of Revelation Gallusz finally shows that the throne what it actually represents is of critical significance both to Revelation s theism and to God s dealing with the problem of evil in the course of human history

Taggart III PhD, 2022-12-06 This second book of the Unveiling Series Unveiling Three Parts of Babylon by Dr William C Taggart III offers a biblical study based on Revelation 16 19 where the kingdom of Satan portrayed as the great city Babylon falls into three parts The author noted that in Revelation 18 4 the saints are urged to leave Babylon to avoid her plagues Jeremiah 51 35 49 That the Satanic kingdom is portrayed biblically in three parts in Revelation 16 19 makes it imperative that the saints have a biblical understanding of those three parts to exit the Satanic kingdom completely A correct biblical understanding of the three parts of Babylon is essential to the fleeing saints as they seek to escape the Satanic influences in all its forms Unveiling Three Parts of Babylon continues the Unveiling Series by further biblically developing the three parts of Babylon which initially was presented by the author s doctoral dissertation through corrections made and additional analysis This second book not only exposes more fully the kingdom of Satan but encourages the successful exit of all humanity from the Babylonian entanglements of all three parts Revelation 18 4 *The Oxford Handbook of Seventh-Day Adventism* Michael W.
