Shakespearean Power And Punishment

R. A. Foakes

Shakespearean Power And Punishment:

Shakespearean Power and Punishment Gillian Murray Kendall, 1998 The essays in this volume demonstrate how effectively different indeed seemingly contradictory theoretical paradigms can work with Shakespeare's plays to excavate issues of power and punishment

Shakespearean Power and Punishment Gillian Kendall Murray, 1998-07 The essays in this volume demonstrate how effectively different indeed seemingly contradictory theoretical paradigms can work with Shakespeare's plays to excavate issues of power and punishment

Shakespeare and Historical Formalism Stephen Cohen, 2016-04-01 Located at the intersection of new historicism and the new formalism historical formalism is one of the most rapidly growing and important movements in early modern studies taking seriously the theoretical issues raised by both history and form it challenges the anti formalist orthodoxies of new historicism and expands the scope of historicist criticism *Shakespeare and Historical Formalism* is the first volume devoted exclusively to collecting and assessing work of this kind With essays on a broad range of Shakespeare's works and engaging topics from performance theory to the emergence of the literary and from historiography to pedagogy the volume demonstrates the value of historical formalism for Shakespeare studies and for literary criticism as a whole *Shakespeare and Historical Formalism* begins with an introduction that describes the nature and potential of historical formalism and traces its roots in early modern literary theory and its troubled relationship with new historicism The volume is then divided into two sections corresponding to the two chief objectives of historical formalism a historically informed and politically astute formalism and a historicist criticism revitalized by attention to issues of form The first section *Historicizing Form* explores from a variety of perspectives the historical and political sources meanings and functions of Shakespeare's dramatic forms The second section *Re Forming History* uses questions of form to rethink our understanding of historicism and of history itself and in doing so challenges some of our fundamental literary critical pedagogical and epistemological assumptions Concluding with suggestions for further reading on historical formalism and related work *Shakespeare and Historical Formalism* invites scholars to rethink the familiar categories and principles of formal and historical criticism

Shakespeare and Violence R. A. Foakes, 2003 *Shakespeare and Violence* first published in 2002 connects to anxieties about the problem of violence and shows how similar concerns are central in Shakespeare's plays At first Shakespeare exploited spectacular violence for its entertainment value but his later plays probe more deeply into the human propensity for gratuitous violence especially in relation to kingship government and war In these plays and in his major tragedies he also explores the construction of masculinity in relation to power over others to the value of heroism and to self control Shakespeare's last plays present a world in which human violence appears analogous to violence in the natural world and both kinds of violence are shown as aspects of a world subject to chance and accident This book examines the development of Shakespeare's representations of violence and explains their importance in shaping his career as a dramatist

Royal Power and Authority in Shakespeare's Late Tragedies Alisa Manninen, 2015-10-05

William Shakespeare explores political survival as a question of interaction at court in *King Lear*, *Macbeth* and *Antony and Cleopatra*. Through a discussion of authority as an element that is distinct from power, this book offers a new perspective on the importance of acts of persuasion and the contribution the late tragedies make to Shakespeare's portrayal of monarchy. It argues that the most productive uses of the material power to judge or reward are those that reinforce royal authority and establish the monarch at the centre of the web of noble relationships. In the late tragedies, rulership is exercised at court. It acquires a nature of its own as the interaction of powerful and potentially powerful individuals among the nobility. The persuasive exercise of authority complements the tangible power that is founded on the monarch's material resources, so that consent to the monarch's supremacy is obtained through various discourses of justification and the performance of the monarch's social role. Shakespeare's combination of emotional intimacy with political concerns becomes central to the tragedies of these three plays when the failure to establish control over power and authority leads to the breakdown of established values and political traditions.

[The Law in Shakespeare](#) C. Jordan, K. Cunningham, 2006-12-12

Leading scholars in the field analyze Shakespeare's plays to show how their dramatic content shapes issues debated in conflicts arising from the creation and application of law. Individual essays focus on such topics such as slander, revenge and royal prerogative; these studies reveal the problems confronting early modern English men and women.

[Shakespeare / Sex](#) Jennifer Drouin, 2020-11-12

Shakespeare Sex interrogates the relationship between Shakespeare and sex by challenging readers to consider Shakespeare's texts in light of the most recent theoretical approaches to gender and sexuality studies. It takes as its premise that gender and sexuality studies are key to any interpretation of Shakespeare, be it his texts and their historical contexts, contemporary stage and cinematic productions or adaptations from the Restoration to the present day. Approaching sex from four main perspectives: heterosexuality, third wave intersectional feminism, queer studies and trans studies, this book tackles a range of key topics such as medical science, rape culture, the environment, disability, religion, childhood, sexuality, race, homoeroticism and trans bodies. The 12 essays range across Shakespeare's poems and plays, including the Sonnets and *The Rape of Lucrece*, *Coriolanus*, *A Midsummer Night's Dream*, *Measure for Measure*, *Richard III* and *The Two Noble Kinsmen*. Encouraged to push the envelope, contributors to this essay collection open new avenues of inquiry for the study of gender and sexuality in Shakespeare.

Shakespeare and Faulkner Karl F. Zender, 2021-06-02

Shakespeare and Faulkner explores the moral and ethical dilemmas that characters face inside themselves and in their interactions with others in the works of these two famed authors. Karl F. Zender's characterological study offers insightful, critically rigorous and at times quite personal analyses of the complicated figures who inhabit several major Shakespeare plays and Faulkner novels. The two parts of this book, the first of which focuses on the English playwright and the second on the Mississippi novelist, share a common methodology in that they originate in Zender's history as a teacher of and writer on the two authors who until now he generally approached separately. He emphasizes the evolving insights gleaned from reading

these authors over several decades situating their texts in relation to shifting trends in criticism and highlighting the contemporary relevance of their works The final chapter an extended discussion of Faulkner's *Intruder in the Dust* attempts something unusual in Zender's critical practice It relies less on the close textual analysis that characterizes his previous work and instead explores the intersections between events depicted in the novel and his own life both as a child and as an adult Shakespeare and Faulkner speaks to the power of literature as a form of pleasure and of solace With this work of engaged and thoughtful scholarly criticism Zender reveals the centrality of storytelling to human beings efforts to make sense both of their journey through life and of the circumstances in which they live [Shakespeare's Curse](#) Bjoern Quiring, 2020-11-25

Conceptualizing the curse as the representation of a foundational mythical violence that is embedded within juridical discourse Shakespeare's *Curse* pursues a reading of Richard III King John and King Lear in order to analyse the persistence of imprecations in the discourses of modernity Shakespeare wrote during a period that was transformative in the development of juridical thinking However taking up the relationship between theatre theology and law Bjoern Quiring argues that the curse was not eliminated from legal discourses during this modernization of jurisprudence rather it persisted and to this day continues to haunt numerous speech acts Drawing on the work of Derrida Lacan Walter Benjamin and Giorgio Agamben among others Quiring analyses the performativity of the curse and tracks its power through the juristic themes that are pursued within Shakespeare's plays such as sovereignty legitimacy succession obligation exception and natural law Thus this book provides an original and important insight into early modern legal developments as well as a fresh perspective on some of Shakespeare's best known works A fascinating interdisciplinary study this book will interest students and scholars of Law Literature and History **Shakespeare and the Environment: A Dictionary** Sophie Chiari, 2022-01-27

While our physical surroundings fashion our identities we in turn fashion the natural elements in which or with which we live This complex interaction between the human and the non human already resonated in Shakespeare's plays and poems As details of the early modern supra and infra celestial landscape feature in his works this dictionary brings to the fore Shakespeare's responsiveness to and acute perception of his environment and it covers the most significant uses of words related to this concept In doing so it also examines the epistemological changes that were taking place at the turn of the 17th century in a society which increasingly tried to master nature and its elements For this reason the intersections between the natural and the supernatural receive special emphasis All in all this dictionary offers a wide variety of resources that takes stock of the green criticism that recently emerged in Shakespeare studies and provides a clear and complete overview of the idea imagery and language of environment in the canon **Shakespearean Performance** Frank Occhiogrosso, 2008

Shakespearean Performance New Studies contains ten essays in Shakespearean performance scholarship plus an introduction by the editor They are papers presented at Drew University by some of the best Shakespearean scholars in the field Andrew Gurr Jean Howard Arthur Kinney Harry Keyishian Russell Jackson Corey Abate Cary Mazer Milla Riggio Ralph

Berry and James Bulman The essays cover such areas as the new Globe playhouse the staging of certain plays the film versions of several plays cross dressing and the play within the play as well as other areas of interest to students of Shakespearean performance **Shakespeare Survey: Volume 53, Shakespeare and Narrative** Peter Holland,2000-11-02 The theme for Shakespeare Survey 53 is Shakespeare and Narrative **Applied Shakespeare** Adelle Hulsmeier,2023-11-30 This book speaks to those interested in where and why Shakespeare s work is used to capture the transformative intentions of different areas of Applied Theatre practice Prison Disability Therapy representing a foundational study which considers subsequent histories and potential challenges when engaging with Shakespeare s work This is grounded in a case study analysis of three salient British Theatre Companies The Education Shakespeare Company prison the Blue Apple Theatre Company Disability and the Combat Veteran Players therapy **Shakespeare's Politic Histories** John H. Cameron,2023-12-22 This book posits that Shakespeare s First Tetralogy draws inspiration from the Italian politic histories of the early modern period These works of history influenced by the Roman historian Tacitus delve into the exploration of the machinations of power politics in governance and the shaping of historical events The argument is that closely analysing these Italian politic histories can significantly enhance our understanding of the politic aspects dramatized in Shakespeare s early English History plays Specifically the writings of Niccolo Machiavelli are highlighted as contributing to this understanding These politic histories were accessible in a variety of forms to many English early modern writers including Shakespeare Thus they serve as foundation for political and strategic analogies enriching our interpretation of Shakespeare s politic histories While delving into the Italian politic historians can illuminate Shakespeare s achievement it is suggested that we should regard the English History plays as politic histories in their own right In essence they are dramatized versions of precisely the same kinds of politic historical writing with its emphasis on *ragion di Stato* or *raison d tat* This emphasis on what the Elizabethans called stratagems introduces new approaches to interpreting the plays Considering the motivation and action of its characters entails novel approaches that challenge the established reading of the plays Machiavellian characters particularly Richard III and shed light on previously overlooked characters particularly Buckingham and Stanley revealing their considerably greater strategic acumen This exploration provides fresh avenues for reading the Shakespeare s politic histories and better appreciate their Italian connection *Shakespeare Studies* James R. Siemon,Diana E. Henderson,2024-10-15 Shakespeare Studies is an annual peer reviewed volume featuring work of performance scholars literary critics and cultural historians The journal focuses primarily on Shakespeare and his contemporaries but embraces theoretical and historical studies of socio political intellectual and artistic contexts that extend well beyond the early modern English theatrical milieu In addition to articles Shakespeare Studies offers unique opportunities for extended intellectual exchange through its thematically focused forums and includes substantial reviews An international editorial board maintains the quality of each volume so that Shakespeare Studies may serve as a reliable

resource for all students of Shakespeare and the early modern period for research scholars as well as teachers actors and directors Volume 52 includes a Forum devoted the Second Acts of Shakespeare scholars with contributions from Mary Thomas Crane Ayanna Thompson Emily C Bartels Carla Della Gatta Mary Jo Kietzman Gina Bloom Kevin Windhauser Brinda Charry Andrew J Hartley and Emma Whipday Volume 52 includes contributions from the Next Generation Plenary of the Shakespeare Association of America as well as articles by Kinga F ldv ry From Melodrama to Tragedy and Back Closing the Melodramatic Gap between Bollywood and Hollywood Shakespeare Adaptations Laura Higgins Locating Herself Finding Her Voice Mapping the Queen s Story in Shakespeare s Richard II Wesley Kisting The Theater of Conscience Reforming Punishment in Measure for Measure Wolfgang G M ller The Political Philosophies of Brutus and Cassius in Julius Caesar and the Theory of Preventive Tyrannicide and Greg M Col n Semenza Please just no Shakespeare Station Eleven s Utopian Economy of Cultural Distinction Book reviews consider important publications on Shakespeare and university drama Shakespeare and race textual studies editing and performance poetry science and the sublime and entertaining uncertainty in early modern theater

William Shakespeare and 21st-Century Culture, Politics, and Leadership Kristin M.S. Bezio, Anthony P. Russell, 2021-04-30 William Shakespeare and 21st Century Culture Politics and Leadership examines problems challenges and crises in our contemporary world through the lens of William Shakespeare s plays one of the best known most admired and often controversial authors of the last half millennium

Women in the Age of Shakespeare Theresa D. Kemp, 2009-12-14 This book offers a look at the lives of Elizabethan era women in the context of the great female characters in the works of William Shakespeare Like the other entries in this fascinating series Women in the Age of Shakespeare shows the influence of the world William Shakespeare lived in on the worlds he created for the stage this time by focusing on women in the Elizabethan and Jacobean eras in general and in Shakespeare s works in particular Women in the Age of Shakespeare explores the ancient and medieval ideas that Shakespeare drew upon in creating his great comedic and tragic heroines It then looks at how these ideas intersected with the lived experiences of women of Shakespeare s time followed by a close look at the major female characters in Shakespeare s plays and poems Later chapters consider how these characters have been enacted on stage and in film interpreted by critics and scholars and re imagined by writers in our own time

A New Variorum Edition of Shakespeare: King Lear. 4th ed. 1880 William Shakespeare, 1880

A New Variorum Edition of Shakespeare: King Lear. 10th ed. 1908 William Shakespeare, 1908

Shakespeare and the French Borders of English Michael Saenger, 2013-09-18 This study emerges from an interdisciplinary conversation about the theory of translation and the role of foreign language in fiction and society By analyzing Shakespeare s treatment of France Saenger interrogates the cognitive borders of England a border that was more dependent on languages and ideas than it was on governments and shorelines

Shakespearean Power And Punishment Introduction

In the digital age, access to information has become easier than ever before. The ability to download Shakespearean Power And Punishment has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Shakespearean Power And Punishment has opened up a world of possibilities. Downloading Shakespearean Power And Punishment provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Shakespearean Power And Punishment has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Shakespearean Power And Punishment. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Shakespearean Power And Punishment. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Shakespearean Power And Punishment, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Shakespearean Power And Punishment has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the

vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Shakespearean Power And Punishment Books

1. Where can I buy Shakespearean Power And Punishment books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Shakespearean Power And Punishment book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.).
