Shakespeares Craft Eight Lectures The Tupper Lectures On Shakespeare

George Watson, Ian Roy Willison

Shakespeare's Craft Eight Lectures The Tupper Lectures On Shakespeare:

Shakespeare's Craft Philip H. Highfill, 1982 Originally prepared for the distinguished Tupper Lecture series by some of the world's most widely recognized and respected Shakespearean scholars Anne R Barton in *Julius Caesar* and *Coriolanus* Shakespeare's Roman World of Words contends that within the Roman world of oratory lies a central question The ethical status of oratory In *Irony and Its Interrelatedness in Shakespeare* David Bevington studies verbal irony dramatic irony and a more embracing irony which is both a criticism of life and a principle of dramatic structure Robert B Heilman Shakespeare's Variations on Farcical Style explores the evolution of farcical elements in Shakespeare Alvin B Kernan Shakespeare's Stage Audiences The Playwright's Reflections and Control of Audience Response notes that the Renaissance dramatist was the first to have to sell his product on the marketplace No more were they gentleman poets In *Two Scenes from Macbeth* Harry Levin concentrates on the porter's scene and the sleepwalking scene Noting that both scenes are in prose usually reserved for lowlife comedy or for psychic disturbance he shows the thematic theological and psychological importance of those scenes Looking for Shakespeare is Samuel Schoenbaum's attempt to find Shakespeare in the records and artifacts he left behind and in various documents and shrines erected to immortalize him Hallett D Smith's *The Poetry of the Lyric Group* Richard II *Romeo and Juliet* *A Midsummer Night's Dream* examines the poetry in scenes where dramatic action might be more appropriate In *Shakespeare and the Ceremonies of Romance* Eugene M Waith examines the appeal of ceremonial scenes for Shakespeare and other Tudor playwrights *Shakespeare and the Classical Tradition* Lewis Walker, 2019-05-24 This bibliography will give comprehensive coverage to published commentary in English on Shakespeare and the Classical Tradition during the period from 1961-1985 Doctoral dissertations will also be included Each entry will provide a clear and detailed summary of an item's contents For poems and plays based directly on classical sources like *Antony and Cleopatra* and *The Rape of Lucrece* virtually all significant scholarly work during the period covered will be annotated For other works such as *Hamlet* any scholarship that deals with classical connotations will be annotated Any other bibliographies used in the compiling of this volume will be described with emphasis on their value to a student of Shakespeare and the Classics

Shakespeare Quarterly, 1983 **Shakespeare and Shakespeareana** Meisei Daigaku.
