**Queering the Shakespeare Film** Anthony Guy Patricia, 2016-11-17 This book is open access and available on [www.bloomsburycollections.com](http://www.bloomsburycollections.com) It is funded by Knowledge Unlatched A range of mainstream and independent English language film productions of *A Midsummer Night's Dream* *Romeo and Juliet* *Othello* *Twelfth Night* and *The Merchant of Venice* take centre stage in *Queering the Shakespeare Film* This study critiques the various representations of the queer broadly understood as that which is at odds with what has been deemed to be the normal the legitimate and the dominant particularly but not exclusively as regards sexual matters in the Shakespeare film The movies chosen for analysis correspond deliberately with those Shakespeare plays that as written texts have been subjected to a great deal of productive study in a queer context since the beginnings of queer theory in the early 1990s Thus the book extends the ongoing queer discussion of these written texts to their counterpart cinematic texts *Queering the Shakespeare Film* is a much needed alternative and complementary critical history of the Shakespeare film genre

Cross gender performance was an integral part of Shakespearean theatre from boys portraying his female characters to those characters disguising themselves as men within the story. This book examines contemporary trends in staging cross gender performances of Shakespeare in the UK and USA. Terri Power surveys the field of gender in performance through an intersectional feminist and queer theoretical lens. In depth discussions of key productions reveal processes adapted by companies for their performances. The book also looks at how contemporary performance responds to new cultural politics of gender and creates a critical language for understanding that within Shakespeare. A practical workshop section with innovative exercises. *The Afterlife of Shakespeare's Sonnets* Jane Kingsley-Smith, 2019-08-29. An original account of the reception and influence of Shakespeare's Sonnets in his own time and in later literary history. *Screening Gender in Shakespeare's Comedies* Magdalena Cieslak, 2019-04-19. When adapting Shakespeare's comedies, cinema and television have to address the differences and incompatibilities between early modern gender constructs and contemporary cultural, social and political contexts. *Screening Gender in Shakespeare's Comedies: Film and Television Adaptations in the Twenty First Century* analyzes methods employed by cinema and television in approaching those aspects of Shakespeare's comedies, indicating a range of ways in which adaptations made in the twenty first century approach the problems of cultural and social normativity, gender politics, stereotypes of femininity and masculinity, the dynamic of power relations between men and women and social roles of men and women. This book discusses both mainstream cinematic productions such as Michael Radford's *The Merchant of Venice* or Julie Taymor's *The Tempest* and more low key adaptations such as Kenneth Branagh's *As You Like It* and Joss Whedon's *Much Ado About Nothing* as well as the three comedies of BBC Shakespeare: *Told*, *Miniseries Much Ado About Nothing*, *The Taming of the Shrew* and *A Midsummer Night's Dream*. This book examines how the analyzed films deal with elements of Shakespeare's comedies that appear subversive, challenging or offensive to today's culture and how they interpret or update gender issues to reconcile Shakespeare with contemporary cultural norms. By exploring tensions and negotiations between early modern and present day gender politics, the book defines the prevailing attitudes of recent adaptations in relation to those issues and identifies the most popular strategies of accommodating early modern constructs for contemporary audiences.
