Shakespeare's Tragedy of Macbeth William Shakespeare, Henry Norman Hudson, 1886 *Shakespeare's Tragedy of Coriolanus* William Shakespeare, 1899 **Shakespeare's Tragedy of Macbeth** William Shakespeare, 2016-10-25

Excerpt from Shakespeare's Tragedy of Macbeth With Introduction and Notes Explanatory and Critical For Use in Schools and Classes Ibis highly probable to say the least that the tragedy was then fresh from the Poet's hand and Was in its first course of performance Some arguments indeed or seeming arguments have been adduced inferring the play to have been written three or four years earlier but I can see no great force in them On the other hand it appears that Forman had long been an habitual frequenter of play houses and it seems nowise likely that one so eager in quest of novelties would either have missed the play had it been put upon the stage before or have made so special a notice of it but that he then saw it for the first time Nor have the characteristics of the work itself any thing to say against the date in question 3 those portions of it that have the clearest and most unquestionable impress of Shakespeare's hand being in his greatest richest most idiomatic style About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art

technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
