The American Shakespeare Theatre, Stratford 1955-1985 Roberta K. Cooper,1986-12 **Shakespeare, Sex and the Print Revolution** Gordon Williams,2000-12-01 This book investigates how the sexual element in Shakespeare's works is complicated and compromised by the impact of print Whether the issue is one of censorship and evasion or sexual redefinition the fact that Shakespeare wrote in the first century of popular print is crucial Out of the newly accessible classical canon he creates a reconstituted idea of the sexual temptress and out of the Counter Reformation propaganda he fashions his own complex thinking about the prostitute Shakespeare's theatrical scripts meeting ground from the spoken and written word contribute powerfully to those socio sexual debates which had been re energized by print **Shakespeare Survey** Allardyce Nicoll,2002-11-28 The first fifty volumes of this yearbook of Shakespeare studies are being reissued in paperback **The History of the Occult Tarot** Ronald Decker,Michael Dummett,2013-07-18 An essential volume for the libraries of all serious students of the Tarot When the Tarot was invented in Italy during the early fifteenth century it was simply a pack of cards used for playing games Esoteric interpretations of the pack date from late eighteenth century France and were confined to that country for a hundred years But today the cards are used throughout the world and not only for fortune telling for true believers they are the key to secret knowledge and the meaning of life A History of the Occult Tarot is the classic work on the history of the Tarot deck and its use in occult circles Starting with the late nineteenth century the Decker and Dummett examine how the Tarot became the favoured divination tool of occultists a bridge to the spirit world and a map of the unconscious From Theosophical to Aleister Crowley to the Order of the Golden Dawn and P D Ouspensky this compelling survey of the Tarot's history describes the many fascinating decks imagined over time as well as the secret histories of mystics **Shakespearean Tarot Deck for Pack** Dolores Ashcroft-Nowicki,1990-12-01 **Shakespeare Survey: Volume 57, Macbeth and Its Afterlife** Peter Holland,2008-01-31 Shakespeare Survey is a yearbook of Shakespeare studies and production Since 1948 Survey has published the best international scholarship in English and many of its essays have become classics of Shakespeare criticism Each volume is devoted to a theme or play or group of plays each also contains a section of reviews of that year's textual and critical studies and of the year's major British performances The books are illustrated with a variety of Shakespearean images and production photographs The virtues of accessible scholarship and a keen interest in performance from Shakespeare's time to our own have characterised the journal from the start Most volumes of Survey have long been out of print Backnumbers are gradually being reissued in paperback **Tarot and Other Meditation Decks** Emily E. Auger,2023-03-10 Arthur E Waite and artist Pamela Colman Smith's Rider Waite Tarot 1909 is the most popular Tarot in the world Today it is affectionately referred to as the Rider Waite Smith Tarot in recognition of the high quality of Smith's contributions Waite and Smith's deck has become the gold standard for identifying and analyzing contemporary Tarot and other meditation decks based on archetypes Developments in both visual and literary

history and theory have influenced Tarot since its fifteenth century invention as a game and subsequent adaptations for esotericism cartomancy and meditation This analysis consider Tarot in relation to established modern and postmodern art movements such as Symbolism Surrealism and Pattern and Decoration Art as well as the concepts and theories informing both the dominance and the dissolution of the modernist grid and hierarchical priorities This work also explores the close connection between Tarot and the invention of the literary novel and includes new material on the representation of Tarot in film and fiction A new chapter addresses the growing influence of the archetypal shadow and shadow work on Tarot as an artistic form narrative genre and practice in the new millennium

Channeling Shakespeare Marianne Kimura,2025-06-28 What Happens When an Academic is Also a Psychic This paranormal memoir by tenured academic and psychic channel Marianne Kimura explains how Shakespeare's consciousness contacted her over four decades using a variety of ghostly phenomena to help him reveal his real messages which were heretical in his day In particular her research shows how Shakespeare crafted allegories in his plays to express his support for Giordano Bruno the Renaissance philosopher burned alive for heresy in Rome in 1600 *Channeling Shakespeare* represents the sensational sudden and more strange return of Shakespeare to our world 400 years after his death An unparalleled dramatist Shakespeare announced these exact plans with those words in Hamlet in order to show us in the most audacious way possible that death is not final and that consciousness goes on Starting with a mysterious clairaudient experience in a Harvard University's Sanders Theatre after a Shakespeare lecture when she was twenty *Channeling Shakespeare* chronicles Marianne's strange but uplifting psychic experiences as she engaged with the occult world with love and positivity to bring the truth about Shakespeare to light

Tarocchi Philebus,2009-06-13 It might surprise you to learn that tarot cards were created for playing card games and not fortune telling Indeed contrary to popular myths there is nothing occult in their origins The family of tarot games has been played since the 15th century and continues

to be played throughout continental Europe to this day Sadly English speakers have usually only heard of tarot in the context of magic and divination This little book sets out to correct that starting with chapters about the real history of the cards and continuing with the rules to more than 40 games from across Europe To help you get started many of the terms and conventions have been standardised and Anglicised and there is a guide on buying cards suitable for modern game play Tarot includes some of the most sophisticated and challenging card games ever devised discover what you've been missing and you may never pick up a 52 card pack again

Beyond Black Hilary Mantel, 2006-04-18 Hailed as a writer of subtlety and depth Hilary Mantel turns her dark genius on the world of psychics in this smart unsettling novel Joyce Carol Oates A paragon of efficiency Colette took the next natural step after finishing secretarial school by marrying a man who would do just fine After a sobering do it yourself divorce Colette is at a loss for what to do next Convinced that she is due an out of hand life affirming revelation she strays into the realm of psychics and clairvoyants hungry for a whisper to set her off in the right direction At a psychic fair in Windsor she meets the charismatic Alison Alison the daughter of a prostitute beleaguered during her childhood by the pressures of her connection to the spiritual world lives in a different kind of solitude She cannot escape the dead who speak to her least of all the constant presence of Morris her low life spiritual guide An expansive presence onstage Alison at once feels her bond with Colette inviting her to join her on the road as her personal assistant and companion Troubles spiral out of control when the pair moves to a suburban wasteland in what was once the English countryside and take up with a spirit guide and his drowned therapist It is not long before Alison's connection to the place beyond black threatens to uproot their lives forever This is Hilary Mantel at her finest insightful darkly comic unorthodox and thrilling to read
