made a hard call including Henry Ford's decision to sacrifice his company's competitive edge by reducing the work day and guaranteeing a minimum wage Branch Rickey's decision to offer Jackie Robinson a contract to play for the Brooklyn Dodgers in the face of public opposition Ellen Johnson Sirleaf's decision to return to war-torn Liberia after receiving an economics degree from Harvard General Fred Weyand's decision to redeploy fifteen of his battalions despite resistance from senior American military commanders in Vietnam Woven into these stories are John McCain's own views on the process and art of decision making and examples of the hard calls we face in our lives When I assess a decision McCain writes I want to know all I can about the character of the decision maker before I examine the properties of the decision its outcome or how it was arrived at Hard Call is a testament to the people whose choices serve as a beacon for us all
