Rowthorn, 2007-10 This updated edition of 150 litanies responsorial prayers of the people for use in the liturgy and other gatherings draws from a wealth of Anglican and ecumenical material from all parts of the world and is suitable for most mainline churches Contents include Prayer and Worship Prayer and Time Prayer and the World Prayer and the Church Prayer and the Local Community **Beyond Shalom/ Salaam/ Peace** Elana Rosen Brown, 2012 Young, Woke and Christian Victoria Turner, 2022-02-28 Young people are often referred to as the church's missing generation But perhaps it is not them that are missing from God's mission but the church itself Young Woke and Christian brings together young church leaders and theologians who argue that the church needs to become increasingly awake to injustices in British society It steers away from the capitalistic marketing ideas of how to attract young people into Christian fellowship and proclaims that the church's role in society is to serve society give voice to the marginalised and stand up to damaging dominating power structures Covering themes such as climate change racial inclusivity sexual purity homelessness food poverty sexuality trans identity feminism peace making interfaith relations and disability justice the collection is a cry for the reform of the church to not ally with woke issues because they are popular with youth but because they are gospel issues With a powerful prologue from Anthony Reddie *Moving In and Out of Islam* Karin van Nieuwkerk, 2018-12-05 Embracing a new religion or leaving one's faith usually constitutes a significant milestone

in a person's life While a number of scholars have examined the reasons why people convert to Islam few have investigated why people leave the faith and what the consequences are for doing so Taking a holistic approach to conversion and deconversion *Moving In and Out of Islam* explores the experiences of people who have come into the faith along with those who have chosen to leave it including some individuals who have both moved into and out of Islam over the course of their lives Sixteen empirical case studies trace the processes of moving in or out of Islam in Western and Central Europe the United States Canada and the Middle East Going beyond fixed notions of conversion or apostasy the contributors focus on the ambiguity doubts and nonlinear trajectories of both moving in and out of Islam They show how people shifting in either direction have to learn or unlearn habits and change their styles of clothing dietary restrictions and ways of interacting with their communities They also look at how communities react to both converts to the religion and converts out of it including controversies over the death penalty for apostates The contributors cover the political aspects of conversion as well including debates on radicalization in the era of the war on terror and the role of moderate Islam in conversions

Who Are the Jews—And Who Can We Become? Donniel Hartman, 2023-11 2023 National Jewish Book Award Finalist in Modern Jewish Thought and Experience Who Are the Jews And Who Can We Become tackles perhaps the most urgent question facing the Jewish people today Given unprecedented denominational tribalism how can we Jews speak of ourselves in collective terms Crucially the way each of us tells our shared story is putting our collective identity at risk Donniel Hartman argues We need a new story built on Judaism s foundations and poised to inspire a majority of Jews to listen discuss and retell it This book is that story Since our beginnings Hartman explains the Jewish identity meta narrative has been a living synthesis of two competing religious covenants Genesis Judaism which defines Jewishness in terms of who one is and the group to which one belongs independent of what one does or believes and Exodus Judaism which grounds identity in terms of one s relationship with an aspirational system of values ideals beliefs commandments and behaviors When one narrative becomes too dominant Jewish collective identity becomes distorted Conversely when Genesis and Exodus interplay the sparks of a rich compelling identity are found Hartman deftly applies this Genesis Exodus meta narrative as a roadmap to addressing contemporary challenges including Diaspora Jewry s eroding relationship with Israel the othering of Israeli Palestinians interfaith marriage the Israeli Palestinian conflict and collectively who we Jews can become
