Blacksmith Sherwood, 2008-10-01 It was during the last century and before the spirit of revolution had effected any change
in the manners of our forefathers that the events took place which are about to be recorded in this little volume At that
period there existed in the wild border country which lies between England and Scotland an ancient castle of which only one
tower a few chambers in the main building certain offices enclosed in high buttressed walls and sundry out houses hanging
as it were on those walls yet remained This castle had once been encircled by a moat which had been suffered to dry itself up
though still the little stream which used to fill it when the dams were in repair murmured and meandered at the bottom of
the hollow and fed the roots of many a water plant and many a tree whose nature delights in dank and swampy soils The
verdure however which encircled this ancient edifice added greatly to the beauty when seen over the extent of waste and
wild in which it stood There can be no doubt but that the ancient possessors of this castle which from the single remaining
barrier and the name of the family was called Dymock s tower had been no other than strong and dangerous free booters
living on the plunder of the neighbouring kingdom of Scotland Every one knows that a vast extent of land waste or at best but
rudely cultivated had once belonged to the Lords of Dymock **Shanty the Blacksmith (Esprios Classics)** Mrs
Sherwood, 2022-02 Mary Martha Sherwood ne e Butt 6 May 1775 22 September 1851 was a 19th century English children s
writer of over 400 works The best known include The History of Little Henry and his Bearer 1814 The History of Henry
Milner 1822 1837 and The History of the Fairchild Family 1818 1847 Her evangelicalism permeated her early writings but
later works cover common Victorian themes such as domesticity She married Captain Henry Sherwood and moved to India
converted to evangelical Christianity and began to write for children with those of military encampments there in mind but
her work was well received in Britain where the Sherwoods returned after a decade She opened a boarding school and
published texts for children and the poor **Shanty the Blacksmith; a Tale of Other Times** Mary Martha
