Shape Of Sola Scriptura

Shape Of Sola Scriptura:

The Shape of Sola Scriptura Keith A. Mathison, 2001 In what shape do we find the doctrine of sola Scriptura today Many modern Evangelicals see it as a license to ignore history and the creeds in favor of a more splintered approach to the Christian living In the past two decades Roman Catholic and Eastern Orthodox apologists have strongly tried to undermine sola Scriptura as unbiblical unhistorical and impractical But these groups rest their cases on a recent false take on sola Scriptura The ancient medieval and classical Protestant view of sola Scriptura actually has a guite different shape than most opponents and defenders maintain Therein lies the goal of this book an intriguing defense of the ancient and classical Protestant doctrine of sola Scriptura against the claims of Rome the East and modern Evangelicalism The issue of sola Scriptura is not an abstract problem relevant only to the sixteenth century Reformation but one that poses increasingly more serious consequences for contemporary Christianity This work by Keith Mathison is the finest and most comprehensive treatment of the matter I ve seen I highly recommend it to all who embrace the authority of sacred Scripture R C Sproul Five Models of Scripture Mark Reasoner, 2021-08-24 To relish the feast that is Scripture we need to Ligonier Ministries use multiple models A Christian never gains all that Scripture offers by reading it with just one approach Yet too often this is attempted whether through an academic obsession with the historical critical method or through a consumerist approach that seeks only the motivation of the moment Mark Reasoner broadens the options for scriptural engagement by describing five models of Scripture documents stories prayers laws and oracles To illustrate each he uses examples from throughout the history of interpretation While he concedes that certain books of the Bible will naturally lend themselves to particular models Reasoner shows how an appreciation for all five will enrich one s scriptural insights while also bridging divides between the various branches of the Christian family In addition to the five models Reasoner surveys Catholic Orthodox and Protestant constructions of the biblical canon and addresses specific issues relevant to their respective interpretations of Scripture including scriptural metanarratives the use of the Bible in Christian worship and the principle of sola Scriptura Through it all Reasoner remains unequivocally focused on his goal to help readers grow in their love for Scripture in ways that will help them plant this love in those to whom they minister God's Word Alone---The Authority of Scripture Matthew Barrett, 2016-09-20 Scholar and pastor Matthew Barrett retraces the historical and biblical roots of the doctrine that Scripture alone is the final and decisive authority for God's people God's Word Alone is a decisive defense of the Bible as the inspired and inerrant Word of God Revitalizing one of the five great declarations of the Reformation sola Scriptura Barrett Analyzes what the idea of sola Scriptura is and what it entails clarifying why the doctrine is truth and why it so essential to Christianity Surveys the development of this theme in the Reformation and traces the crisis that followed resulting in a shift away from the authority of Scripture Shows that we need to recover a robust doctrine of Scripture's authority in the face of today s challenges and why a solid doctrinal foundation built on God s Word is the best hope for the future of the church This

book is an exploration of the past in order to better understand our present and the importance of reviving this indispensable doctrine for the Christian faith and church today THE FIVE SOLAS Historians and theologians have long recognized that at the heart of the sixteenth century Protestant Reformation were five declarations often referred to as the solas These five statements summarize much of what the Reformation was about and they distinguish Protestantism from other expressions of the Christian faith that they place ultimate and final authority in the Scriptures acknowledge the work of Christ alone as sufficient for redemption recognize that salvation is by grace alone through faith alone and seek to do all things for God s glory The Five Solas Series is more than a simple rehashing of these statements but instead expounds upon the biblical reasoning behind them leading to a more profound theological vision of our lives and callings as Christians and churches

Evangelical Exodus Douglas Beaumont, 2016 Over the course a single decade dozens of students alumni and professors from a conservative Evangelical seminary in North Carolina Southern Evangelical Seminary converted to Catholicism These conversions were notable as they occurred among people with varied backgrounds and motivations many of whom did not share their thoughts with one another until this book was produced Even more striking is that the seminary s founder long time president and popular professor Dr Norman Geisler had written two full length books and several scholarly articles criticizing Catholicism from an Evangelical point of view What could have led these seminary students and even some of their professors to walk away from their Evangelical education and risk losing their jobs ministries and even family and friends to embrace the teachings they once rejected as false or even heretical Speculation over this phenomenon has been rampant and often dismissive and misguided leading to more confusion than understanding The stories of these converts are now being told by those who know them best the converts themselves They discuss the primary issues they had to face the nature of the biblical canon the identification of Christian orthodoxy and the problems with the Protestant doctrines of sola scriptura scripture alone and sola fide faith alone How to Read Theology for All Its Worth Karin Spiecker Stetina, 2020-09-15 The Guide You Need to Read Theology Well Too many Christians avoid reading theology for fear they won t understand it or out of a misconception that it's only meant for the academic elite Similarly students in introductory theology classes can feel overwhelmed by the concepts and terminology they encounter Yet theology can be read with enjoyment and discernment In How to Read Theology for All Its Worth professor author and devoted reader Karin Stetina introduces students to the basic skills of intelligent reading applied especially to theological works Anyone who d like to read theology well whether a formal student or interested layperson will benefit from the simple steps Stetina outlines Steps include Identifying genre Becoming acquainted with the author and the context out of which he or she wrote Determining a thesis and main arguments How to Read Theology for All Its Worth will equip readers not only to understand theology but also to insightfully engage authors ideas With the basic tools in hand everyone can read with confidence and enjoy conversations with theological works Reading Scripture in the Fellowship of the Spirit Trevor Reynolds, 2019-02-19 How does the Holy Spirit guide the

Christian community in its custodianship and interpretation of Scripture How does the fact that the Spirit is characterized by koinonia impact upon this task In light of this do we read Scripture with too much of an individualistic mindset In this new book Dr Trevor Reynolds addresses these questions seeking answers primarily from within Scripture itself He explores in depth what Jesus and the New Testament community taught concerning the interpretive role of the Holy Spirit How did they interpret Scripture with the help of the Spirit He highlights their corporate Spirit led hermeneutic with its challenge to our individualistic approaches The New Testament writers interpreted the Old Testament in a way that revealed communal methods of interpretation These were informed by Jewish pneumatic and corporate solidarity notions as reshaped by Jesus own Spirit given example and legacy In this book New Testament extracts are discussed which contain either specific examples of how Old Testament Scripture is interpreted by members of the New Testament community with the Spirit's help or speak of the Spirit's work of interpretation in a more general way Trevor Reynolds seeks to uncover their implications for biblical hermeneutics as well as for the doctrine use and custodianship of Scripture in the life and witness of the church today The book concludes by pointing to the wide ranging implications that reading Scripture in the fellowship of the Spirit The Continuing Relevance of Wesleyan Theology Nathan Crawford, 2011-06-01 What does the poses for today s church Wesleyan message have to say to the greater theological world This is a question that Laurence Wood has taken up as his concern throughout his career In order to honor his work this collection takes up this question through a series of essays designed to show how Wesleyan Theology while distinctive has a continued relevance to the wider world of theological scholarship This collection does this in two ways First by showing how the Wesleyan distinctives have been present throughout the history of theology And secondly the collection brings the Wesleyan distinctives into conversation with various contemporary theological conversations ranging from theological hermeneutics and the science religion dialogue to the practice of preaching and spirituality. The result is a volume that puts Wesleyan theology into continued dialogue with the broader theological world showing its vitality and importance for the contemporary situation A Practical Primer on Theological Method Glenn R. Kreider, Michael J. Svigel, 2019-09-03 A how to manual for doing theology and a handbook of etiquette for doctrinal discussions with other believers Around a table sit men and women with distinct roles The Interpreter the Theologian the Virtuous the Philosopher the Scientist the Artist the Minister and the Historian Each is ready to engage in a passionate discussion centered on God his works and his ways Regardless of which role you play at the same table you re invited You simply need to pull up a chair and join the conversation But how What do you say when you take your seat Where do you start What are the rules of the dialogue A Practical Primer on Theological Method will help you answer these questions This primer is not only a how to manual for doing theology but a handbook of etiquette for doctrinal discussions with other believers This popular level introductory text presents the proper manner mode and means of engaging fruitfully in theology **Themelios, Volume 36, Issue 2** D. Psychology and Spiritual Formation in Dialogue Thomas M. Crisp, Steven L. Porter, Gregg A. Ten Elshof, 2019-01-22 Can the phenomena of the human mind be separated from the practices of spiritual formation Research into the nature of moral and spiritual change has revived in recent years in both the worlds of psychology and theology Rooted in a year long discussion held by Biola University's Center for Christian Thought CCT this volume bridges the gaps caused by professional specialization among psychology theology and philosophy **Living as the Living Jesus** Kenneth W. M. Wozniak, 2021-02-02 One objective all Christians hold in common is to grow in maturity and faithfulness Achieving that goal however is a constant and difficult challenge Ethicist Kenneth W M Wozniak shows how the author of the epistle to the Hebrews argued that the mature Christian life is a disciplined one lived consistently in the moral realm of human experience Although the authority for such living traditionally has been the picture of Jesus as found in the Gospels that picture is only a partial and incomplete one It does not include Hebrews essential depiction of the current living Jesus both exalted Son and High Priest who is the focus of worship and whom Christians claim to follow Wozniak argues that only the often ignored Jesus of Hebrews when coupled with the Jesus pictured in the Gospels is the complete Jesus Christians must obey emulate and implant within themselves if they are to live as mature followers of Jesus it is to this Jesus that they must respond if they are to live faithfully as those who claim Jesus is Lord **Evangelical Theology, Second Edition** Michael F. Bird, 2020-10-20 Gospel Centered Theology for Today Evangelical Theology Second Edition helps today s readers understand and practice the doctrines of the Christian faith by presenting a gospel centered theology that is accessible rigorous and balanced According author Michael Bird the gospel is the fulcrum of Christian doctrine the gospel is where God meets us and where we introduce

the world to God And as such an authentically evangelical theology is the working out of the gospel in the various doctrines of Christian theology The text helps readers learn the essentials of Christian theology through several key features including A What to Take Home section at end of every part that gives readers a run down on all the important things they need to know Tables sidebars and questions for discussion to help reinforce key ideas and concepts A Comic Belief section since reading theology can often be dry and cerebral so that readers enjoy their learning experience through some theological humor added for good measure Now in its second edition Evangelical Theology has proven itself in classrooms around the world as a resource that helps readers not only understand the vital doctrines of Christian theology but one that shows them how the gospel should shape how they think pray preach teach and minister in the world The Doctrine of Atonement Tack D. Kilcrease, 2018-03-22 Post Enlightenment theology has frequently rejected the historic Christian doctrine of substitutionary atonement For theologians standing in the tradition of the Lutheran Confessions rejection of substitutionary atonement is particularly problematic because it endangers the unconditional nature of the justification through faith If one rejects vicarious satisfaction then the only alternative is to make redemption dependent on what sinners do for themselves In this study Jack Kilcrease argues for substitutionary atonement within the perspective of what he calls the Confessional Lutheran Paradigm The author also critiques a wide variety of modern Lutheran theologians understandings of atonement Werner Elert Gustaf Aul n Gustaf Wingren Robert Jenson Eberhard J ngel Wolfhart Pannenberg and Gerhard Forde As Kilcrease demonstrates although these authors often give many fine theological insights their distortion or misrepresentation of the doctrine of atonement carriers over to a problematic understanding of law gospel and justification through faith

Words of Life Timothy Ward,2009-05-22 Timothy Ward offers an excellent lucid exposition of the nature and function of Scripture expressed in a form appropriate for the tweny first century grounded in the relevant scholarship and standing firmily in line with the best of the theological traditions **Canonical Theology** Peckham,2016 What are the roles of canon and community in the understanding and articulation of Christian doctrine Should the church be the doctrinal arbiter in the twenty first century In Canonical Theology John Peckham tackles this complex ongoing discussion by shedding light on issues surrounding the biblical canon and the role of the community for theology and practice Peckham examines the nature of the biblical canon the proper relationship of Scripture and tradition and the interpretation and application of Scripture for theology He lays out a compelling canonical approach to systematic theology including an explanation of his method a step by step account of how to practice it and an example of what theology derived from this canonical approach looks like

Worship, Tradition, and Engagement David S. Dockery, James Earl Massey, Robert Smith, 2018-04-20 Worship Tradition and Engagement is designed to honor the life scholarship and influence of Timothy George the founding dean of Beeson Divinity School Timothy George is one of the premier evangelical scholars and leading statesmen of this generation This volume reflects on the many themes of Dean George's life and ministry including theology church history gospel church

worship tradition and engagement The book edited by David S Dockery James Earl Massey and Robert Smith Jr includes essays by some of the most notable scholars and leaders of our day including Kevin Vanhoozer Robert P George Albert Mohler Graham Cole Gerald Bray Elizabeth Newman Richard Mouw Thomas Guarino Will Willimon and several others Each author makes a distinctive and significant contribution to this important project bringing depth and breadth to this thematic volume designed to honor scholar and Christian leader Timothy George The Virtual Church-And How to Avoid It House Church - Simple, Strategic, Scriptural Steve Atkerson, 2021-07-17 Lead a small church Peter C. Glover.2004-03 New Testament Church Dynamics is perfect for you Unlike many church growth books we present proven Biblical strategies to grow your church both spiritually and numerically These are not theories cooked up in an ivory tower Our network of churches lives these principles out in multiple cultures and countries around the globe By following Scriptural strategies our unity participation purity community size love and evangelistic fervor have grown dramatically Our joy is helping leaders of small churches follow Christ's model for church practice and planting Getting Real Gary Tyra, 2018-02-08 Some reputable sociological research indicates that a surprising number of evangelical churchgoers are living out a version of the Christian life that s more informed by the values of the surrounding culture than by the discipleship teachings of Jesus and his apostles Viewing the cause of this disturbing trend in the church to be a discipleship deficit that s exacerbated by a pneumatological deficit Gary Tyra has written a book that addresses both In this work Tyra encourages evangelical Christians of all stripes to become more fully aware of the tremendous difference it makes when the Holy Spirit is experienced in ways that are real and existentially impactful rather than merely theoretical conceptual and or ritualistic Intended to be read by church leaders as well as by students in Christian colleges and seminaries the message here is that the cure for the ministry malady currently confronting us is the recovery of a robust fully Trinitarian doctrine of the Spirit A pneumatological realism says Tyra combined with an understanding of just how important a spiritual moral and missional faithfulness is to a genuine Christian discipleship can revitalize the lives of individual Christians and churches making it possible for them to reach their post Christian peers for Christ **Reformed Catholicity** Michael Allen, Scott R. Swain, 2015-01-13 Can Christians and churches be both catholic and Reformed In this volume two accomplished young theologians argue that to be Reformed means to go deeper into true catholicity rather than away from it Their manifesto for a catholic and Reformed approach to dogmatics seeks theological renewal through retrieval of the rich resources of the historic Christian tradition The book provides a survey of recent approaches toward theological retrieval and offers a renewed exploration of the doctrine of sola scriptura It includes a substantive afterword by J Todd Billings
