Selective Service System, 1950 **Journal of Reading**, 1978 **The Messenger** Stephen E. Miller, 2012 In a world of heightened threat levels sleeper cells and unseen enemies one novel explores the war on terrorism with harrowing suspense and deep humanity Daria emerges from a refugee camp a believer She has lost everything witnessed the unthinkable and committed herself to a mission with a deadly conclusion Indoctrinated trained and given a ticket to New York she blends in posing as an ambitious journalist an arrow hoping to hit too many targets to count Dr Sam Watterman is recruited too Falsely accused and disgraced in the anthrax inquiries after 9/11 he is no longer a believer in causes But the government that ruined his career now demands his expertise to locate a threat putting millions of Americans in peril In a country that fights wars on foreign soil but remains terrified of the cataclysm at home Sam strives toward redemption and Daria desperately seeks both rebellion and enlightenment Their lives will intersect at a place that will test their faith and make them each question what it means to have something worth dying for With a riveting plot that spans sixteen fraught compelling days Stephen Miller's dazzling novel of literary suspense brings the war to a landscape both familiar and vulnerable the America we call home *Gatekeeper, Books 1-3* Ann Gimpel, 2021-02-14 If you like 'em dead This is the urban fantasy series for you Over 900 pages of edge of your seat Reaper action Vampires too Shadow Reaper The dead are restless and a whole lot less cooperative than they have been That was true even before I drew the short straw and ended up with Vampire duty Since then Reaping has taken way more time So much I'm worried I'll lose all the clients from the career that actually feeds me I run a small private pilot school It pays most of the bills and means I don't have to keep regular hours Death wants me to remain in one piece She's bailed me out often enough she's all but ordered me to find other employment I just smile and nod after our little talks and then I climb back into a cockpit Our last toe to toe didn't go so well She went and assigned Vampires to me That's when Reaping turned into a million hour a week job I can almost hear the Reaper who was stuck with them before laughing his head off I shepherd souls to the other side Vampires have zero interest in leaving but I

have a quota to fill Means I have to trick them but it didn't work for long They're onto me Damn Death anyway She painted a target on my back and now the Vamps are out for blood In more ways than one Rebel Reaper Come fly with me Catchy huh It works for airplanes Maybe it will work for the dead once I launch my own Reaping business Except my new tagline will be come die with me Back when my life was simpler I thought all I had to do was hold gateways for the dead to pass through Silly me I actually enjoyed Reaping Almost like a drug or fine old whiskey it made me high filled me with delight and left me glowing with the rightness of providing a last bit of compassion Good little Reaper that I am I never examined any of it too deeply just crafted portals exactly as Death trained me Ha She neglected to mention I command way more magic than she'd let on in Reaper school Death smiled pretty to my face and then lied to me Used me Me and all the other Reapers I can't not Reap It's hardwired into me But I can tell Death I quit Big words I have no idea if I've got the guts to follow through or what Death would do about open insubordination I've always liked to live on the wild side though so I guess I'm about to find out Untamed Reaper I did it I'm free Well sort of Freedom isn't as cut and dried as the word implies In this case I'm at the top of Death's Worst Reaper Ever list What it signifies remains to be seen I broke free from Death because there wasn't any other way out of Reaping Vampires She refused to let me off the hook or consider other arrangements I'd have been content leaving it at that but word about my choice got out Other Reapers clamored for independence too Death's fury expanded another notch with every defection until nowhere is far enough away for me to run to If I was only fighting her it might be manageable Toss in Vampires who hate my guts a phalanx of dark gods who want my hide and a bunch of bigoted mortals who've decided magic is holding them back Pah Humans are their own worst enemy but they're the least of my problems It's been a rocky journey Along the way I've uncovered allies and even a man who loves me Will we be enough to slam the gates and send darkness packing We have to be No prisoners No choices
