have a quota to fill Means I have to trick them but it didn't work for long They're onto me Damn Death anyway She painted a target on my back and now the Vamps are out for blood In more ways than one Rebel Reaper Come fly with me Catchy huh It works for airplanes Maybe it will work for the dead once I launch my own Reaping business Except my new tagline will be come die with me Back when my life was simpler I thought all I had to do was hold gateways for the dead to pass through Silly me I actually enjoyed Reaping Almost like a drug or fine old whiskey it made me high filled me with delight and left me glowing with the rightness of providing a last bit of compassion Good little Reaper that I am I never examined any of it too deeply just crafted portals exactly as Death trained me Ha She neglected to mention I command way more magic than she'd let on in Reaper school Death smiled pretty to my face and then lied to me Used me Me and all the other Reapers I can't not Reap It's hardwired into me But I can tell Death I quit Big words I have no idea if I've got the guts to follow through or what Death would do about open insubordination I've always liked to live on the wild side though so I guess I'm about to find out Untamed Reaper I did it I'm free Well sort of Freedom isn't as cut and dried as the word implies In this case I'm at the top of Death's Worst Reaper Ever list What it signifies remains to be seen I broke free from Death because there wasn't any other way out of Reaping Vampires She refused to let me off the hook or consider other arrangements I'd have been content leaving it at that but word about my choice got out Other Reapers clamored for independence too Death's fury expanded another notch with every defection until nowhere is far enough away for me to run to If I was only fighting her it might be manageable Toss in Vampires who hate my guts a phalanx of dark gods who want my hide and a bunch of bigoted mortals who've decided magic is holding them back Pah Humans are their own worst enemy but they're the least of my problems It's been a rocky journey Along the way I've uncovered allies and even a man who loves me Will we be enough to slam the gates and send darkness packing We have to be No prisoners No choices
