the issues of contemporary popular narrative feminine pleasure and consumer culture viewing the permutations of the

feminine subject as a textual construction evolved through everyday life A wide spectrum of texts are examined exposing the fact that women read within a complex and conflicted cultural arena characterized by a significant intertextuality that multiply defines femininity Shopping Around raises these issues in the context of everyday cultural practices such as applying make up reading magazines watching television and working out providing a unique introduction to postmodern feminist and cultural theory

Femininity and the Physically Active Woman Precilla Y. L. Choi, 2023-05-19 The fitness boom of the last two decades has led to many people incorporating exercise into their lifestyles through activities such as jogging and aerobics However whilst many physical and psychological health benefits have been documented far too few people actually take part in enough exercise to glean significant improvements and this is much more a problem for women than men

Femininity and the Physically Active Woman explores one reason many women offer for their lack of involvement in sport and exercise that they are not the sporty type Precilla Y L Choi argues that the sporty type is masculine and to determine how this notion might affect women s self perceptions she critically examines the experiences of women athletes bodybuilders recreational exercisers and girls physical education What emerges is the importance of visible differences between women and men in terms of muscularity strength and agility in order to maintain the gender order Thus if a girl or woman wishes to play the masculine game of sport she must do so in conformity with a number of patriarchal rules which ensure she is first and foremost recognised as a heterosexual feminine being

Contributing to a psychology of the physically active woman by examining women s experiences from critical feminist and gendered perspectives *Femininity and the Physically Active Woman* will be of great interest to students researchers practitioners and teachers from a range of disciplines Precilla Y L Choi is the British Association for the Advancement of Science s Joseph Lister Lecturer for 2000 She has co edited with Paula Nicolson *Female Sexuality* Prentice Hall
