Empowering Play in Primary Education Aimee

Durning, Sara Baker, Paul Ramchandani, 2024-07-31 The education system does not always promote or give primacy to play within the curriculum yet research and policy alike acknowledge the importance of play for children and young people Empowering Play in Primary Education addresses this issue contributing innovative ideas about how teachers teaching assistants and children may incorporate play within the classroom while also advocating for its use as a powerful tool for ensuring successful learning outcomes Packed with imaginative ideas and practical suggestions this essential book combines theory with tried and tested practice to encourage and inspire teachers to make use of the pedagogy of play and enhance their children's learning experience Topics explored within the book include but are not limited to Playful enquiry exploring the relationship between academic research and practitioner wisdom Practices of play within different settings Inclusive practice for play in the primary school Designing a high quality low cost model for play in the Early Years Play within the wider school community e.g. playful leadership and pedagogy as play This is an essential read for any teacher teaching assistant headteacher senior leader or policy maker who wishes to embed more opportunities for play within their curriculum and school

Humor and Laughter, Playfulness and Cheerfulness: Upsides and Downsides to a Life of Lightness Willibald Ruch, Tracey Platt, René T. Proyer, Hsueh-Chih Chen, 2019-08-12 The emergence of Positive Psychology has highlighted the importance of studying the good life and how to attain it Positive life outcomes such as well being thriving flourishing and happiness were discussed and investigated Among them different orientations to happiness were identified such as a life of pleasure life of meaning and life of engagement Other outcomes such as subjective and objective fulfillment in life or societal recognition have been less studied Among the characteristics that facilitate positive outcomes the VIA classification of strength and virtues distinguishes 24 strengths with humor playfulness being one of them Only a small segment of humor entered the definition of humor as character strengths namely the parts that contain some goodness Humor as a character strength facilitates a lot of positive outcomes such as positive emotions and positive relationships and there is a lightness accompanying humor playfulness The field is broader though and transcends the definition of humor as used in positive psychology in at least two ways First there is actually a family of overlapping but still distinct concepts with different research traditions We include next to humor and types of humor also laughter playfulness and cheerfulness We think that more research is needed on how they do overlap and what makes them distinct Second while positive psychology is interested in the goodness of we do want to stress that there is the need to study the non virtuous parts as well That is laughter may not only be expressing amusement but scorn directed at people humor may be benevolent but there is also sarcasm and playfulness may elicit positive emotions but also risk prone and immature types of behavior Therefore the aim of this Research Topic was to collect current perspectives on humor playfulness laughter and cheerfulness in both adults and children to study their full diversity but also interrelations and overlapping features to introduce new instruments or ways for

their assessment in future studies and to study their causes and consequences in a variety of life domains We encouraged studies on differences due to gender or nationality the embodiment in different groups e g class clowns psychiatric patients or whether or not they can be trained We also welcomed contributions from adjacent disciplines e g education leisure studies or therapy counseling and different regions of the earth The outcome is a set of 33 manuscripts from altogether 101 authors Not all areas are covered and not all aims were met while we made progress there is much left to do In this sense the merging of these topics may be the first milestone but like every milestone it only marks the beginning of a long journey
