*The 23rd Fighter Group
in World War II*

CARL MOLESWORTH

Sharks Over China 23rd Fighter Group

Daniel Jackson

Sharks Over China 23rd Fighter Group:

Sharks Over China Carl Molesworth, 1994 Based on interviews with the group's survivors and containing numerous photographs this is the first complete history of the unit that included Gen Claire Chennault's famous Flying Tigers *23rd Fighter Group* Carl Molesworth, 2013-01-20 A fascinating and action-packed look at the highest scoring unit within the CBI theatre telling the story of the colourful characters who fought a difficult guerrilla war against the Japanese Famous for the fearsome sharkmouths that adorned their planes the 23rd FG fought a guerrilla war against the Japanese steadily moving pilots and aircraft from one remote air base in China to another to keep the enemy off balance Because China could only be supplied by air from India there were constant shortages of aircraft fuel and ammunition with which to contend The 23rd FG met these challenges head on and by the end of the war its pilots had compiled a score of 594 aerial victories and nearly 400 ground kills The human cost was high however 126 pilots lost their lives in China while serving in the 23rd 23rd Fighter Group Carl Molesworth, 2013-01-20 Famous for the fearsome sharkmouths that adorned their planes the 23rd FG fought a guerrilla war against the Japanese steadily moving pilots and aircraft from one remote air base in China to another to keep the enemy off balance Because China could only be supplied by air from India there were constant shortages of aircraft fuel and ammunition with which to contend The 23rd FG met these challenges head on and by the end of the war its pilots had compiled a score of 594 aerial victories and nearly 400 ground kills The human cost was high however 126 pilots lost their lives in China while serving in the 23rd With the Tigers over China, 1941-1942 Jerome Klinkowitz, 2021-12-14 In the twelve months centered around the Japanese attack on Pearl Harbor a diverse group of American and British flyers fought one of the most remarkable air campaigns of WWII Pilots including Claire Chennault Pappy Boyington and Art Donahue bought time for an Allied regrouping against Japan's relentless assault in the China Burma India theater In the face of the 1941 bombings Chiang Kai shek turned to air power to survive which he did thanks to Chennault's rebuilding of the Chinese Air Force and the leadership of the American Volunteer Group or AVG Formed by Chennault the AVG also known as the Flying Tigers were contract employees working for the Chinese government As a result they received virtually no official American recognition for their efforts The group was known for their romantic reckless spirit They performed remarkably with outdated planes and equipment in ill repair were almost always heavily outnumbered in battle and were seen by outsiders as hard drinking rebels Whatever their image the Flying Tigers were highly effective In the words of Air Force Major General Charlie Bond During that first week of action the AVG destroyed fifty five enemy bombers and fighters while losing only five Tomahawks Unfortunately two of our colleagues were killed but at the same time two hundred enemy airmen were either killed or captured We were shattering the myth that the Japanese Air Force was invincible Jerome Klinkowitz whose earlier books focused on flyers attitudes toward the air war in Britain and Europe continues his work with an exceptionally interesting group of Pacific warriors He brings together not only the commanders stories but the often more

colorful and sometimes more accurate accounts of life and battle by the men who flew these planes and the women who participated on the ground *United States Air Force and Its Antecedents* James T. Controvich, Martin Gordon, 2004-06-24

This bibliography lists published and printed unit histories for the United States Air Force and Its Antecedents including Air Divisions Wings Groups Squadrons Aviation Engineers and the Women s Army Corps **The China-Burma-India**

Campaign, 1931-1945 Eugene L. Rasor, 1998-03-19 The China Burma India campaign of the Asian Pacific war of World War II was the most complex if not the most controversial theater of the entire war Guerrilla warfare commando and special intelligence operations and air tactics originated here The literature is extensive and this book provides an evaluative survey of that vast literature A comprehensive compilation of some 1 500 titles the work includes a narrative historiographical overview and an annotated bibliography of the titles covered in the historiographical section Following an introductory historical essay and a chronology the historiographical narrative covers land water underwater air and combined operations intelligence matters diplomacy and logistics and supply It also examines the memoirs diaries autobiographies and biographies of the personnel involved Such cultural topics as journalism fiction film and art are analyzed and existing gaps in the literature are looked at The bibliography provides both descriptive and evaluative annotations **Sino-Japanese Air**

War 1937-1945 Hakan Gustavsson, 2017-01-20 **Clash of Empires in South China** Franco David Macri, 2015-06-05

Japan s invasion of China in 1937 saw most major campaigns north of the Yangtze River where Chinese industry was concentrated The southern theater proved a more difficult challenge for Japan because of its enormous size diverse terrain and poor infrastructure but Generalissimo Chiang Kai shek made a formidable stand that produced a veritable quagmire for a superior opponent a stalemate much desired by the Allied nations In the first book to cover this southern theater in detail David Macri closely examines strategic decisions campaigns and operations and shows how they affected Allied grand strategy Drawing on documents of U S and British officials he reveals for the first time how the Sino Japanese War served as a proxy war for the Allies by keeping Japan s military resources focused on southern China they hoped to keep the enemy bogged down in a war of attrition that would prevent them from breaching British and Soviet territory While the most immediate concern was preserving Siberia and its vast resources from invasion Macri identifies Hong Kong as the keystone in that proxy war vital in sustaining Chinese resistance against Japan as it provided the logistical interface between the outside world and battles in Hunan and Kwangtung provinces a situation that emerged because of its vital rail connection to the city of Changsha He describes the development of Anglo Japanese low intensity conflict at Hong Kong he then explains the geopolitical significance of Hong Kong and southern China for the period following the German invasion of the Soviet Union Opening a new window on this rarely studied theater Macri underscores China s symbolic importance for the Allies depicting them as unequal partners who fought the Japanese for entirely different reasons China for restoration of its national sovereignty the Allies to keep the Japanese preoccupied And by aiding China s wartime efforts the Allies further

hoped to undermine Japanese propaganda designed to expel Western powers from its Greater East Asia Co Prosperity Sphere As Macri shows Hong Kong was not just a sleepy British Colonial outpost on the fringes of the empire but an essential logistical component of the war and to fully understand broader events Hong Kong must be viewed together with southern China as a single military zone His account of that forgotten fight is a pioneering work that provides new insight into the origins of the Pacific War

Fallen Tigers Daniel Jackson,2021-05-11 Mere months before the attack on Pearl Harbor President Franklin D Roosevelt sent a volunteer group of American airmen to the Far East convinced that supporting Chinese resistance against the continuing Japanese invasion would be crucial to an eventual Allied victory in World War II Within two weeks of that fateful Sunday in December 1941 the American Volunteer Group soon to become known as the legendary Flying Tigers went into action For three and a half years the volunteers and the Army Air Force airmen who followed them fought in dangerous aerial duels over East Asia Audaciously led by master tactician Claire Lee Chennault daring pilots such as David Lee Tex Hill and George B Mac McMillan led their men in desperate combat against enemy air forces and armies despite being outnumbered and outgunned Aviators who fell in combat and survived the crash or bailout faced the terrifying reality of being lost and injured in unfamiliar territory Historian Daniel Jackson himself a combat tested pilot recounts the stories of downed aviators who attempted to evade capture by the Japanese in their bid to return to Allied territory He reveals the heroism of these airmen was equaled and often exceeded by that of the Chinese soldiers and civilians who risked their lives to return them safely to American bases Drawing from thorough archival research and compelling personal narratives from memoirs wartime diaries and dozens of interviews with veterans this vital work offers an important new perspective on the Flying Tigers and the history of World War II in China

The Flying Tigers Braxton Eisel,2009 Product Description They volunteered For a variety of reasons patriotic altruistic mercenary or just for the hell of it Nearly three hundred U S servicemen and a couple of female nurses volunteered to fight a war in a place they knew little about Recruited at military bases around the country the members of the American Volunteer Group AVG set off for the unknown in the summer and fall of 1941 While U S support for the Allied cause was growing at a steady pace most Americans still felt distanced from the conflict enveloping Europe and Asia and did not want to go to war At the highest levels of the government however entering the war appeared inevitable The AVG was one way of gaining experience in this vicious war while increasing support for the nations fighting the Axis powers Despite incredible odds against them from numerically superior Japanese forces and a near complete lack of supply and replacement parts they took the first successful fight to the Japanese during a time of Japan s unrelenting successes It was not pretty and their legend has eclipsed the reality but the reality of the AVG is still an amazing story Led by Claire Lee Chennault they made history

World War II in Asia and the Pacific and the War's Aftermath, with General Themes Loyd Lee,1998-10-23 A companion to World War II in Europe Africa and the Americas this volume reevaluates the most enduring literature on basic aspects of the war in Asia and the Pacific It also covers themes

pertaining to societies at war culture the arts and science and technology as well as international relations and the postwar world Included are not only grand strategy military and naval campaigns and matters of diplomacy but also resistance collaboration prisoners of war and broad topics of the home front including chapters on gender issues film literature popular culture and propaganda This volume and its companion provide the first comprehensive historiographic reference work on the war Each chapter describes the state of knowledge on the topic relating each bibliographic reference to the chapter s themes and issues and concludes with a bibliography Recent original scholarship is included when it aids new understanding and older works of enduring value also find a place The essays in this volume will interest scholars and college teachers as well as advanced students and serious amateurs seeking insight into the history of the war and its literature **Fighter!** Jim Laurier,2016-11 Hear the daring tales of the pilots who flew the top World War II fighter planes as well as their perspective on the design and weaponry *Bold Venture* Steven K. Bailey,2019-03-01 *Bold Venture* tells the nearly forgotten story of the American airmen who flew perilous combat missions over Hong Kong during the Second World War Steven K Bailey sheds new light on the American military campaign against Japanese forces in occupied China From the first reconnaissance flights over Hong Kong by lone pilots in 1942 to the massive multi squadron air strikes of 1945 he describes the complex history of American air operations in the China theater and paints an indelible portrait of the American air raids on Hong Kong and the airmen who were shot down over the city Today unexploded aircraft bombs are unearthed with frightening regularity by construction crews in Hong Kong Residents are eager to know where these bombs originated who dropped them when and what the targets were Bailey s account answers some of these questions and provides a unique historical perspective for Americans seeking to understand the complexities of military involvement *Flying Tiger Ace* Carl Molesworth,2020-02-20 The moving biography of Lt Col William Norman Reed a World War II fighter ace who fought with the Flying Tigers and died in defence of the two nations he loved Bill Reed had it all brains looks athleticism courage and a talent for leadership After a challenging childhood in Depression era Iowa Reed joined the US Army Air Corps but the outbreak of World War II saw him give up his commission Instead he travelled to China to fly for the American Volunteer Group the legendary Flying Tigers After a brief return to America he resumed the fight as a senior pilot and later squadron commander in the Chinese American Composite Wing Soon afterwards Reed tragically lost his life in a desperate parachute jump late in the war by which point he was a fighter ace with nine confirmed aerial victories His obituary was front page news throughout the state of Iowa This book is a biography of his extraordinary life focusing on his time spent flying with some of the famous aerial groups of World War II It draws heavily on Reed s own words along with the author s deep knowledge of the China air war and years of research into Reed s life to tell his compelling story **Air & Space Smithsonian** ,2004-11 *The Spray and Pray Squadron* Margaret Mills Kincannon,2024-04-28 The Chinese American Composite Wing combined Chinese and American pilots crew and ground personnel into integrated squadrons *Famine,*

Sword, And Fire Daniel Jackson, 2025-06-06 In 1942 the Japanese conquered southwest China in 1944 a joint Chinese American campaign took it back

American Military Leaders John C. Fredriksen, 1999-06-18 A comprehensive collection of biographies of the most prominent military leaders in American history American Military Leaders contains over 400 A Z biographies of individuals such as Admiral Elmo Zumwalt who ended hundreds of years of tradition by allowing women to serve on Navy ships and Francis Marion the Swamp Fox whose rules of clandestine warfare are still followed by the U S Special Forces Coverage centers on the outstanding generals sergeants fighter aces militiamen theorists doctors and nurses who make up America s military history This volume presents their backgrounds contributions and significance to America s fortunes in war This title also cites works for further research includes a list of leaders organized by their military titles and a comprehensive index

Flying in the Face of Fear Kim Campbell, 2023-03-08 Proven principles of leadership from a veteran fighter pilot and military leader In *Flying in the Face of Fear* Lessons on Leading with Courage former fighter pilot and retired Air Force Colonel Kim Campbell delivers an inspiring and practical discussion of leadership and decision making In the book you ll follow the author s journey through the principles that got her through her 24 year career in the high stakes and high risk world of aerial combat You ll discover lessons and stories that will serve as a resource for you as you lead your students employees and others through the challenges of life and work learning to create a positive impact and make a big difference in the lives of the people who follow you You ll also find Specific strategies and techniques for leading in situations of extreme stress and risk Methods for female leaders to overcome the challenges of working in male dominated environments Ways to act in critical moments by recognizing that being brave and afraid at the same time is both normal and necessary An essential leadership blueprint for business and military professionals seeking to improve their ability to inspire others to greater achievements *Flying in the Face of Fear* will also earn a place in the libraries of young and mid career professionals looking for mentorship and sound proven advice

Into the Teeth of the Tiger Donald S. Lopez, Sr., 2012-01-11 *Into the Teeth of the Tiger* provides a vivid pilot s eye view of one of the most extended projections of American air power in World War II Asia Lopez chronicles every aspect of fighter combat in that theater harrowing aerial battles interludes of boredom and inactivity instances of courage and cowardice Describing different pilots roles in each type of mission the operation of the P 40 and the use of various weapons he tells how he and his fellow pilots faced not only constant danger but also the munitions shortages poor food and rat infested barracks of a remote sector of the war The author also offers keen observations of wartime China from the brutalities of the Japanese occupation to the conflict between Chiang Kai shek s Nationalists and the Communist movement This edition of Lopez s acclaimed account features new photographs most of which have never before been published Relating how the 23rd Fighter Group continued to win battles even as the Japanese gained ground *Into the Teeth of the Tiger* is the humorous and insightful memoir of an ace pilot caught in the paradox of victory in retreat

Reviewing **Sharks Over China 23rd Fighter Group**: Unlocking the Spellbinding Force of Linguistics
