Buckley, 2008-08-20 Keen insight for preaching and teaching Scripture are to be found in these pages Several respected scholars here discuss how to read and live the Bible theologically in our contemporary context Editors Michael Root and James Buckley maintain that these essays though varied share at least three assumptions 1 The word of God not necessarily human preaching and teaching is sharper than any two edged sword 2 Preaching teaching and living the Bible are firmly yet delicately intertwined in the communion of saints 3 There are distinctive ministries of preaching and teaching in the church as well as other liturgical and diaconal ministries With its complementary reflections from theologians exegetes and preachers *Sharper Than a Two Edged Sword* will appeal to any clergy or laypeople who find themselves uncertain about how to relevantly preach teach and live the Bible today Contributors Thomas E Breidenthal James J Buckley Ellen F Davis Richard B Hays Robert W Jenson Amy Plantinga Pauw R R Reno Michael Root [Sharper Than a Two-Edged Sword](#) Andrew Wommack, 2011-04-26 Popular television host and minister Andrew Wommack shares sixteen of his best teachings in this powerful new book Teachings include sections from some of his most popular titles Better Way To Pray God Wants You Well The War is Over Believer s Authority Spirit Soul Body You ve Already Got It The True Nature of God **A Commentary on the Whole Epistle to the Hebrews** William Gouge, 1866

**Milton and This Pendant World** George W. Whiting, 2014-11-11 Milton and This Pendant World is an interpretation of the great English poet in an age increasingly skeptical in a culture dominated by the assumptions of the natural and historical sciences and by the illusions of progress and enlightenment Those are the words of the author of this book George Wesley Whiting an eminent and devoted Miltonian Believing that Milton has a vital message for the modern world Whiting has abandoned the usual pattern for examining a poet study of versification meter and other poetic devices Instead he presents an exposition of the spiritual and moral meaning of Milton s poetry which can still have truth and beauty for this doubting age The literary image of the pendant world was familiar in Milton s seventeenth century but is meaningless to most people of our day The comforting picture of the world hanging from heaven on a golden chain signifies God s close watchfulness over humanity and the inseparable bond which links us to the spiritual kingdom The author declares that the

search for God and the struggle to overcome the spiritual and material forces that impede the search represent the most vital of all human efforts for unless this search is our primary motivation life is without meaning without final purpose Whiting also observes that true Christianity stands not for the impoverishment of humanity and our enslavement to the Deity but rather for human moral health harmonious development and spiritual welfare In order to save civilization from destruction at the hands of its friends secularists specialists militarists and politicians we must have a renaissance of the spirit a cultural synthesis in which a revitalized religion enriched by philosophy and science renews the ideals of Christianity *Finances And The End Times* Stephen R. Phinney, 2012-11-14 God says the rain falls on the just and the unjust For our reading benefit we could easily say the money falls on the just and the unjust I cannot tell you how many times I have heard a believer ask Why is it that God allows the ungodly to prosper while Christians suffer with little The answer is found in this book Learn more about the 46 primary Biblical Truths regarding money the end times and the believer's identity in Christ **Standing on the Promises of God** , **Scripture On Scripture: The Book of Revelation** Jonathan Witt, 2016-03-03 Scripture On Scripture The Book of Revelation is a Bible commentary written to explain this book of the Bible verse by verse while also demonstrating how this book fits with the rest of Scripture The Book of Revelation is one of the most unique and interesting books in all of the Bible There is much debate between Christians about whose interpretation of Revelation is correct This commentary is written from the perspective that the book of Revelation describes those things that are yet to come in the future and most likely the near future This commentary is written with several key beliefs in mind namely that Jesus Christ promised to literally return to rule over the Earth that His return will be preceded by a seven year Tribulation Period of judgment from God upon the Earth and that this Tribulation Period will be initiated by a supernatural Rapture of His Church from the Earth **The Student's New Testament Compilation** , 1925 **Preach the Word** , **Fresh Oil** Chris Garcia, 2024-11-12 What if the greatest blessing we could ever receive is the manifested presence and power of God After reading this book I will understand the importance of developing an intimate and personal relationship with the Holy Spirit As I go deeper with the Lord I will experience His love and understand His power and authority in an entirely new way There is a famine in the church at large it is a lack of fresh oil in our personal fellowship with the Holy Spirit The Western mindset is built upon the principles of intellect philosophy and reason These principles are not inherently wrong but they are a far cry from the passionate biblical approach to engaging with God The knowledge of God is so much more than intellect and reason It is more than a mental understanding rather it is a deep intimate spiritual knowing and life union with Christ The spiritual affects the natural and in *Fresh Oil* Chris Garcia a pastor and popular social media minister with over 100 000 subscribers to his YouTube channel helps believers develop a greater hunger for God's presence and Word and increase their sensitivity to the Holy Spirit This book will help readers to Stop being led by their flesh and an unrenewed thought life Experience a more exciting prayer life and enter a greater level of worship and victory Understand their positional reality and the victory that

has been offered to them through Christ Teaching simple keys to help believers experience a greater awareness of God's presence this book will help stir readers into deeper communion with the Holy Spirit producing fresh oil in their lives

**Notes, Explanatory and Practical, on the Epistle to the Hebrews. By Albert Barnes. With the Text**, 1853 **The Epistle to the Hebrews** Samuel Ridout, 2015-04-18 Publisher's Introductory Back in the eighteen and early nineteen hundreds there were a group of men known as the Plymouth Brethren These men had many writings and many of them were taken from Lectures given in many areas and at different times during this era Some were given in different languages and then translated into English I have taken many of these writings and messages and formatted them so they could be read on tablets and phones In other words they are in epub and mobi formats I have set up indexes with headers and have enabled text to speech I then run them through a checker to make sure the ebook format is without errors In doing this I have produced a high quality product for a very low price These are not just scanning of old writings but have been completely redone by hand I started doing this for my own private use I found there were others who wanted them also so after praying about it and contacting publishers who already got permission to use all these writings and lectures I too got permission via email which I have on file I now have over 230 of these writings in ebook format on Amazon for the Kindle and on Google play for the Android OS Hopefully this number will keep increasing as time goes on Prefatory Note There is no introduction to the Epistle to the Hebrews and little need for any preface here Where Christ is the absorbing theme everything must yield to Him and explanations are out of place The main themes of the book are the person of Christ His priesthood and sacrifice and the place into which He has introduced His people Everything is measured by these standards and loyalty to Him is the crucial test for all that would claim attention In these closing days of the Church's history where there is a strong tendency back into that which apes Judaism a carnal religion without divine power and where the person of our Lord is lightly esteemed if not absolutely degraded it is to be hoped that this little book will serve to call back the thoughts of His people to One who is worthy of all their attention allegiance and worship May the Lord graciously use it solely to the glory of His own peerless Name S Ridout **The Walls Fell Down** Brian Van Cleave, 2025-01-27 Brian Van Cleave's **The Walls Fell Down** is written in the same storytelling style as his previous two books **Jesus A Man's Man** and **Out of the Wilderness Through** personal life stories and the challenges Joshua and the children of Israel faced in conquering the Promised Land Brian shows that the foundation of a Christian's walk of faith with Christ is obedience This obedience is not a legalistic list of dos and don'ts but a way to join God into a victorious outcome The author weaves solid biblical teaching with personal life lessons to paint a unique and practical picture of how obedience in our walk of faith will bring us freedom and joy as we see walls that have been blocking our path tumble before us Whether you read it just once or dig deeper with the study guide this book will speak to inspire and motivate you into a deeper understanding of what it means to become a faith filled obedient Christian

JESUS IS THE BEAM: Book One Gwynevere A Lamb,2021-06-10 Decades ago Stephen Hawking had predicted that an acceptable equation to a grand unified theory would arrive by the year 2020 He was right Jesus is the Beam is an autobiography brimming with philosophical ideas from a supernatural journey with God and an unquenchable desire to know the fundamental truth about our origin The origin of not just our own species but to know the truth about the spark of life and the energy which sustains it Gwynevere Lamb challenges all conventional theories of everything as she presents an intuitive pre numerical formula to the four standard forces of energy and all life as we know it re illustrating time and space She slices in half the nucleus of our reality with a nuclear knife without the need of an atom smasher Finally a simple sensible and satisfactory equation to a grand unified field even a 2nd grader can understand The author s journey continues in her 2nd installment God is the Boom as she dissects truth from fiction in light of her grand unified equation in all things from scientific discoveries to human behaviors giving new meaning to the theory of everything The story climbs to an epic ending summing up both books on the summit of Mount Calvary as she explains the purpose of the cross of Jesus Christ in quantum mechanical terms The author has a knack of explaining continuums of time and space as well as parental discipline She makes math and science to include particle physics understandable to persons without any scientific background by painting pictures with her words as well as thrilling readers with adventurous real life stories Gwynevere Lamb using the poetry of math and science stitches the fabric of time and space to earth air water and fire and just about everything else She explains how the Fire of God becomes hellfire in sub atomic scenarios On the other end of the spectrum she paints a picture of love flowing like living water She offers a myriad of continuums not exclusive to particle physics She seamlessly threads the needle to include human life sciences and social and political ideas commonly taught in todays media driven pop paradigm set by our modern new age culture She leaves the reader with an acute awareness of what the singularity is what unified purification is and why it is central to our existence Jesus is the Beam and God is the Boom was originally written as one manuscript Dividing them into two separate books was initially a concern for the author because she did not want her readers to miss the climax at the end of the story She came to terms with the separation after realizing that Jesus is the Beam rests on God is the Boom literally thereby making it a blessing in disguise She is confident readers will be enamored at the end of the first book and equally eager to pick up the second with anticipation Gwynevere Lamb believes her readers will be satisfied and well fed after consuming both books however a third and fourth installment are already in the making in the writing **Bible PerVERSIONS** Eric Neumann,2014-07-03 Since holy means perfect sinless perfection there can only be one Holy Bible in each language With hundreds of English translations available which one is God s Holy Bible Bible

PerVERSIONS How Satan Changes God's Word To Lead You Astray starts with a ten page introduction concluding that the King James Version is God's only English Holy Bible today It then gives over 200 pages of quotations from the four most popular English translations KJV NIV NKJV and NLT detailing what the modern versions have changed and what those changes mean doctrinally If that is too much detail 20% of the passages are highlighted as being the worst perVERSIONS of God's Holy Bible

*Revelation Explained* Terry Swift, 2022-06-22 The book of Revelation is meant to be understood or revealed The word revelation means to reveal to uncover But it cannot be understood by a man without the indwelling Spirit The Holy Spirit gives keys to understanding the book both in Revelation and in other teachings of scripture The Spirit lets us know when the book was written by facts presented in the book That is important in discovering when the fulfillment of the book took place The Spirit also tells us the Revelation was of things that must soon take place This phrase governs our understanding in the fulfillment of the whole Revelation Again the teaching of prophecies were all to be fulfilled within the generation of Jesus These prophecies were to and must soon take place in the book There are seven keys I have followed in understanding the book of Revelation You can understand the book of revelation also by following the keys the Spirit has left for us God blesses us in multiple ways in opening His book the Revelation May he bless you fully in that effort through his Spirit May you come to understand his Revelation
