humorous historical haphazard heart warming and heartbreaking often within the same story For Russell all stories however personal or cultural represent shared human history and form an intricate original and sheltering tapestry that belongs to all and represents a curious security in our future shock world Through beloved old stories and through new ones Russell forms threads of regret sorrow joy wonder courage wisdom beauty and some other thing that isn't any of these things perhaps the greatest mystery are woven into a fabric that entertains educates and delights with scenes of days gone by portraits of worthwhile people and events that shape our characters Storytelling is an important vehicle by which we bond with each other in multiple dimensions and across generations The stories she shares show how story telling gives us a latitude of home to use an old nautical term i.e. a reference point on our map of being that shows us where we came from In a figurative sense latitude of home is that place time from which we start Our stories our family myths give us the knowledge of our place in Time Russell invites readers to consider their own repertoires of stories what they can learn about and from their own family myth and how they can share that myth to inform delight and strengthen BOOK JACKET
