Shattered Covenants Iii:

Broken Covenants Hubert L. Tomlin, 2021-10-07 Broken Covenants Broken Covenants seeks to highlight the love of God for man and the things the Lord had been doing to bring man back into fellowship with Him since mankind fell from grace because of sin Sin has corrupted the entire world and it started when Adam and Eve were deceived by Satan in the garden of Eden Satan had since that time gained control over the earth from Adam whom God had given this charge Everything being corrupted by sin including man faces the curse of death Satan having taken control of the earth had access to heaven where he was a continuous accuser of man before God God is determined to destroy this corrupted earth and Satan with it to get rid of sin altogether but He is also determined to restore man and save man from His wrath and the destruction to come God sent a flood to destroy sinful man from the earth but as man multiplied again in the earth so did sin The Lord then chose a people of Israel to be His chosen people He blessed and prospered them to make the rest of the world be jealous of the God of Israel that they would forsake their gods and seek after the God of Israel Israel however turned to the gods of these nations instead that God had to reject His people God then sent His own Son Who never sinned and therefore death had no control over Him Having conquered sin and death Jesus has taken back control of the earth and the devil is cast out of heaven and have no more access to heaven Man is therefore restored but he had to trust in Jesus and what He has done to be redeemed back to God This is the way of salvation and God now has accomplished that which was His desire since Adam

R. Kearney,2025-03-10 Calls for reformation were widespread across the medieval Roman Catholic Church but few were as nuanced or philosophically rich as the lifelong work of Cardinal Nicholas of Cusa 1401 1464 Cusa centralized the coincidentia oppositorum the coincidence of opposites in our knowledge of God and the mystical institution of the Church In his book Michael R Kearney traces Cusa s historical impact on philosophy of communication and communication ethics with an eye toward the health of institutions in a postmodern moment of cynicism and decline Cusa loved the church and fought passionately for its reform energized by the clouded vision of a God who is beyond opposites This champion of dialogic reformation offers churches and communities an unfinished task with a unity of contraries at its heart upholding local narrative ground with tenacious loyalty while working in an increasingly large world **The American Law of Real**
