our culture He knows that this is the time of humanity's awakening each one of us participates in the mystery of the light hidden within us and within all nature that is being awakened For exploring this mystery so directly and deeply and with such insight he deserves our deepest gratitude Women and men alike will welcome and treasure this book ANNE BARING co author *The Myth of the Goddess Evolution of an Image and The Dream of the Cosmos A Quest for the Soul* *The Quaking of America* Resmaa Menakem, 2022-04-12 The New York Times bestselling author of *My Grandmother's Hands* surveys America's deteriorating democracy and offers embodied practices to help us protect ourselves and our country All of us need to read this book and then act on it Angela Rye NPR political analyst and former CNN commentator Resmaa Menakem is one of our country's most gifted racial healers His brilliant new book could not be more timely Michael Eric Dyson author of *Entertaining Race* and *Long Time Coming* In *The Quaking of America* therapist and trauma specialist Resmaa Menakem takes readers through somatic processes addressing the growing threat of white supremacist political violence Through the coordinated repetition of lies anti democratic elements in American society are working to incite mass radicalization widespread chaos and a collective trauma response in tens of millions of American bodies Currently most of us are utterly unprepared for this potential mayhem This book can help prepare us and possibly prevent further destruction This preparation focuses not on strategy or politics but on practices that can help us Build presence and discernment in our bodies Settle our bodies during the heat of conflict Maintain our safety sanity and stability in dangerous situations Heal our personal and collective racialized trauma Practice embodied social action Turn toward instead of on one another *The Quaking of America* is a unique and perfectly timed guide to help us navigate our widespread upheaval and build an antiracist culture
