Lotus Bethany N. Bella, 2016-10-20 The lotus flower has symbolized transcendence rebirth and resilience in various human contexts throughout time and place perhaps most notably in Buddhism Nature I have found provides us with these personifications of personal development we just have to be open and curious enough to interpret them as such I have selected this collection of poems to reflect the turmoil and ascension the rise and fall of my recovery over the last 7 years My writing I d say has gotten bolder with both age and experience Unapologetic like a cup of dark roast coffee no sugar added My emotions are raw and real and I have been nothing but honest in these pages Life is a journey Life is a battlefield Life is a delicate balancing act that sometimes causes us to wobble and misjudge the plummeting plummet to the ground But I ve learned how to pluck my fallen self up from the mud as it will and return in constant pursuit of this light *Her Father's Daughter* Marie Sizun, 2016-06-13 A taut and subtle family drama from France A little girl lives happily with her mother in war torn Paris She has never met her father a prisoner of war in Germany But then he returns and her mother switches her devotion to her husband The girl realizes that she must win over her father to recover her position in the family She confides a secret that will change their lives Why Peirene chose to publish this book This is a poetic story about a girl s love for her father Told from the girl s perspective but with the clarity of an adult s mind we experience her desire to be noticed by the first man in her life A rare examination of the bonds and boundaries between father and daughter Meike Ziervogel A delicate discreet novel Like its little heroine Impressive Sud Ouest Dimanche Sizun s beautifully controlled and simple story captures the surprisingly clear gaze of a little girl who discovers how adults excel in the art of concealment Le Nouvel Observateur This story brings to mind like a slap in the face our forgotten childhood memories We remember the way adults fail to hear the tiny cries of the heart Marie Claire *Chapters on Marriage and Divorce* Susan A. Spector, 2010-07-05 While western derived legal codes have superseded Islamic law in many parts of the Muslim world Islamic Koran based law still retains its force in the area of marriage and family relations the area that is key to the status of women This work makes available for the first time in English three compilations of responses to questions about family law given by two prominent Muslim jurists of the ninth century third century of Islam Ahmad b Hanbal the eponymous founder of the Hanbali rite of Sunni Islam the one dominant in Saudi Arabia and Ishaq b Rahwayh These compilations are basic sources for the study of the development of legal thinking in Islam The introduction to the translation locates the compilations in a historical context and elucidates how the various issues of family law are treated An appendix contains a collation of the significant variants among the manuscripts and printed versions of the Arabic texts The volume concludes with a topical index and an index of names

The Girl in Waiting J. Hartley Manners, 1922 *Almost Sincerely* Zoë Norton Lodge, 2015-06-01 When Zo Norton Lodge was growing up in Annandale in the eighties and nineties the self proclaimed Heartland of the Inner West was a heady brew

of somewhat maladjusted and genuinely unsettling residents But Annandale was changing New words like architect and labradoodle drifted out of the overabundance of caf s and eventually entire weeks would go by with no backyard bomb explosions These stories of neighbourhood warfare unsound relations quashed dreams and facial disfigurement are told with Norton Lodge s characteristic comic verve and eye for absurdity encounter Greek grandparents whose decades long resentment turns a colander into a weapon a petrol sodden Mamma children sent to school with cat food sandwiches distressed furniture flying babies and other suburban wonders

Mistress Ethics Victoria Brooks,2022-01-13 The figure of the mistress is undoubtedly controversial She provokes intense reactions ranging from fear to disgust and revulsion to excitement and titillation to sadness and perhaps to some love The mistress is conventionally depicted as a threat to moral living and someone whose sexuality is considered defective and toxic Of course she is a woman that you would not have as your friend and certainly not your wife since her

ethical sense if she even has one is dubious at best This book subverts these traditional judgements and offers an unflinching look at the lived experience of the mistress Here she is recast as a potentially loving free intimate other woman Drawing upon feminist philosophy contemporary sexual ethics and the current cultural moment of MeToo Mistress Ethics moves beyond a narrative of infidelity conventional judgment the safeguarding of monogamy and conventional heterosex that permeates our society It asks what happens when we let go of our insecurities judgments and moralistic relationship philosophies and opt instead for an ethics of kindness This kindness underpinned by engaging with those deemed other and learning from mistresses both straight and queer will teach us new ways of thinking about ethics and sex and reveal how we have better sex and how we can be better to each other **Anne's Audition** Terry Collett,2015-03-11 A collection of stories drawn from my more recent writings with varying styles and length *Inside of a Dog* Alexandra Horowitz,2025-09-02 Containing up to the minute research and providing many moments of dog behavior recognition this lively and absorbing book helps dog owners to see their best friend s behavior in a different and revealing light **Women on the Verge** Rosette C. fit in with the university and authors reflect on not belonging in with and against educational institutions The collection advances understandings of imposter syndrome as socially situated in relation to entrenched inequalities and their recirculation in higher education Chapters combine creative methods and linger on the figure of the imposter wary of both individualising and celebrating imposters as lucky misfits fraudsters or failures and critically interrogating the supposed universality of imposter syndrome

Catastrophe Practice Nicholas Mosley, 2013-04-02 Catastrophe Practice in the form of three plays with prefaces and a novella follows six characters trying to find their way through some catastrophe that is less in the world outside than in their minds Drawing upon catastrophe theory to examine the discontinuities in human personality and our tendency to progress suddenly rather than smoothly the six characters struggle to disrupt traditional ways of being These characters feel that conventional ways of interpreting the world have become destructive conventional language conventional feelings conventional situations and try to find a way to realise genuine experience

I Am Yusuf and This Is My Brother Amir Nizar Zuabi, 2010-01-15 I am Yusuf and This Is My Brother is a powerful poetic exploration of history memory and different forms of love Before it happened I didn't know those people existed Now I'm not certain that we do January 1948 Palestine The British Mandate is ending The UN is voting on who will control what part of the land Ali is in love with Nada but he is in despair Her father won't let them marry because his brother Yusuf is odd with his own eccentric child like point of view Rufus a soldier on the occupying British forces longs for the cold fogs of Sheffield War begins and as the villagers are scattered and become refugees the secret that's kept Ali and Nada apart is revealed Although set within a politically charged context the play is full of haunting dreamlike poetry rather than didactic polemicism Instead of simply exploring the political debate Zuabi concentrates more on the richness of language and culture With a keen awareness of the vulnerability and fragile ephemerality of life I am Yusuf and This Is My Brother explores humanity and love in the context of loss and death
