TRUE CRIME: I FELL ASLEEP! Sarah Boone 'Suitcase Killer' Beccy Lockes, True Crime, 2025-01-12

Worst Hangover Ever Learn everything there is to know about this gripping True Crime After four years sitting in jail Sarah I Fell Asleep Boone is found Guilty of Second Degree Murder for going upstairs to bed and leaving her partner trapped in a suitcase It was never a murder mystery so why did it take four and a half years to finally bring her case to trial Because of Sarah Boone that s why I mean I ve always been a straight A student I am an outstanding mother to my son I excel at everything I would not do that Including all 30 of her snark filled letters to the attorneys who faithfully represented her and to the respected judges who presided over her criminal case and family court I Fell Asleep patches together Suitcase Killer Sarah Boone s real story Beginning with her 911 call 12 hours after leaving him trapped police interviews at the scene and the closely following interrogations by Orange County homicide detectives we can see how her story changes From trivial things to important things like their drinking habits their history of domestics and exactly what happened that night and why Initially it appears an unfortunate accident after a drunk loving couple decided it would be funny to play hide and seek But as Sarah Boone s story evolves it becomes far more sinister This isn t an accident this is a True Crime for the ages Well I didn t completely lock it I mean I left it open for his fingers I left enough in there for him to get out Through transcripts of the early police interactions with Sarah and witness interviews taken a few days later with ex husband and neighbors a picture develops of her true character and how she lives her life Never one to be downtrodden Sarah fights her corner viciously We can read this in her letters to the judges complaining about her attorneys and how the Judge is trampling my constitutional rights We can see from her letters to the family court judge there is nothing she will not complain about Her forced stint at representing herself in court shows a certain knack for the legal profession but even Sarah was not so arrogant she thought it would be a good idea to represent herself at trial Luckily she is saved at the last minute by an attorney from Tennessee Hear her testimony at trial Hear her turn down a plea deal Hear her jaw dropping remorseless speech at sentencing in front of the victim s friends and family With Sarah she can go through nine attorneys and still thinks she isn t the problem She can

leave a man to die inside a zipped suitcase by going upstairs to bed and falling asleep and still blame the man Get your snark shoes on and dive into the True Crime ridiculousness of Sarah Suitcase Killer Boone *Elements of Power* KD
