She Walks The Line:

She Walks the Line Roz Denny Fox,2012-01-17 She is not only a cop she is a woman from a traditional Chinese family Mei Lu Ling's parents strongly disapprove of her career but she is determined not to let her personal life interfere with her work especially now that she has been handed a case involving the theft of Chinese antiquities A case that may implicate her father Maintaining the precarious balance between her private and professional lives becomes even more difficult when she is assigned to work with Cullen Archer an insurance investigator with ties to Interpol Mei finds Cullen single father of eight year old twins far too attractive for her peace of mind But she is thrilled that Cullen is just as attracted to her even if falling in love complicates everything else in her life *She Walks in Beauty* Nicole Conn,2001-01-01 Sometimes the only way to find your life is to walk away from it What would you give for a chance to start over A chance to find redemption A chance to love again Writer Spencer K Atwood wants it all Handsome talented and driven to succeed she approaches the Los Angeles film scene But her cruise down Hollywood's dazzling fast lane soon becomes a dizzying blur of ambition obsession and sexual abandon that inevitably careens out of control and costs her everything In the wake of this wreckage Spencer travels to Oregon and rents an isolated oceanside cottage As she looks back over her life trying to figure out how her passions have driven her she begins to understand the threats to her soul Spencer returns to the one thing that will heal her her writing She begins *Cynara* a sweeping epic set against the haunting backdrop of Paris in the twenties Spencer's gripping novel recounts the passionate life and loves of notorious lesbian writer Byron Harrington and the reclusive sculptress Cynara As she writes from her depths Spencer begins to believe that maybe just maybe she can regain what's really important to her From the renowned filmmaker and novelist Nicole Conn creator of *Claire of the Moon* book and film *Moments The Making of Claire of the Moon* and *Cynara Poetry in Motion* film comes this defining romantic work Robin M. Ambrozic,2007-11-01 Still want to go to school Theramar asks Piccolo dreams of become an elite dragon mage However the Dragon School only takes the most gifted boys and all girls are sent to the Temple to become Priestesses After being rejected by the school for her gender Piccolo has a chance encounter with one of the school's Dragon Masters and Piccolo is granted permission to enter the Dragon Mage School Corinthian Upon entering Corinthian Piccolo is constantly faced with gender prejudices and stinging ridicule from teachers and students who do not want their traditions to change Piccolo must continuously decide between allowing her own prejudices to dictate her action or push herself to achieve the higher ground and help those that are mean to her and her friends Filled with dragons monsters and evil foes this novel pits Piccolo against her deepest fears and her desire for self preservation She must also continually decide between what is the right thing to do for herself and what is the morally right thing to do for others **Performance Drawing** Maryclare Foá,Jane Grisewood,Birgitta Hosea,Carali McCall,2020-09-03 What is performance drawing When does a drawing turn into a performance Is the act of drawing in itself a performative process whether a viewer is present or not Through conversation interviews and essays the

authors illuminate these questions and what it might mean to perform and what it might mean to draw in a diverse and expressive contemporary practice since 1945 The term performance drawing first appeared in the subtitle of Catherine de Zegher's Drawing Papers 20 Performance Drawings in particular with reference to Alison Knowles and Elena del Rivero In this book it is used as a trope and a thread of thinking to describe a process dedicated to broadening the field of drawing through resourceful practices and cross disciplinary influence Featuring a wide range of international artists this book presents pioneering practitioners alongside current and emerging artists The combination of experiences and disciplines in the expanded field has established a vibrant art movement that has been progressively burgeoning in the last few years The Introduction contextualises the background and identifies contemporary approaches to performance drawing As a way to embrace the different voices and various lenses in producing this book the authors combine individual perspectives and critical methodology in the five chapters While embedded in ephemerality and immediacy the themes encompass body and energy time and motion light and space imagined and observed demonstrating how drawing can act as a performative tool The dynamic interaction leads to a collective understanding of the term performance drawing and addresses the key developments and future directions of this applied drawing process
