mourn the passing of the Soviet regime that denied them fundamental rights Through a wide ranging consideration of attitudes toward the living and the dead the past and the present the state and the individual Satter arrives at a distinctive and important new way of understanding the Russian experience **The Past Is a Foreign Country - Revisited** David Lowenthal,2015-10-01 The past remains essential and inescapable A quarter century after the publication of his classic account of man s attitudes to his past David Lowenthal revisits how we celebrate expunge contest and domesticate the past to serve present needs He shows how nostalgia and heritage now pervade every facet of public and popular culture History embraces nature and the cosmos as well as humanity The past is seen and touched and tasted and smelt as well as heard and read about Empathy re enactment memory and commemoration overwhelm traditional history A unified past once certified by experts and reliant on written texts has become a fragmented contested history forged by us all New insights into history and memory bias and objectivity artefacts and monuments identity and authenticity and remorse and contrition make this book once again the essential guide to the past that we inherit reshape and bequeath to the future *Early Graves* Joseph Hansen,2023-12-19 The brutality of the AIDS epidemic and a nation s growing homophobia set the stage for a serial killer targeting gay men in Los Angeles and Dave Brandstetter finds himself in the killer s path Dave Brandstetter s afternoon does not begin well his ex boyfriend picks him up at the airport and the ride home in bumper to bumper Los Angeles traffic is one long argument between them The insurance investigator s day gets worse when he finds a man bloody rain soaked and ice cold lying on his porch killed by a stab wound while Dave was out of town There is a serial killer loose in Los Angeles and this man is his sixth victim Like the others he had already been marked for death by the unforgiving plague known as AIDS Someone is targeting sick men in the city and Dave s search for the killer leads him into the dark side of gay Los Angeles where death comes without warning and life is a fearful dream Decades after its original publication in 1987 *Early Graves* remains an important literary achievement The exigence of Joseph Hansen s frontline reportage of the AIDS epidemic is as powerful as his prose craft and mystery plot are clever Authentic Writing Jeffrey Rice,2021-04-20 In typical academic circles texts must be critiqued mined for the obfuscated meanings they hide and shown to reveal larger broader meanings than what are initially evident To engage in this type of writing is to perform an authentic version of scholarship But what if a scholar chooses instead to write without critique What if they write about travelling their children food grocery shopping frozen garlic bread sandwiches condiments falafel yoga and moments that normally wouldn t be considered scholarly Can the writing still be scholarly Can scholarly writing be authentic if its topics comprise the everyday In *Authentic Writing* Jeff Rice uses this question to trace a position regarding critique the role of the scholar the role of the personal in scholarship the banal as subject matter and the idea of authenticity He explores authenticity as a writing issue a rhetorical issue a consumption issue a culture issue and an ideological issue Rather than arguing for a more authentic state or practice Rice examines the rhetorical features of authenticity in order to expand the focus of scholarship Becoming George Sand
