Long Walks And Intimate Talks:

Long Walks and Intimate Talks Grace Paley, 1991 This first collaboration of two long time feminist and antiwar activists is a wonderful melding of word and image that creates a powerful call for world peace Paley's poems and short fiction and William's vivid watercolors depict the beauty and dignity of ordinary lives from El Salvador to the Bronx from New Hampshire to Vietnam Scenes and stories of domestic life solitude and nature are interspersed with heart wrenching images of women widowed and children crippled by war and incarcerated by urban poverty Here too are stories and paintings of protest joyous and defiant

Pillow Talk Jason Alexander Ottley, 2010-09-03 If you are single chances are you are at a place where you are tired of settling and you are finally ready to find the man or woman of your dreams However is your approach getting you closer to your goal or are you just spinning your wheels *Pillow Talk* exposes methods singles employ in their attempt to secure lasting love And while the dating game is nothing new the rules of engagement have become much more complex In his book Ottley exposes the futile paradox of enlisting short term approaches to long lasting love Carefully exposing hidden thought patterns and motives of the heart Ottley dismantles the faulty premise that dating is built upon Then like a master craftsman Ottley carefully and candidly lays bare the steps towards how singles can develop a fulfilling rewarding and reciprocal relationship that is well worth the wait

Contemporary Jewish-American Novelists Joel Shatzky, Michael Taub, 1997-07-16 Since World War II Jewish American novelists have significantly contributed to the world of literature This reference book includes alphabetically arranged entries for more than 75 Jewish American novelists whose major works were largely written after World War II Included are entries for both well known and relatively obscure novelists many of whom are just becoming established as significant literary figures While the volume profiles major canonical figures such as Saul Bellow Norman Mailer and Bernard Malamud it also aims to be more inclusive than other works on contemporary Jewish American writers Thus there are entries for gay and lesbian novelists such as Lev Raphael and Judith Katz whose works challenge the more orthodox definition of Jewish religious and cultural traditions Art

Speigelman whose controversial IMAUS R established a new genre by combining elements of the comic book and the conventional novel and newcomers such as Steve Stern and Max Apple who have become more prominent within the last decade Each entry includes a brief biography a discussion of major works and themes an overview of the novelist s critical reception and a bibliography of primary and secondary sources A thoughtful introduction summarizes Jewish American fiction after World War II and a selected general bibliography lists additional sources of information Since World War II Jewish American novelists have made numerous significant contributions to contemporary literature Authors of earlier generations would frequently write about the troubles and successes of Jewish immigrants to America and their works would reflect the world of European Jewish culture But like other immigrant groups Jewish Americans have become increasingly assimilated into mainstream American culture Many feel the loss of their heritage and long for something to replace the lost values of the old world This reference book includes alphabetically arranged entries for more than 75 Jewish American novelists whose major works were largely written after World War II Included are entries for both well known and relatively obscure novelists many of whom are just becoming established as significant literary figures While the volume profiles major canonical figures such as Saul Bellow Norman Mailer and Bernard Malamud it also aims to be more inclusive than other works on contemporary Jewish American writers Thus there are entries for gay and lesbian novelists such as Lev Raphael and Judith Katz whose works challenge the more orthodox definitions of Jewish religious and cultural traditions Art Speigelman whose controversial IMAUS R established a new genre by combining elements of the comic book and the conventional novel and newcomers such as Steve Stern and Max Apple who have become more prominent within the last decade Each entry includes a brief biography a discussion of major works and themes an overview of the novelist s critical reception and a bibliography of primary and secondary sources A thoughtful introduction summarizes Jewish American fiction after World War II and a selected general bibliography lists additional sources for information **Untimely**

Interventions Leigh Ross Chambers, 2009-12-22 As atrocity has become characteristic of modern history testimonial writing has become a major twentieth century genre Untimely Interventions relates testimonial writing or witnessing to the cultural situation of aftermath exploring ways in which a culture can be haunted by its own history Ross Chambers argues that culture produces itself as civilized by denying the forms of collective violence and other traumatic experience that it cannot control In the context of such denial personal accounts of collective disaster can function as a form of counter denial By investigating a range of writing on AIDS the First World War and the Holocaust Chambers shows how such writing produces a rhetorical effect of haunting as it seeks to describe the reality of those experiences culture renders unspeakable Ross Chambers is Professor of Romance Languages at the University of Michigan His other books include Facing It AIDS Diaries and the Death of the Author **The Fairy Feller's Master-Stroke** Harry Eiss, 2013-01-03 Richard Dadd is a trickster a pre post modern enigma wrapped in a Shakespearean Midsummer Night s Dream an Elizabethan Puck living in a smothering

Victorian insane asylum foreshadowing and in brilliant Mad Hatter conundrums entering the fragmented shards of today's nightmarish oxymorons long before the artists currently trying to give them the Joker's ephemeral maps of discourse. The author thinks of Bob Dylan's Ballad of a Thin Man that cryptic refusal to reduce the warped mirrors of reality to prosaic lies or perhaps All Along the Watchtower or Mr Tambourine Man. Even more than Samuel Beckett's Waiting for Godot which curiously enough comes off as overly esoteric too studied too conscious Dadd's entire existence foreshadows the forbidden entrance into the numinous the realization of the inexplicable labyrinths of contemporary existence that wonderfully rich Marcel Duchamp landscape of puns and satiric paradigms that surrealist parallax of the brilliant gamester Salvador Dali that smirking irony of the works of Roy Lichtenstein Robert Rauschenberg John Cage and Robert Indiana that fragmented meta-fictional struggle of Kurt Vonnegut's Slaughterhouse Five John Lennon certainly sensed it and couldn't help but push into meta-real worlds in his own lyrics Think of Strawberry Fields Forever I Am the Walrus and the more self-conscious Revolution Number 9. In Yer Blues he even refers to Dylan's main character Mr Jones from Ballad of a Thin Man. If Lennon's song is taken seriously literally then it is a dark crying out by a suicidal man Lord I'm lonely wanna die or if taken as a metaphor for a lover's lost feelings about his unfulfilled love it falls into the romantic rant of a typical blues or teenage rock and roll song. However even on this level it has an irony about it a sense of laughing at itself and at Dylan's Mr Jones who knows something is going on but just not what it is and then by extension all of us who have awakened to the fact that the studied Western world doesn't make sense all of us who struggle to find meaning in the nonsense images characters and happenings in the song and perhaps coming to a conclusion that the nonsense is the sense.
