Aspects of Specialised Translation María del Carmen García Calderón, Ángeles Balbuena Torezano,2016-01-08

The Gunfighters Bryan Burrough,2025-06-03 One of the most important books written on the American West in many years True West Magazine From the New York Times bestselling author of *The Big Rich* and *Forget the Alamo* comes an epic reconsideration of the time and place that spawned America s most legendary gunfighters from Jesse James and Billy the Kid to Butch and Sundance The Wild West gunfighter is such a stock figure in our popular culture that some dismiss it all as a corny myth more a product of dime novels and B movies than a genuinely important American history In fact as Bryan Burrough shows us in his dazzling and fast paced new book there s much more below the surface For three decades at the end of the 1800s a big swath of the American West was a crucible of change with the highest murder rate per capita in American history The reasons behind this boil down to one word Texas Texas was born in violence on two fronts with Mexico to the south and the Comanche to the north The Colt revolver first caught on with the Texas Rangers Southern dueling culture transformed into something wilder and less organized in the Lone Star State The collapse of the Confederacy and the presence of a thin veneer of Northern occupiers turned the heat up further And the explosion in the cattle business after the war took that violence and pumped it out from Texas across the whole of the West The stampede of longhorn cattle brought with it an assortment of rustlers hustlers gamblers and freelance lawmen who carried a trigger happy honor culture into a widening gyre a veritable blood meridian When the first newspapermen and audiences discovered what good copy this all was the flywheel of mythmaking started spinning It s never stopped *The Gunfighters* brilliantly sifts the lies from the truth

giving both elements their due And the truth is sufficiently wild for any but the most unhinged tastes All the legendary figures are here and their escapades are told with great flair good bad and ugly Like all great stories this one has a rousing end as the railroads and the settlers close off the open spaces for good the last of the breed Butch Cassidy and the Sundance Kid really do get on a boat for South America ending their era in a blaze of glory Burrough knits these histories together into something much deeper and more provocative than simply the sum of its parts To understand the truth of the Wild West is to understand a crucial dimension of the American story **Encyclopedia of American Film Serials** Geoff Mayer,2017-02-23

From their heyday in the 1910s to their lingering demise in the 1950s American film serials delivered excitement in weekly installments for millions of moviegoers despite minuscule budgets nearly impossible shooting schedules and the disdain of critics Early heroines like Pearl White Helen Holmes and Ruth Roland broke gender barriers and ruled the screen Through both world wars such serials as Spy Smasher and Batman were vehicles for propaganda Smash hits like Flash Gordon and The Lone Ranger demonstrated the enduring mass appeal of the genre Providing insight into early 20th century American culture this book analyzes four decades of productions from Pathe Universal Mascot and Columbia and all 66 Republic serials

The Exhibitor ,1947 Some issues include separately paged sections Better management Physical theatre extra profits Review Servisection **Roy Rogers** Robert W. Phillips,1995-05-01 This is the definitive work on Roy Rogers the King of the Cowboys The lives and careers of Rogers and his wife Dale Evans are thoroughly covered particularly their work on radio and television The merchandising history of Roy Rogers reveals that his marketing of character related products was second only to that of Walt Disney Roy Rogers memorabilia are still among the most popular items Includes a comprehensive discography filmography and comicography Heavily illustrated *Video Movie Guide 1992* Mick Martin,Marsha Porter,1991

Exhibitors Daily Review ,1949 **Tales from the Cult Film Trenches** Louis Paul,2014-11-29 From movie villains to scream queens here are interviews with 36 actors and actresses familiar to fans of sixties and seventies cult cinema Interviewees include the well known David Carradine Christopher Lee the relatively obscure Marrie Lee sex symbols Valerie Leon surfers who became movie stars Don Stroud and action heroes Fred Williamson among many others Each interview is accompanied by a biography and filmography **International Television & Video Almanac** ,2003
