The Spirituality of Comedy Conrad Hyers, 2008-06-01 To understand comedy is to understand humanity for the comic sense is central to what it means to be human Nearly all the major issues with which human beings have exercised themselves are touched upon in some manner by the comic spirit Yet education in the art of comedy and in comic appreciation is given little attention in most societies The Spirituality of Comedy explores the wisdom of comedy and the comic answer to tragedy in both popular and classical senses of the term Tragedy is seen as a fundamental problem of human existence while comedy is its counterweight and resolution Conrad Hyers has taken a fresh look at comedy from the standpoint of comparative mythology and religion and thus at comedy's spiritual significance He maintains that the ability to see the humor in things to create comic tales and rituals is among the most imaginative and profound of all human achievements Comedy interrupts the tragic seriousness with which we take ourselves our values and beliefs and introduces a different spirit and larger vision of life Comic figures even when making an appearance in great literature and drama debunk human greatness and grandeur and mock heroic claims In his unique study of the comic tradition Hyers explains the difficulty in pinning down themes structures plots or characters that are common to all comedy Instead he argues that there is an essence of comedy in the area of spirit rather than form perspective rather than pattern He draws upon the rich historical ensemble of types of comic figures with a chapter devoted to each the humorist comedian comic hero rogue trickster clown fool underdog and simpleton He shows how each type incarnates a comic heroism in its own unique manner offering a profound wisdom and philosophy of life The approach of this book is broadly interdisciplinary with materials and interpretations introduced from the various fields of the humanities social sciences and natural sciences as they illuminate both the tragic and comic sensibilities The methodological

thread that draws this all together is an analysis of the major types of comic figures in terms of the myths and legends associated with them the rituals they produce and enact and the symbolism of the comic figures themselves Written in a very readable literary style *The Spirituality of Comedy* will appeal to psychologists social scientists clergy philosophers and students of literature **The Horn Book Guide to Children's and Young Adult Books** ,1990 **Success Magazine** ,1926 **The Elementary School Library Collection** ,1998 Your Reading National Council of Teachers of English, Urbana, IL.,1991 An annotated listing of books of fiction nonfiction poetry and drama recommended for junior high and middle school students Deadline Artists—Scandals, Tragedies & Triumphs John Avlon,Jesse Angelo,Errol Louis,2012-11-21 An anthology of newspaper columns from the 19th century to the present engaging eyewitness pieces that elicit admiration wonder and gasps of surprise Kirkus Reviews *Deadline Artists America's Greatest Newspaper Columns* drew together some of the finest examples of America's greatest unsung literary form the newspaper column In this new *Deadline Artists* collection some of America's greatest journalists take on the stories of scandal tragedy triumph and tribute that have defined the spirit of their age This is history written in the present tense offering high drama and enduring wisdom Walk with Jack London in the aftermath of the San Francisco earthquake or grieve with Walt Whitman over the assassination of Abraham Lincoln Watch as Watergate unfolds sex scandals explode the Twin Towers collapse and winning home runs capture the thrill of a comeback capped with a World Series victory Contributors include Jack London H L Mencken Dorothy Thompson Richard Wright Damon Runyon Shirley Povich Murray Kempton Mike Ryoko Ruben Salazar Mary McGrory Mike Barnicle Molly Ivins Pete Hamill Carl Hiaasen Nicholas Kristof Leonard Pitts Steve Lopez Peggy Noonan and Mitch Albom
