distraction Slight ventilation from a cracked window constantly rumbles papers on the floor out of sight of the light On my desk are lined paper and a box of pencils rather than pens because I've grown to become indecisive in this process In these sessions I often thought of the greats who influenced me So to the left of my paper was a typewriter and behind me were timeless horns and vibrant jazz screaming from vinyl This is the room where I learned to invent This is the room where things were built a body of poems that was designed to serve as a portrait rather than just a collection Every piece had its own blueprint and was built with certain details to depict aspects of the overall image portrayed **Haunted Southern Nights,**

Southern Nights Barry Gifford, 2019-01-15 God in these Southern Nights is only another possibly deranged near relative cast in the only nonspeaking part in this human drama Everyone else talks and talks And it s the dialogue in these novels that makes them three of Gifford best reminders of the author s seemingly unlimited range and versatility a comic tragic genius for our time Night People Arise for the copious raw violence for the invented religions and gods that make people do things and for all the other horrors that somehow cohabit affably with the genuine pathos and loveliness of the many unforgettable characters and the things these characters say so winningly that we ve never heard anyone say before
