Schizophrenia Mario Maj, Norman Sartorius, 2003-07-07 This series acknowledges the substantial gap that still exists in psychiatry between research evidence and clinical practice clinicians are sometimes incompletely aware of research findings or regard them as biased not convincing or not relevant to their practice By using systematic reviews with accompanying commentaries this volume is able to assess the evidence and experiences to give a critical and objective account of the relevant issues while focusing on key topics This comprehensive book addresses schizophrenia through a systematic review of the available research evidence This book was a pleasure to review One can dip in and out of it at random to find an important aspect of schizophrenia summarised in a few paragraphs The reviews are all well written balanced and up to date It is designed for an international readership and come

commentaries such as those on continental concepts of schizophrenia or experience of stigma in the less industrialised world are rarely found together in one volume British Journal of Psychiatry 2001 *How to Master the UKCAT* Mike Bryon, Chris Tyreman, Jim Clayden, 2011 The UK Clinical Aptitude Test UKCAT is used by the majority of UK medical and dentistry schools to identify the brightest candidates most suitable for training How to Master the UKCAT familiarizes readers with the tests providing over 700 up to date highly relevant practice questions for the UKCAT subtests **Migration between Africa and Europe** Cris Beauchemin, 2018-05-01 This volume examines migration between Africa and Europe rather than just from Africa to Europe Based on a unique socio demographic survey carried out both in origin and destination countries MAFE survey it argues that return migration circulation and transnational practices are significant Policy design must also take these factors into account Comparing in a systematic way three flows of African migrants from Democratic Republic of Congo Ghana and Senegal this study offers a new view on the patterns determinants and family and economic effects of migration By comparing six European countries Belgium France Italy the Netherlands Spain and the UK it shows that the dynamics of migration differ greatly in new vs old destination countries Based on a statistical analysis of life histories this study provides a dynamic view of migration that will help readers better understand current trends as well as future trajectories It will appeal to researchers academics practitioners and others interested in taking a deeper look in im migration issues What went wrong with Britain? Steven Kettell, Peter Kerr, Daniela Tepe, 2025-07-22 A unflinching audit of the damage done by fourteen years of Conservative government What went wrong with Britain presents a comprehensive account of the devastating legacy left by the Conservative government Shining a light into every dark corner the book exposes the full extent of the damage inflicted on the country s economy social fabric and political integrity When the Conservatives were voted out of government in July 2024 they left behind a miserable record of rising poverty inequality and division This book reveals the forces that have driven the country to the point of crisis from austerity and economic mismanagement to sheer political dysfunction Each chapter offers new insights into the far reaching consequences of government policies that prioritised ideology personal ambition and party politics over the public good Examining the rise of populism the politics of Brexit the UK s response to the pandemic and the steady erosion of public trust this shocking account of the legacy of Conservative government from 2010 to 2024 is a must read for anyone who wants to understand exactly what went wrong with Britain **The Privatization of Care** Pat Armstrong, Hugh Armstrong, 2019-09-25 Nursing homes are where some of the most vulnerable live and work In too many homes the conditions of work make it difficult to make care as good as it can be For the last eight years an international team from Germany Sweden Norway the UK the US and Canada have been searching for promising practices that treat residents families and staff with dignity and respect in ways that can also bring joy While we did find ideas worth sharing we also saw a disturbing trend toward privatization Privatization is the process of moving away not only from public delivery and public payment for health services but also from a commitment to shared

responsibility democratic decision making and the idea that the public sector operates according to a logic of service to all This book documents moves toward privatization in the six countries and their consequences for families staff residents and eventually us all None of the countries has escaped pressure from powerful forces in and outside government pushing for privatization in all its forms However the wide variations in the extent and nature of privatization indicate privatization is not inevitable and our research shows there are alternatives
