Long Summer Day:

Long Summer Day R. F. Delderfield, 2014-07-22 A great read for fans of PBS's *Poldark* and *Downton Abbey* first in the saga of a man returning from battle to an estate in the pre WWI English countryside After serving his country in the Boer War injured Lieutenant Paul Craddock returns to England to resume civilian life But things have changed since he joined the Imperial Yeomanry three years ago His father has died leaving Paul as heir to a scrap metal business he has no intention of continuing Instead he purchases an auctioned off thirteen hundred acre estate in a secluded corner of Devon Neglected and overgrown Shallowford becomes the symbol of all that Paul has lost and a reminder of the gentle place his homeland once was And here on this sprawling stretch of land he will be changed by his love for two women fiercely independent Grace Lovell and lovely demure Claire Derwent Set in the English countryside in the first part of the previous century from the long Edwardian afternoon following the death of Queen Victoria to the gathering storm of World War I *Long Summer Day* is the story of a man his family and a people struggling to adapt to life in a new world *Long Summer Day* is the first novel in R F Delderfield's saga *A Horseman Riding By* which continues with *Post of Honour* and *The Green Gauntlet* *A Very Long Summer's Day* Brian Schmidt, 2023-10-27 While looking through a very old telescope belonging to his grandfather Phil sees a town that isn't there He peers through the open door of a house and gets pulled through the telescope and deposited on the floor of its living room He is quite surprised when Nanny a goat begins speaking to him Phil finds himself in a land of magic And not a very nice kind of magic Here when a little girl wants a pony another child loses a pony A group of animal lovers thought it would be a great idea for animals to have the same rights as people Their misguided idealism put Nanny in the body of a goat and a goat in Nanny's body Many years before when Phil's grandfather was young he'd visited the land Seemingly just by being there the land changed for the better Nanny believes Phil could do the same and in the process be the key to getting her body back Nanny decides to take Phil to the capital *A Very Long Summer's Day* is the story of their travels through a realm filled with quirky characters magic and wizards who have their own plans for Phil It's reminiscent of books TV shows and movies that are fun for all ages as a lot of the references and humor pass over the heads of the younger ones It's sure to become a family favorite 2 ***Long Summer Day* [by] R.F.
