Deep Love in Light Times Yi ChengJiXu,2020-09-23 He liked her he spoiled her he made her feel the love of a fairy tale She thought she had found the love of her life She put on her beautiful wedding dress and waited to be his bride Yet this wedding had plunged her from the peak of her happiness into the depths of ridicule And all of this originated from that one sentence from back then She had repaid his hatred with her blood and pain and he could no longer find the joy of having her What were they supposed to do when the truth came out **Forever, That's How Long I'm Going to Love You** Zeke Smith,2012-04-23 A modern day love story about a couple named Zeke and Legs Zeke sprung from a world filled with danger and secrets He was raised by two parents that instilled strong moral values in him Zeke instead began to favor the excitement of the street life Legs on the other hand was a stunning beauty from a loving family that fell victim to the negative trappings of urban life Their paths crossed as they were beginning to live a normal life Legs and Zeke fell madly in love in only a short time Their lust and desire for each became a priority They decided to marry when a child was on the way This began the drama that was their life Keep an open mind as you relive their lives The story is written with truth and detailed accounts of the many events that took place They both found God and sought redemption through Jesus the Christ Don't let the discomfort of their acts deter you from reading their entire story Remember they had to live through it too The real heroes of the story are God and Christ consequently without the resurrecting power of the almighty their lives may have remained lost I suggest you keep a Bible close by just as I did while writing the story I Love the Beach, Poetry, Long Walks, Night Runs, Riding My Bike, Sunsets and Smelling My Own Feet... the flowerbeds and false reports fly. Conspiracies abound in a community that normalizes paranoia and suspicion. Some try to flee whether to a mysterious gambling bordello or to ancestral homes that can only be reached underground through muddy caves, sewers and tunnels. Others seek out the refuge of Nest County where traditional Chinese herbal medicines can reshape or psychologically transport the self. Each life is circumscribed by buried secrets and transcendent delusions. Can Xue's masterful love stories for the new millennium trace love's many guises: satirical, tragic, transient, lasting, nebulous and fulfilling against a kaleidoscopic backdrop drawn from East and West of commerce and industry, fraud and exploitation, sex and romance.

Love and the Soul Robert Sardello, 2011-06-28 With economies in peril, war in the Middle East, genocides, global warming and a host of other grim phenomena, the world has never seemed so besieged. The solution, says Robert Sardello, lies with the individual. In this timely, thoughtful book, he explains how the soul can engage with the outer world to produce radical change. Because we think of the world as a vast mechanism and behave as mechanical objects in it, the results are devastation and dysfunction. The key is to learn to identify with the plight of the Earth by developing a true sense of individual imagination and conscious awareness of inner purpose and beauty in conjunction with the soul of the world. Sardello shows how to achieve this awareness and bring what is inside out into the world, inspiring balance and stability. Using the Grail legend and the myth of Sophia, known as the Soul of the World, as well as writings by Jung, James Hillman and Rudolf Steiner, *Love and the Soul* helps readers imagine a revitalized Earth by exploring the significance of grieving, the transformative power of radical receptivity, the creative power of dreaming and a new basis for community.

The Intimate Way of Zen James Ishmael Ford, 2024-07-23 An intimate mystery encompasses you and tugs upon your heart: what does it mean to follow that tug across the arc of a spiritual life? Reflecting out of more than fifty years of practice in Zen Buddhism, Unitarian Universalism and other contemplative traditions, James Ishmael Ford invites us into a journey through life's mysteries and the stages of spiritual development. Lightly structured by the archetypal Buddhist oxherding images, Ford's exploration is rooted in the Zen way while being deeply enriched by various strains of world mysticism. The book, sprinkled with insights and quotes from Buddhist, Daoist and Christian traditions, serves as a map and a companion to spiritual seekers or pilgrims, whether within one religious tradition or cobbling together a way of one's own. Here is the most natural of all natural experiences, writes Ford: In the midst of our suffering, our longing, our desperation, we capture a glimpse. Something touches us. And with that, if we are lucky and really notice some movement of some spirit within us, we turn our attention to the intimate way.
