Learning to Perform Carol Simpson Stern, Bruce Henderson, 2010-06-30 In *Learning to Perform* Carol Simpson Stern and Bruce Henderson introduce the art and craft of performing literary texts including poetry prose fiction and drama as well as personal narratives and ethnographic materials They present a performance methodology that offers instruction in close reading and analysis the development and refinement of performance skills and the ability to think critically about and discuss a performance As students become reacquainted with the world of the imagination and its possibilities the insights they gain in the classroom can become the basis for achievement not only on the stage or in front of the camera but in many facets of public life By addressing an expanded sense of text that includes cultural as well as literary artifacts Stern and Henderson bridge the gap between oral interpretation and the more inclusive field of performance studies A substantial appendix provides a dozen texts for performance in the classroom including works by Jane Hamilton Willa Cather Henry James E M Forster Henrik Ibsen Jane Austen and Michael S Bowman Book Jacket *The End of the World* Maria Manuel Lisboa, 2011 Our fear of the world ending like our fear of the dark is ancient deep seated and perennial It crosses boundaries of space and time recurs in all human communities and finds expression in every aspect of cultural production from pre historic cave paintings to high tech computer games This volume examines historical and imaginary scenarios of apocalypse the depiction of its likely triggers and imagined landscapes in the aftermath of global destruction Its discussion moves effortlessly from classic novels including Aldous Huxley's *Brave New World* George Orwell's *Nineteen Eighty Four* and Margaret Atwood's *Oryx and Crake* to blockbuster films such as *Blade Runner* *Armageddon* and *Invasion of the Body Snatchers* Lisboa also takes into account religious doctrine scientific research and the visual arts to create a penetrating multi disciplinary study that provides profound insight into one of Western culture's most fascinating and enduring preoccupations *Selling Folk Music* Ronald D. Cohen, David Bonner, 2017-11-29 *Selling Folk Music* An Illustrated History highlights commercial sources that reveal how folk music has been packaged and sold to a broad shifting audience in the United States Folk music has a varied and complex scope and lineage including the blues minstrel tunes Victorian parlor songs spirituals and gospel tunes country and western songs sea shanties labor and political songs calypsos pop folk folk rock ethnic bluegrass and more The genre is of major importance in the broader spectrum of American music and it is easy to understand why folk music has been marketed as America's music *Selling Folk Music* presents the public face of folk music in the United States via its commercial promotion and presentation throughout the twentieth century Included are concert flyers sheet music book songbook magazine and album covers concert posters and flyers and movie lobby cards and posters all in their original colors The 1964 hootenanny craze for example spawned such items as a candy bar pinball machine bath powder paper dolls Halloween costumes and beach towels The almost five hundred images in *Selling Folk Music* present a new way to catalog the history of folk music while highlighting the transformative nature of the genre Following the detailed

introduction on the history of folk music illustrations from commercial products make up the bulk of the work presenting a colorful complex history

Heir to Power Michele Poague, 2010-12-28 The colony of Survin has been hidden for centuries protecting an ancient religious artifact called the Healing Crystal from men who would steal or destroy it Kairma heir to the Crystal is destined to mate with the handsome Naturi and become the leader of the reclusive colony but she is too young to realize the peril soon to arrive At sixteen Kairma is too young to realize many things Kairma would rather go spelunking with her brother and his best friend than study ancient medicine and religious laws but the discovery of a tomb containing ancient artifacts leads Kairma to question her religion and the true nature of the Crystal To further complicate Kairmas ascent a childhood illness has left her resembling a nearby race of men both hated and feared by the people of Survin Because of this Kairmas younger sister Kinter who is in love with Naturi believes she is the rightful heir Disease and infertility have decimated Survin but bigotry and religious laws forbid the introduction of new members so things heat up when a traveling archeologist stumbles upon the reclusive colony and introduces a powerful new weapon Forced into a larger world the Survinees discover they hold an object of unimaginable power a power other men covet a power that might save or forever damn the human race

Kill Anything That Moves Nick Turse, 2013-01-15 Based on classified documents and first person interviews a startling history of the American war on Vietnamese civilians The American Empire Project Winner of the Ridenhour Prize for Reportorial Distinction Americans have long been taught that events such as the notorious My Lai massacre were isolated incidents in the Vietnam War carried out by just a few bad apples But as award winning journalist and historian Nick Turse demonstrates in this groundbreaking investigation violence against Vietnamese noncombatants was not at all exceptional during the conflict Rather it was pervasive and systematic the predictable consequence of official orders to kill anything that moves Drawing on more than a decade of research into secret Pentagon archives and extensive interviews with American veterans and Vietnamese survivors Turse reveals for the first time the workings of a military machine that resulted in millions of innocent civilians killed and wounded what one soldier called a My Lai a month

Devastating and definitive Kill Anything That Moves finally brings us face to face with the truth of a war that haunts America to this day

Gay Midlife and Maturity John Alan Lee, 1991 Aging is stressful for anyone in youth oriented Western societies Elderly people encounter difficulties and discrimination sometimes because of reduced income transportation and housing problems and failing health but often due to the persistent negative stereotypes that color others attitudes and behavior toward old people Gay men and lesbians experience these stresses as well as the numerous additional problems associated with their sexual orientation Gay Midlife and Maturity is a dynamic and positive volume that challenges the long held stereotype of the sad and lonely old homosexual A growing body of international literature much of which is featured in this book rejects this myth and illustrates that older gay men and lesbians cope well with the aging process and are comparable to younger homosexuals in social and psychological adjustment A much needed and major contribution Gay

Midlife and Maturity contains an enormous amount of information for readers interested in gerontology and homosexuality. Experts for the first time examine the relationship between the adjustment of gay people to later life and the age and sequence of the resolution of these typically early developmental processes raising many questions about traditional theories of gay development. The existing contradictions and debates about gay men and accelerated aging are addressed. Other valuable chapters focus on a theory of successful aging, a comparison of the traditional gay community pre Stonewall versus the organized gay community, the vital role of communication in gay relationships, the sexual attitudes and behaviors of older gay men, and much more. Additional interesting and worthwhile chapters of this thought provoking new book include an in depth interview with Don Bachardy about his 33 year relationship, Christopher Isherwood, a renowned English writer who was 30 years his senior, and a review of the growing literature on gay aging.

War No More: Three Centuries of American Antiwar & Peace Writing (LOA #278) Lawrence Rosenwald, 2016-06-14. A powerful collection of essential American antiwar writings from the Revolution to the war on terror featuring over 150 eloquent provocative voices for peace. Library of America presents an unprecedented tribute to a great American literary tradition. War has been a reality of the American experience from the founding of the nation and in every generation there have been dedicated and passionate visionaries who have responded to this reality with vital calls for peace. Spanning from the American Revolution to the war on terror, *War No More* gathers the essential texts of this uniquely American antiwar tradition in one volume for the first time. Classic expressions of conscience like Thoreau's seminal *Civil Disobedience* lay the groundwork for such influential modern theorists of nonviolence as David Dellinger, Thomas Merton, and Barbara Deming. The long arc of the American antiwar movement is vividly traced in the urgent appeals of activists made in soaring oratory and galvanizing song and in dramatic dispatches from the front lines of antiwar protests. The voices of veterans from the Civil War to the Iraq War are prominently represented, as is the firsthand testimony of conscientious objectors. Contemporary writers including Barbara Kingsolver, Jonathan Schell, Nicholson Baker, and Jane Hirshfield demonstrate the ongoing richness of this literature in the years since September 11, 2001. Featuring more than 150 eloquent and provocative writers in all, *War No More* is a bible for activists, a go to resource for scholars and students, and an inspiring and fascinating story for every reader interested in the crosscurrents of war and peace in American history. LIBRARY OF AMERICA is an independent nonprofit cultural organization founded in 1979 to preserve our nation's literary heritage by publishing and keeping permanently in print America's best and most significant writing. The Library of America series includes more than 300 volumes to date, authoritative editions that average 1,000 pages in length, feature cloth covers, sewn bindings, and ribbon markers, and are printed on premium acid-free paper that will last for centuries.

"To Everything There is a Season" Allan M. Winkler, 2009-05-21. Author or coauthor of such legendary songs as *If I Had a Hammer*, *Where Have All the Flowers Gone*, and *Turn Turn Turn*, Pete Seeger is the most influential folk singer in the history of the United States. In *To Everything There Is a Season*, Pete Seeger and the Power of

Song Allan Winkler describes how Seeger applied his musical talents to improve conditions for less fortunate people everywhere This book uses Seeger s long life and wonderful songs to reflect on the important role folk music played in various protest movements of the twentieth century A tireless supporter of union organization in the 1930s and 1940s Seeger joined the Communist Party performing his songs with banjo and guitar accompaniment to promote worker solidarity In the 1950s he found himself under attack during the Red Scare for his radical past In the 1960s he became the minstrel of the civil rights movement focusing its energy with songs that inspired protestors and challenged the nation s patterns of racial discrimination Toward the end of the decade he turned his musical talents to resisting the war in Vietnam and again drew fire from those who attacked his dissent as treason Finally in the 1970s he lent his voice to the growing environmental movement by leading the drive to clean up the Hudson River The book seeks to answer such fundamental questions as What was the source of Seeger s appeal How did he capture the attention and affection of people around the world And why is song such a powerful medium Richly researched and crisply written To Everything There Is a Season Pete Seeger and the Power of Song is an ideal supplement for U S history survey courses as well as twentieth century U S history and history of American folk music courses To purchase Pete Seeger songs discussed in the text visit the following link for an iTunes playlist compiled by Oxford University Press <http://itunes.apple.com/WebObjects/MZStore.woa.wa/viewIMix.id/375976891>

Islands of the Emotional and Moral Imagination Barbara A. Clark,James Joss French,2024-09-02 Islands of the Emotional and Moral Imagination is for all those who are on a search for inspiration in their life If one is dwelling in fear they may choose not to take this new path When confronted with the unknown fear can discourage a chance to seek and find courage truth and faith hidden within Let us take you on a journey to the islands Step into our currach weaving through the waves You will find comfort when one of the islands becomes visible through the mist You will be introduced to our friends as we step off on the islands to explore a wonder of mystery awaiting our curious hearts and minds We will be delighted with new aesthetic experiences growing closer in wisdom of the divine imagination Let us weave the threads from life s memories into a tapestry of ideas and possibilities Breathe in and out each memory that surfaces from the deep shadowed regions of your mind heart and soul Feel the toss of your life s waves as unexplained storms are remembered always knowing that an island of hope will appear on your soul s horizon
