Long Wandering Prayer An Invitation To Walk With God:

Long Wandering Prayer David Hansen, 2001 Uses the fact that our minds wander as an advantage to prayer rather than an disadvantage Cover *Holy Walks* Stephen C. Simon, 2019-07-02 Prayers that lead to a growing intimacy with God Heart learning not just more head knowledge Walking conversations with God These are a few of the fruits produced by a spiritual practice called holy walks Rooted in the ancient art of praying the Psalms holy walks enrich our understanding and practice of prayer by integrating prayer walking and learning the Psalms by heart In a practical deeply personal and at times humorous manner Steve Simon shares how holy walks have transformed his own prayer life and revitalized his walk with God and how they can do the same for the reader In addition to explaining the spiritual practice of holy walks Holy Walks also provides an introduction to the book of Psalms which will be especially valuable for those with limited knowledge of the Bible Exploring five types of psalms Holy Walks describes how God uses them to shape our heart in life giving ways no matter what peaks we re climbing or valleys we re traversing The book concludes with a discussion on what the Psalms teach about God s relationship with us as our creator leader and rescuer

Construing the Cross Frances M. Young, 2015-10-20 This book reconsiders ways in which the cross of Christ was construed before atonement theories narrowed the categories The typology of Passover is explored as probably the very first way in which Christians came to understand the passion The use of sacrificial imagery is re examined The significance of identifying the cross with the Tree of Life is traced across the centuries into medieval times along with other surprising links with the Eden narrative The validity of seeking imaginative insights to grasp what the cross signifies is given theological consideration in a chapter that moves into literary and liturgical reflections and is punctuated with cruciform poems The overall outcome is a quite paradoxical focus not on death but on life

Calm and Quiet My Soul Alyssa Lynn Bell, 2023-10-19 Self care and soul care are trending topics in Christian leadership circles because ministry leaders know they cannot care for their people unless they care for themselves Pastors who are mothers know this too and yet it can feel like just one more task to manage among the many they carry on their schedules and in their hearts The biblical truth is that spiritual rest is a gift from God not an achievement a refreshing reminder for women who hold the dual roles of mom and minister This book invites women leading in these spaces to remember that the God of the Old and New Testaments the one who pours out replenishment for weary hearts is a God who is Mother as well as Father and mothers them with tenderness and strength Starting here in the arms of a mothering God who whispers beloved changes the tone of spiritual care for her from a chore to an oasis of replenishment that grounds her in her identity in Christ as a daughter of Creator God

The Sense of the Call Marva J. Dawn, 2006-02-21 In *Keeping the Sabbath Wholly* Dawn introduced the vital Sabbath aspects of resting ceasing feasting and embracing Now she expands these into a way of life for serving God and the Kingdom every single day of the week Practical Life

Gammon,2020-09-01 All of life is not lived on mountaintops We will experience some deep valleys of pain disappointment uncertainty sickness grief and even the valley of the shadow of death Sometimes multitudes enter long and deep valleys together as in prolonged seasons of war or the COVID 19 pandemic that brought many to hardship uncertainty and fear Yet it often feels like we are walking through a deep valley alone It doesn t have to be that way Scripture makes it clear that if we have even a little faith the Lord walks with us and guides us If we keep our eyes on Him our deepest valleys will strengthen and enrich our walk with God Stephen Gammon faithfully served God for 40 years as a pastor and military chaplain Then in October 2018 he was diagnosed with cancer Multiple Myeloma he and his wife Helen entered this deep valley walking with God by faith With personal vulnerability and spiritual insight he posted regular medical updates on the CaringBridge website sharing many priceless lessons learned while walking with God through their valley Tens of thousands of online visits and innumerable personal responses and reflections from readers attest to the power of these truths Now edited and published in this book these lessons will point you towards genuine contentment and peace as you walk through your own deep valleys

The God Instinct Tom Stella,2023-10-11 In this simple elegant and literate book Tom Stella shows what can happen when we move from certitude to doubt from stability to searching when cherished beliefs are cast adrift when life experiences seem to tell us that the right answers no longer seem so right Such a time is an enriching time he tells us a time when life is no longer a matter of going from question to answer but from question to question And like the many many people he has encountered in his work he concludes that life in all its messiness is a sacred affair This is the point author Tom Stella believes when we become seekers seekers of truth and spiritual maturity Although focused on the fundamental themes of the spiritual life *The God Instinct* successfully bridges the spiritual and the practical Stella is able to ground his insights in the realities of daily living with the wisdom gleaned from his own journey *The Voice Above The Noise* Dr. Tom

Cabaniss,2023-08-10 We are drowning in a world of noise But there is a voice that rises above the sounds of division discord and confusion God is real God is at work and God works in history for His glory and the good of those who belong to Him In a collection of meditations designed to be a daily supplement to scripture reading and ongoing faith building efforts Pastor Tom Cabaniss leads believers in the pursuit of God and His unfolding work in all sixty six books of the Bible Beginning with the first four powerful words in the opening of the Bible and all the way to the final plea of Revelation Cabaniss reminds believers that God is always faithfully at work in the past present and future while sharing His grace wisdom and truth with all who diligently seek Him *The Voice above the Noise* is a collection of biblical meditations that provide a daily dose of faith

Donald Haggerty,2020 Despite signs in recent decades of a crisis in the Church a countercurrent of intense interest in prayer and a close relationship with God is clearly at work today A deeper esteem for contemplation has accompanied this turning to prayer and many people desire spiritual direction and guidance Written by a recognized expert on contemplative prayer this book concentrates on the interior hardships experienced by souls who give themselves to God wholeheartedly More than a summary of the symptoms of interior trial these poignant observations are the fruit of the author s many years in retreat work Personal experience not simply knowledge of the spiritual tradition inform his concise carefully crafted comments Throughout the book the writing invites the reader to ponder the subject of spiritual darkness perplexity and other struggles in the spiritual life always in the light of the loving God who draws souls into greater surrender to himself A Collection of Psalms and Hymns, from Various Authors ...
