Longest War Israel In Lebanon:

The Longest War Jacobo Timerman, 1982 Forfatteren er født i Ukraine I mange år journalist i Argentina Arresteredes og udvist til Israel Med anledning af Israels invasion i Libanon retter han en stærk anklage mod Israels regerings katastrofale politik som har ført direkte til massakren i Beirut **Syria's Terrorist War on Lebanon and the Peace Process** M. Deeb, 2003-07-03 This study demonstrates that Syria's role in the Middle East has been since 1974 an unabated terrorist war against all attempts to resolve peacefully the Arab Israeli conflict Marius Deeb provides evidence that Syria's role in Lebanon since 1975 has been to perpetuate the conflict among the various Lebanese communities in order to keep its domination of Lebanon *Historical Dictionary of Israel* Bernard Reich, David H. Goldberg, 2008-04-25 Since its creation the State of Israel has been a magnet for attention A country beset by conflict in its region and faced with the need to integrate immigrants of disparate backgrounds into a modern and advanced state Israel has preoccupied observers scholars and journalists since its independence in 1948 Israel and its politics have been the subject of substantial and often highly partisan literature being hotly and vigorously debated both at home and abroad The second edition of the Historical Dictionary of Israel addresses the need in the literature on Israel for a comprehensive impartial information source about the various diplomatic and political personalities institutions organizations events concepts and documents that together define the political life of the Jewish state This is done through a chronology an introductory essay a bibliography and hundreds of cross referenced dictionary entries on significant persons places events government institutions political parties and battles as well as entries on Israel's economy society and culture *40 Km Into Lebanon* H. Thomas Davis, 1995-10 The wars fought between the Arab nations and the Israel have drawn the attention of military analysts for nearly five decades Tactical warfare as well as performance of modern weapons have been of particular interest Since the Israel was created in 1948 the weaponry on both Israeli and Arab sides has grown in quantity and sophistication and tactical doctrine on both sides has evolved as well The lessons to be learned from Israel's 1982 invasion of Lebanon point more particularly however to politics not military tactics or modern arms Chapters include Clausewitz and the philosophy of war and politics Bibliography Maps and tables *Sabra and Shatila* Bayan Nuwayhed Al-Hout, 2004-08-20 Now available for the first time in English this classic book is the most comprehensive authoritative account of the Sabra and Shatila massacre and what happened and who was responsible Taking place over three bloody days in the Lebanese capital Beirut the Sabra and Shatila massacre was committed against Palestinian refugees by Lebanese militias aided and supervised by the Israeli Army which had encircled the district Driven by the horror of what occurred author Bayan Nuwayhed al Hout interviewed survivors and set up an oral history project immediately after the massacre to preserve testimonies Containing interviews with the victims families in addition to statistical data and attempts to determine the number of victims this book is a courageous attempt to make sense of what happened and an important political document in its own right *Israel's Lebanon War* Zeev Schiff, Ze'ev schiff/ehud ya'ari, Ehud Yaari, 1985-06-03 From

Simon Schuster Israel's Lebanon War is the first and only complete inside account of a disastrous military adventure and its ongoing consequences A detailed narrative by two Israeli journalists on the origins conduct and political repercussions of the Lebanon war based on previously unreleased documents and interviews with high officials *Politics and Government in Israel* Gregory S. Mahler, 2011 This even handed and thorough text explores Israeli government and politics First tracing the history and development of the state Mahler then examines the social religious economic and cultural contexts within which Israeli politics takes place The book explains the operation of political institutions and behavior in Israeli domestic politics as well as Israel's foreign policy setting and apparatus the Palestinian conflict and the question of Jerusalem and the Middle East peace process overall This clear and concise text provides an invaluable starting point for all readers needing a cogent introduction to Israel today

The A to Z of the Arab-Israeli Conflict P R Kumaraswamy, 2009-07-24 For over a century the conflict between the Arabs and Jews has remained the most intractable problem confronting the world Hardly a day passes that the Arab Israeli Conflict is not headlined in the media It has turned the Arabs and Israelis against one another and embittered relations within the two communities while drawing the rest of the world into the circle of disruption The A to Z of the Arab Israeli Conflict provides factual background through an introductory essay a chronology a bibliography and hundreds of cross referenced dictionary entries on the more significant persons places and events including the various wars and negotiations The history religion culture and archeology that this rivalry has sparked between the Arabs and Israelis over the same piece of territory is traced in this book which offers the essential details using neutral terms and thereby allowing readers to draw conclusions for themselves

Historical Dictionary of the Arab-Israeli Conflict P R Kumaraswamy, 2015-10-08 Competing Jewish and Arab national claims over the Holy Land form the core of the Arab Israeli conflict thereby transforming it into the most intensely fought struggles in the history of humanity The conflict evokes unparalleled passion and hostility not only among its immediate participants and neighbors but also in the wider international community The involvement of three principal monotheistic religions makes the conflict a truly universal contestation As a result it often contributes to bouts of violence turmoil and terrorism in the Middle East and beyond This second edition of Historical Dictionary of the Arab Israeli Conflict covers the history through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has over 600 cross referenced entries important events key personalities official positions of principal states and the UN and other efforts to find a peaceful settlement This book is an excellent access point for students researchers and anyone wanting to know more about this conflict

The Arab-Israeli War Since 1948 Alex Woolf, 2014-11-01 Why has the Arab Israeli War lasted so long and been fought in so many different ways Why is it of such global importance And how has it affected people on both sides of the conflict This book seeks to relate the overall events and chronology of the war and shows its impact on everyday lives

Arabs & Israel For Beginners Ron David, 2007-08-21 Arabs Israel For Beginners covers the Middle East from ancient times to the present tells

the truth in plain English and is one of the few non scholarly books that is relentlessly fair to both Jews and Arabs If you want to continue to believe fairy tales about Arabs in Israel don t touch this book it will surely be hazardous to your closed mind If you want the truth about 12 000 years of Middle Eastern History then Arabs Israel For Beginners is the perfect place to start

Jewish Writers of Latin America Darrell B. Lockhart,2013-08-21 Jewish writing has only recently begun to be recognized as a major cultural phenomenon in Latin American literature Nevertheless the majority of students and even Latin American literary specialists remain uninformed about this significant body of writing This Dictionary is the first comprehensive bibliographical and critical source book on Latin American Jewish literature It represents the research efforts of 50 scholars from the United States Latin America and Israel who are dedicated to the advancement of Latin American Jewish studies An introduction by the editor is followed by entries on 118 authors that provide both biographical information and a critical summary of works Argentina Brazil and Mexico home to the largest Jewish communities in Latin America are the countries with the greatest representation but there are essays on writers from Venezuela Chile Uruguay Peru Colombia Costa Rica and Cuba The Lebanon War A. J. Abraham,1996-01-23 Annotation A study of the Lebanon War from the inside

The Regionalization of Warfare James Brown,2023-03-31 Three wars have dominated world events in recent years The conflict which erupted between the United Kingdom and Argentina over the Falkland Malvinas Islands the multinational conflict in Lebanon involving Israeli Syrian and FLO forces in Lebanon and the savage struggles between ground and air units of the Iranian and Iraqi forces The scale and intensity of these wars their potential for global conflict make them crucial for an understanding among citizens in general and defense and political analysts in particular The authors and contributors to this most unusual volume come to several common conclusions professionalism is a crucial factor in military effectiveness but not necessarily dependent on modes of recruitment high technology is crucial but only in relation to the quality and training of the personnel public support is necessary to sustain military morale in democratic and authoritarian regimes alike These are only some of the incisive findings registered and explored in The Regionalization of Warfare The volume assembles experts not only on these three major regional and interregional conflicts but on current U S defense policies Soviet strategic interests in Middle East and Persian Gulf conflicts and a series of papers on lessons learned and unlearned as a result of these small wars of the early 1980s For those interested in military history global strategy and regional rivalries this collection of finely written sophisticated papers will prove to be of intense concern **The Palestine Question** Henry Cattani,2022-10-10 First published in 1988 The Palestine Question presents the highlights of the Palestine issue in a succinct objective and well documented manner The author reveals a fundamental fact which has apparently been overlooked namely that the conflict is not restricted to the territories seized by Israel in 1967 that is the West bank and the Gaza Strip which represent 20% of Palestine but concerns an area five times greater that is the whole territory of Palestine as well as the fate of more than 5 million Palestinians The author has done what has not been done before he offers judicious peace plan based

on right and justice for the intractable Arab Israeli conflict and its root cause the Palestine problem This book constitutes an indispensable reference work and essential reading for all who are concerned with Middle East and world peace

Historical Dictionary of Latin American Literature and Theater Richard Young, Odile Cisneros, 2010-12-18 The Historical Dictionary of Latin American Literature and Theater provides users with an accessible single volume reference tool covering Portuguese speaking Brazil and the 16 Spanish speaking countries of continental Latin America Argentina Bolivia Chile Colombia Costa Rica Ecuador El Salvador Guatemala Honduras Mexico Nicaragua Panama Paraguay Peru Uruguay and Venezuela Entries for authors ranging from the early colonial period to the present give succinct biographical data and an account of the author's literary production with particular attention to their most prominent works and where they belong in literary history The introduction provides a review of Latin American literature and theater as a whole while separate dictionary entries for each country offer insight into the history of national literatures Entries for literary terms movements and genres serve to complement these commentaries and an extensive bibliography points the way for further reading The comprehensive view and detailed information obtained from all these elements will make this book of use to the general interest reader Latin American studies students and the academic specialist

Three Plays of Maureen Hunter Hunter, Maureen, 2003 Book is clean and tight No writing in text Like New

Military Occupations in the Age of Self-Determination James Gannon, 2008-07-30 This book offers a perspective decidedly different from that of the Bush Administration and its neoconservative supporters Since the United Nations embraced the right of national self determination in 1945 the historical odds have been unfavorable to great powers that impose military occupations on smaller nations This point is bolstered by the evidence from history and is particularly pertinent to the American occupation of Iraq where a robust insurgency has delayed projected successes by the administration and wartime planners Drawing on historical antecedents to the occupation of Iraq Gannon examines events such as the British Struggles in Palestine French enterprises in Algeria the Soviet debacle in Afghanistan and other instances in which occupying powers to demonstrate the struggles and failures of occupying powers in the face of determined insurgencies Since the United Nations adopted the principle of national self determination in 1945 great powers like the United States that occupy smaller nations like Iraq lose more often than not when confronted with credible insurgencies The evidence is taken from recent history the Zionist victory over Britain in Palestine and the defeats of France in Algeria America in Vietnam the Soviet Union in Afghanistan and Israel in Lebanon On the surface these outcomes seem perverse powerful modern armies brought down by rag tag rebels The explanation comes from the types of warfare fought Great powers are equipped to fight other great powers in great battles over large territory Rebels fight shadow wars neutralizing the fire power and mobility of the occupying army Insurgencies continue for years allowing political considerations to come into play including propaganda international pressure and the stream of dead and wounded returning from the war zone The home front turns against the war and new policymakers conclude that the nation's interests are best

served by getting out History is not an exact science so the judgment here is expressed in probability not certainty witness the British defeat of insurgencies in Malaya and Kenya before giving up these colonies and the four decades old Israeli occupation and partial colonization of the West Bank **Beyond Innocence & Redemption** Marc H. Ellis, 2016-04-25 After the Gulf War and amidst the ongoing peace process this timely book speaks to the need to address the deeper issues of Israel and Palestine issues that concerned Jews Arabs and Christians must face if the legitimate rights of the Palestinians and the moral integrity of the State of Israel are to survive the rush to a new world order in the Middle East *The International Self* Mira M. Sucharov, 2012-02-01 The International Self explores an age old question in international affairs one that has been particularly pressing in the context of the contemporary Middle East what leads long standing adversaries to seek peace Mira M Sucharov employs a socio psychoanalytic model to argue that collective identity ultimately shapes foreign policy and policy change Specifically she shows that all states possess a distinctive role identity that tends to shape behavior in the international realm When policy deviates too greatly from the established role identity the population experiences cognitive dissonance and expresses this through counternarratives an unconscious representation of what the polity collectively fears in itself propelling political elites to realign the state s policy with its identity Focusing on Israel s decision to embark on negotiations leading to the 1993 agreement with the Palestine Liberation Organization PLO Sucharov sees this policy reversal as a reaction to the unease generated by two events in the 1980s the war in Lebanon and the first Palestinian Intifada that contradicted Israelis perceptions of their state as a defensive warrior Her argument bridges the fields of conflict resolution Middle East studies and international relations
