Gillon,2025-02-18 Steven M Gillon historian and New York Times bestselling author is back with the story of how WWII shaped the characters and politics of seven American presidents World War II loomed over the latter half of the twentieth century transforming every level of American society and international relationships and searing itself onto the psyche of an entire generation including that of seven American presidents Dwight D Eisenhower John F Kennedy Lyndon B Johnson Richard Nixon Gerald Ford Ronald Reagan and George H W Bush The lessons of World War II more than party affiliation or ideology defined the presidencies of these seven men They returned home determined to confront any force that threatened to undermine the war s hard won ideals each with their own unique understanding of patriotism sacrifice and America s role in global politics In *Presidents at War* Gillon examines what these men took away

from the war and how they then applied it to Cold War policies that proceeded to change America and the world forever A nuanced and deeply researched exploration of the lives philosophies and legacies of seven remarkable men Presidents at War deftly argues that the lessons learned by these postwar presidents continue to shape the landscape upon which current and future presidents stand today Flying with the Fifteenth Air Force Tom Faulkner,2018-11-15 In 1944 and 1945 Tom Faulkner was a B 24 pilot flying out of San Giovanni airfield in Italy as a member of the 15th Air Force of the U S Army Air Forces Only 19 years old when he completed his 28th and last mission Tom was one of the youngest bomber pilots to serve in the U S Army Air Forces during World War II Between September 1944 and the end of February 1945 he flew against targets in Hungary Germany Italy Austria and Yugoslavia On Tom s last mission against the marshalling yards at Augsburg Germany his plane was severely damaged and he had to fly to Switzerland where he and his crew were interned The 15th Air Force generally has been overshadowed by works on the 8th Air Force based in England Faulkner s memoir helps fill an important void by providing a first hand account of a pilot and his crew during the waning months of the war as well as a description of his experiences before his military service David L Snead has edited the memoir and provided annotations and corroboration for the various missions Breaking the Gas Ceiling Rebecca Ponton,2019 The international petroleum industry has long been known the world over as a good old boys club and nowhere is the oil and gas industry s gender imbalance more apparent than offshore The untold story shared in these pages is about the women who have been among the first to inhabit this world and whose stories previously have been a missing part of the history of the industry As a CEO I believe it is imperative for today s generation of young women to realize there is a seat for them in the boards of oil gas companies as the gas ceiling can be broken quicker and easier than before Reading this book they will think about these women who have gone before them and broken down those barriers in order to give them new opportunities Maria Moraeus Hanssen CEO DEA Deutsche Erdoel AG My belief is that diversity is key to both creativity and solid long term business results Even in a country like Norway where professional gender diversity is greater than in any other country I have had interactions with we have an underrepresentation of women in top management positions I would therefore like to express my appreciation to Rebecca Ponton for keeping this important subject on the agenda by presenting to us positive impressive and at the same time obtainable role models Grethe K Moen CEO and President Petoro AS As the industry now is more complex and faces more uncertainty women will be more important contributors especially in management and communication Women could be just what is needed Karen Sund Founder Sund Energy AS Everyone needs role models and role models that look like you are even better For women the oil and gas industry has historically been pretty thin on role models for young women to look up to Rebecca Ponton has provided an outstanding compilation of role models for all women who aspire to success in one of the most important industries of modern times Dave Payne Chevron VP Drilling Completions Learn more at [www.BreakingTheGlassCeiling.com](http://www.BreakingTheGlassCeiling.com) From the World Voices Series at Modern History Press [www.ModernHistoryPress.com](http://www.ModernHistoryPress.com)
